

Post Rock District

# 2021 4-H Day Results

4-H Day is an opportunity for Post Rock District 4-H members to showcase and further develop communication skills. The district-wide contest was open to 4-H members in Jewell, Lincoln, Mitchell, Osborne, and Smith Counties. Each participant in the junior (7–9 years old), intermediate (10–13 years old) and senior (14 years and older) divisions submitted a virtual presentation in the respective contest. Judges reviewed entries evaluating competency in communication, music and talent skills. Entries were rated by a white, red, blue, or purple ribbon. In each contest area, one Outstanding Presentation Sensation award was selected from the purples, recognizing the top entry. No ribbon categories are ranked in order. Cloverbuds (5–6 years old) engaged at a participation level. In 2021 there were a total of 68 participants and 102 entries. For more information visit [www.postrock.ksu.edu](http://www.postrock.ksu.edu) or contact Nora Rhoades, Youth Development Agent, [nrhoades@ksu.edu](mailto:nrhoades@ksu.edu).
