Restrooms are located on the west side of the Deibert Building (fair office) and are overseen by the Jewell County Fair Board.

JEWELL COUNTY FAIR OFFICIALS

Overall fairgrounds, fair board chair: Bryan Reinert
 Fair Board treasurer, fair office secretary: Lesa Peroutek
 Open class Quonset: Barb Mizner, Ione Shipley
 Entertainment & special events: Lesa Peroutek
 Premium sale finances: Lesa Peroutek
 Post Rock District Director & Youth Agent: Nora Rhoades
 4-H exhibits, 4-H program coordinator: Tonia Underwood
 Extension office professional: Teresa Shipley
 4-H Food Stand Manager: Betsy and Katie Reinert
 Fair photography: Sheila Lorence

THANK YOU for giving your time to be a department superintendent!

You provide one of the most important duties of the county fair; without you, it would be almost impossible to conduct a successful county fair. We always welcome your comments and suggestions. We hope your experiences will be very rewarding and that you will continue to be a positive player on our county fair team.

No dogs are allowed on the fairgrounds except during the Pets Show and service dogs.

2022 Jewell County Awards, Showmanship Gift Certificates, Belt Buckles

Alcorn, Pat & Doyle: woodworking
Atwood, Nola Bess Family: sheep
showmanship, goat showmanship

Superintendent Instructions

Department information

- ☐ **A number** is assigned to each department (see index for page number)
- ☐ **Names** of all superintendents are listed
- ☐ **Scheduled judging times** are approximate and will vary depending upon the number of entries, so please be patient if your judge is working in several other departments
- ☐ **General rules apply to all departments.** Be aware of both general and division specific rules.
- ☐ **Number** of 4-H members enrolled and number of awards are listed per department

Superintendent Responsibilities

1. All superintendents plan to arrive at least 30 minutes prior to the time your department exhibits are to be judged; begin by checking in the exhibits of department superintendents so all superintendents will be ready when exhibitors begin arriving. Superintendents are responsible for their department's notebook and must accurately record information (the exhibitor's name, number, and exhibit placing) return to the fair office.

On Wednesday, July 5: Open Class QUILTS superintendents need to arrive at the Mankato Community Center by 9:00 a.m. to check in exhibits, Open Class FOODS and 4-H PHOTOGRAPHY at 9:30 and 4-H FIBER ARTS, FOODS and CLOTHING/ FASHION REVUE at 1:00 - all other Quonset department superintendents: arrive by 7:00 a.m. on Thursday, July 6. NOTE change of day.

2. Make sure to introduce yourself and the department you represent to your judge. Your judge may be judging several departments so check with other department superintendents to become familiar with the judge's schedule. For questions concerning your department's judging guidelines, ribbon, or award selection process (if you are unsure, please ask Tonia Underwood). Be sure the judge is aware of the time allowed for judging and as the department superintendent, you are responsible for assuring that all exhibitors are treated courteously and that the entire judging process is conducted in an unbiased manner. Judges may be seated at tables arranged near the center of the commons/Quonset. Superintendents are urged to assist each other to speed up the judging process.

3. As exhibitors arrive, introduce yourself and make them feel welcome. For all departments that are conference judged (youth exhibitor is present when their entry is evaluated by the judge), check that youth have signed the registration sheet. Use the numeric order on the registration sheet as the order in which exhibits are judged. A parent and/or leader may accompany youth for

conference judging and youth are encouraged to converse with the judge during conference judging. **Adults are asked to refrain from talking until the judge has placed the exhibit.**

4. During the judge's evaluation, offer to write comments the judge may want to be written, use the section of the entry card that will remain with the exhibit or on comment cards. Be aware of the time and inform the judge if too much time is being taken. Make sure that there is fairness in all aspects of the judging environment.

5. Accurately record the placing for each exhibit in the department notebook and **double-check** that each entry card has the correct placing marked. News releases and premium amounts are based on information recorded in the department notebook. 2-sectional cards are used for entries displayed in the Quonset; attach one section with the ribbon to the exhibit. **Alphabetize the portion marked for office use and turn in this card section with your notebook to the fair office.**

6. When all exhibits have been judged, double-check that all award decisions and selections have been finalized. Also, make sure the judge has completed an expense sheet. If your judge is finished judging and is ready to leave, accompany them to the fair office and have them pick up their check. Please express appreciation to the judge and be sure that any suggestions made by the judge have been written on the evaluation sheet that is in your notebook.

7. Once all exhibits are judged, attractively display all exhibits, making sure that the correct ribbon is securely attached with one section of the entry. Take care that all exhibitors' names and the ribbons are clearly visible.

8. Comments from everyone who helped in the judging process are valued and evaluation forms are placed in department notebooks for each superintendent to record any comments or suggestions you may have regarding any portion of the judging process. One comment sheet per department is sufficient. Before returning your department notebook to the fair office, double-check that all exhibit placings are recorded, any special recognitions are noted, and that the comment form is in your notebook.

9. Questions and comments will be discussed at the **pre-fair superintendent's meeting/department set up to be held at the fairgrounds on Wednesday, July 5 at 4:00 p.m.** You will be able to inspect your department area and take care of the setup and arrangement of tables, display boards, show racks, pen locations, minor repairs, painting, dusting, & getting ready for exhibits.

10. One person from each department is to assist with **exhibit check out on Sun. evening, July 9, 4:30-5:30.** Mark record that exhibits have been officially released from display by initialing the release box in your department notebook.

Division I - 4-H / FFA NON-LIVESTOCK

Check in: Thursday, July 6, 7:30-8:30 a.m. - judging begins at 9:00 a.m. Check out: Sunday, 7/9 at 4:30 p.m.

2023-25	Natalie Frost Neil Bouray Tyler Marr, vc

GENERAL FAIR GUIDELINES

Code of Conduct: All exhibitors, volunteers, and spectators participating or attending the Jewell County Fair and related activities represent Kansas 4-H, Kansas FFA, and Jewell County. The Jewell County Fair's primary audience consists of family and youth. The Jewell County Fair Board, Post Rock Extension Staff, and designated volunteers reserve the right to reject any entry or behavior that may be considered objectionable by that audience.

Parents are responsible for their children at all times including all day and night hours spent associated with any county fair activity located at the county fairgrounds, barns, buildings, or any facility used for county fair activities.

All exhibitors, volunteers, and spectators participating in the 4-H and FFA Department and related activities are expected to follow the Kansas 4-H Code of Conduct. The Code of Conduct can be found at <<https://www.kansas4-h.org/resources/policy-guide/Kansas%204-H%20Youth%20Code%20of%20Conduct.pdf>>.

Any 4-H, FFA, Scout, or Open Class project condoning or promoting the use of alcoholic beverages or illegal substances/drugs will not be accepted for exhibit.

No alcoholic or cereal malt beverages or illegal substances/drugs may be consumed or carried on the premises. The only exception is when the Fair Board of Directors have designated an area for individuals of legal age, like the Beer Garden. Violators will be asked to leave the premises and law enforcement will be contacted when appropriate.

Those who find themselves unable to conduct themselves within the guidelines listed above may expect:

- to explain their actions to the adults in charge
- to accept the consequences of their actions
- to have the adults in charge work closely with parents/guardians, Fair Board of Directors, Post Rock District staff, and others to see that

actions taken, in case of unacceptable behavior, are appropriate and logical consequences for all concerned.

- General Requests and Grievances:** The Jewell County Fair Board of Directors are available to address your questions, requests and general grievances. A request/complaint will be presented at the time of the situation to the head superintendent of that division for a decision. If an appeal is necessary, it must be presented to the superintendent of that division and a Fair Board member in a timely manner. The Fair Board of Directors will consider the appeal, and their decision will be final. Consequences are to be handled on a case by case basis.
- 4-H/FFA Requests and Grievances:** The Jewell County 4-H Council has an appointed committee to hear requests and grievances related to the 4-H/FFA department and 4-H/FFA related activities at the Jewell County Fair. A request/complaint will be presented at the time of the situation to the head superintendent of that division for a decision. If an appeal is necessary, it must be presented to the superintendent of that division and a Post Rock District Staff Member (i.e. the 4-H Program Coordinator) in a timely manner. The committee will meet to consider the appeal, and their decision will be final. Consequences are to be handled on a case by case basis.
- Participate at Your Own Risk:** The Jewell County Fair Board of Directors, Post Rock District staff, fair volunteers and superintendents, city of Mankato, or Jewell County Commission *will not assume any responsibility* for any type of loss or accident associated with any county fair activities or events.

If property owners or others desire protection for injury or damage from a fire or other causes, arrangement and payment for such insurance is the responsibility of those individuals.

- Participation:** All project requirements and deadlines as defined by Post Rock District, Jewell County 4-H Council and Jewell County Fairboard must be met.
 - Entry cards/designated entry forms are required for **all** exhibits and contests.
 - Violation of any established regulation will result in forfeiture of any prize, ribbon, and premium.
 - Any exhibit entered late may be dropped one ribbon placing or may not even be judged per superintendent discretion on a case by case basis.

If you want to stay – you have to pay! Campers/RVs using electricity and water will need to pay a fee for staying on the fairgrounds. Please see Lesa Peroutek for more information.

4-H / FFA General Regulations

1. K-State Research and Extension: 4-H is a program of K-State Research and Extension (KSRE) which is part of Kansas State University. Rules and guidelines for the 4-H Division and 4-H related activities at the fair are governed by the K-State Research and Extension Post Rock District Board, giving Post Rock District Staff and approved volunteers enforcement authority. They strive to align the 4-H Division with K-State Research and Extension and Kansas 4-H policies and practices.

2. 4-H Exhibitors: Only Kansas 4-H members enrolled in Jewell County are eligible to compete in the 4-H/FFA Department. Each 4-H youth must be fully approved in 4-H Online. Enrollment Deadline is May 1 of the current 4-H year.

3. FFA Exhibitors: FFA members enrolled in the Rock Hills FFA Chapter may participate in the 4-H/FFA Department. FFA members must have paid current annual membership dues to the Chapter and they must fall within the Kansas 4-H membership age-range to be eligible. In the event a 4-H member is enrolled in a 4-H Club and FFA Chapter, different animal exhibits and project exhibits must be designated for participation as a 4-H member and participation as an FFA member. FFA participation must align with project areas directly relating to the agriculture education experience (i.e. livestock, ag mechanics, wood science, plant science). It is expected for the FFA Chapter and members to contribute as volunteers and assist with fundraising which benefits the experiences they engage in (i.e. county fair awards, judging boosters, superintendents). FFA members are to enroll with Post Rock District – Mankato Office. The annual Kansas 4-H participation fee will be waived, yet the enrollment will assist with project communication and fair deadlines. All 4-H participation deadlines will apply to FFA Chapters and members, including but not limited to tagging and verification expectations, weigh-ins, project drop/add deadline, fair entry deadlines and fees, dress code, code of conduct, etc.

4. Project Drop/Add Deadline: Members must be enrolled in the project in which they wish to exhibit. The project enrollment, drop/add deadline is May 1 of the current year. All project requirements and deadlines as defined by Post Rock District, Jewell County 4-H Council and Jewell County Fair Board must be met.

5. Age Divisions: 4-H/FFA Age Divisions: **J = junior** (7-12 years), **S = senior** (13 and older). Exception for buymanship and fashion revue: J = 7-13, S = 14 and older.

6. Exhibits must be entered by a member, except in case of a family emergency or if a youth is attending a 4-H/FFA activity. Exceptions must be requested in advance to the department superintendent or fair staff.

7. Equal Opportunity and Accessibility: K-State Research and Extension is committed to providing equal opportunity for participation in all programs, services and activities. Program information may be available in languages other than English. Reasonable accommodations for persons with disabilities, including alternative means for communication (e.g., Braille, large

print, audio tape, and American Sign Language) may be requested by contacting the event contact (Post Rock District) two weeks prior to the start of the event at 785-738-3597. Post Rock District staff contact information is available at www.postrock.ksu.edu Requests received after this date will be honored when it is feasible to do so. Language access services, such as interpretation or translation of vital information will be provided free of charge to limited English proficient individuals upon request. Kansas State University Agricultural Experiment Station and Cooperative Extension Service K-State Research and Extension is an equal opportunity provider and employer.

8. Exhibits: Exhibits are entered and displayed at the risk of the exhibitor. Due care will be exercised to protect them, but the hazards of the fair should be considered when selecting exhibits.

9. Project Ownership for County Fair Participation: The Post Rock District Board believes that in order for high-quality project learning to take place through 4-H, projects (animals and non-animals) should be owned by May 1 of the current year. All exhibits entered in the 4-H/FFA division of the county fair must be the handiwork of the exhibitor; the grower, where agricultural exhibits are shown; and the owner and feeder, where livestock is entered. All exhibits entered in the 4-H/FFA division of the county fair must be the result of the current program year's work. Ownership is defined so that the project (animal, garden, crop, exhibit creation, sewing, photo, etc.) is under the daily care and supervision of the member; all project-related practices, expenses, and management are the responsibility of the member; and all county fair exhibits should be a planned part of the project.

10. Animal and Non-Animal Project Verification: The Post Rock District Staff or 4-H Councils do not require verification of project ownership by May 1 for animals or non-animal project exhibits; however, refer to the Project Ownership for County Fair Participation section above for emphasis on learning value. Each 4-H Council is to designate a pre-fair entry deadline. The pre-fair deadline is when all project exhibits must be designated for the class which they will be shown in at the county fair. Entries can be dropped, but not added after the pre-fair deadline. Any project areas not required by 4-H Council to meet the pre-fair deadline will submit entry requirements at the project's fair check-in time. The 4-H Council will have an exhibit entry card or form designated which will be used to meet the entry requirements for each project area. This will be used to describe the exhibit and articulate the class of the exhibition. Refer to the project area in this fair book for the specific requirements related to your project areas. The Jewell County 4-H/FFA Division's pre-fair deadline is June 15, 2023.

11. Fair Clean Up and Set Up: All 4-H/FFA participants must work at fair set-up & clean-up to receive your premium ribbon money.

12. 4-H Food Stand: The 4-H food stand is the primary fundraiser for the 4-H Council.

- A. All members 8 and older must work at least one food stand shift (2 shifts are preferred) to receive your fair premiums. Exceptions must be approved by the extension office.
- B. Work schedules are chosen by the 4-H families.

The signup process will be emailed to families.

- C. All families will need to furnish supplies as per letter sent.

13. 4-H exhibitors (individuals or groups) must avoid using copyrighted materials whenever possible by originating his or her own work. A member or group should use with caution, a copyrighted and/or trademarked product or service (a brand name, label, or product); the intent of using the copyright or trade-mark materials for educational purposes such as an exhibit, educational poster/display or public presentation is acceptable under the “fair use” (legal use) provision. “Fair use” is a provision of the current copyright law that allows reproduction without payment or permission of limited portions of a copyrighted work for educational and other public interest purposes. Copyright and trademark are legal methods used by writers, artists, corporations, and others to protect their original work. Protected items may range from books to music, logos to computer graphics. Copyrighted and/or trademarked materials utilized in banners, displays, demonstrations, posters, or other activities for endorsement or promotion instead of educational purposes will be disqualified and will not be displayed or receive ribbons or premium.

14. Fair Packet: A fair packet will be prepared for each 4-H/FFA family. You will be notified by email when they are available. Pick-up from the Extension Office or through your 4-H Club Leader. Pay close attention to the information included.

15. Kansas State Fair Entries: The Jewell County Fair is an official county fair with an approved 4-H/FFA Department. Exhibitors 9 years and older by January 1 of the current year are eligible to exhibit in 4-H at the Kansas State Fair, if an exhibit receives a purple ribbon at the county-level, and there is an appropriate class at the Kansas State Fair. There may be additional exhibit requirements to exhibit at the state fair, so review the Kansas 4-H State Fair Book at <https://www.kansas4-h.org/events-activities/fairs/kansas-state-fair>.

Exhibitors must notify their department superintendent of your intent to exhibit qualified Quonset items at the Kansas State Fair before the end of fair. The superintendent notes this in their department notebook. Additions/changes to your intent to exhibit at the Kansas State Fair must be made at the Extension Office no later than August 4.

Exhibiting an animal beyond the 4-H/FFA Division at the county fair means that ownership and identification must meet the requirements outlined by the K-State Youth Livestock Program, Kansas State Fair, Kansas Junior Livestock Show, and all other show governing bodies. The member is responsible for understanding the deadlines and expectations involved. It is strongly recommended to contact the Post Rock District office well in advance of May 1 if you are considering showing an animal at the Kansas State Fair, so expectations and processes can be reviewed

and met. The Post Rock District and 4-H Councils are not responsible for missed opportunities if a county fair pre-fair or other deadline does not align with another level of exhibition’s requirements.

4-H/FFA AWARD GUIDELINES

Ribbon Identification and Guidelines

Grand champion rosette - dark purple with 2 streamers for all 4-H/FFA departments.

Reserve grand champion rosette - light purple with two streamers for all 4-H/FFA departments.

Champion rosette - dark purple with one streamer. (*livestock classes only*)

Reserve champion rosette - light purple with one streamer (*livestock classes only*)

Purple, blue, red, white - 8" in length by 2" in width for all 4-H/FFA departments.

- Ribbons are to be awarded upon the completion of the competition (no ribbon awarded to any exhibit that remains in competition).
- Earning a rosette ribbon is possible for every exhibit.
- Grand and reserve grand champion rosette ribbons are awarded in 4-H / FFA departments and in each division, if divided into age divisions.
- Champion and reserve champion rosettes are awarded only in livestock classes.

Department Award Guidelines

- 4-H/FFA awards are sponsored financially by donors through the fair board.
- Award items are selected by the 4-H Council with similar priced items (\$20 avg.) offered to each project area. The exception is the Round Robin where the Fair Board has approved a different award.
- The Extension Office oversees ordering and distributing awards.
- Awards are given to the best exhibit in 4-H/FFA departments, exhibit quality must be deemed worthy at the judge’s discretion.
- An award is given for both the Jr. and Sr. age division if the department has three (3) different enrolled members enter at least one exhibit for fair judging in each age division. Departments with less than this minimum will have one department award, combining Jr. and Sr. age divisions. The enrollment and award information outlined by each department in this fair book is an estimate of what will be given based on 4-H/FFA project enrollment by May 1 of the current year (or at time of fair book printing if it is published before May 1). Not every member enrolled in a project will bring an exhibit to the fair, so award decisions should be based on fair entry numbers.
- Awards and donors are announced at the Jewell County Fair Awards Ceremony. Winners are encouraged to be present to be recognized.
- Special awards may be provided to certain classes and divisions. These are on a case-by-case basis from

community patrons and are in addition to the general 4-H/FFA awards. The special award donor purchases and provides the award to the Extension Office in advance of the fair. When notice is given, the special award and its requirements will be noted in the fair book under the appropriate department.

- Award winners must select their prize at the fair office by the end of fair.

Ribbon Premium Guidelines

Exhibitors will be paid premium money on the basis of ribbons awarded: \$2.50 - rosettes \$2.25 - purple \$2.00 - blue \$1.50 - red \$1.00 white

LIVESTOCK/ANIMALS GENERAL RULES

- ◆ Departments by species: beef, dairy cattle, dairy goat, goat, horse, other animals, poultry, rabbit, sheep, swine
- ◆ Subheadings are phases within a department (i.e. market)
- ◆ Classes are exhibited by either age or weight
- ◆ A maximum of three market animals *per department* may be exhibited
- ◆ A maximum of two breeding animals *per class* is allowed, exception rabbits and poultry

Livestock Premium Sale

1. The Livestock Premium Sale is Sunday, July 9th at 7:00 p.m. at the Mankato Sale Barn.
2. Buyer payment inquiries need to be directed to Lesa Peroutek, fair board treasurer.
3. The Jewell County Fair Board of Directors governs the Livestock Premium Sale.
4. The sale is for youth 4-H/FFA members only, no open class.
5. Post Rock District is not responsible for the planning and facilitation of a county-level premium auction or project sale, nor serve as the fiscal managers of such an event. Post Rock District will enforce that Kansas 4-H policies and code of conduct are followed at these activities because Post Rock District 4-H members are the target audience of such experiences. This includes overseeing that all projects which are sold on a sale of this type are never again eligible for exhibition.
6. **Premium Sale Requirements:** Those interested in participating must have a checked-off and signed form turned in to the Fair Office or Extension Office before Noon on Saturday of the fair. All requirements on the form must be met to be eligible to participate in the sale. The form is posted at www.postrock.k-state.edu/4-h/county-fairs/jewellfair/.
7. **Livestock Sale Premiums:** Livestock exhibitors will receive the amount of money bid at the livestock premium sale. Bidders will pay the fair board, then the board treasurer will distribute the donated money to livestock exhibitors.

8. Premium Sale Guidelines:

- ☐ Only market animals may be sold
- ☐ A youth may sell a total of two (2) animals
- ☐ Minimum live weights: **beef-950#, poultry-3#, rabbits-3½#, sheep-100#, swine- 220#, goats- 55#**

4-H/FFA Animal Verification Due June 15: All animals (ALL SPECIES) are to be properly owned and verified with the Post Rock District by the pre-fair deadline. Refer to the 4-H/ FFA General Rules and the specific project's department rules for details. All animals complete an entry and identification form instead of the small exhibit cards. The forms are available at www.postrock.k-state.edu/4-h/county-fairs/jewellfair/.

4-H/FFA Animal Identification: The Jewell County Fair Board of Directors and Jewell County 4-H Council obtained the 4-H tags for the 4-H/FFA Division. County-level tags are free to the exhibitor. Kansas 4-H EID tag payment is to be remitted to 4-H Council. When a tag is sold from the Post Rock District office, it will be recorded under the immediate family. Do not transfer a 4-H tag to another family. A photo is not required to be turned in once the animal is tagged. Unused tags are to be returned to the Extension Office. If a tag is lost or damaged, work with the local Post Rock District office to replace it. It is strongly recommended all livestock are tagged at the Jewell County weigh-in dates as announced in the 4-H Newsletter.

The following animals will require the designated 4-H tag: market beef, commercial breeding beef, bucket calf, market sheep, commercial breeding sheep, market swine, commercial breeding swine, market goat, commercial breeding goat, dairy cattle, dairy goat, and other species where tagging is determined safe and appropriate. Either ear can be tagged for the county fair. If an animal is breed registered, a 4-H tag is not required. A copy of the registered animal's official documentation (i.e. registered heifer) is to be on file at the local Post Rock District office by the pre-fair deadline. Registration papers can be in the member or immediate family name to be accepted. Any animal exhibit with two or more animals (i.e. cow/calf pair) will require verification by a 4-H tag, local farm tag, or registered documentation for the primary animal (cow) and secondary animals will be allowed to have a local farm tag (calf). Animals not requiring a 4-H tag will describe the animal exhibit on the fair entry document which is to be submitted by the pre-fair deadline. Descriptions include: breed, sex, name, special markings. For county-level exhibition in Post Rock District, leg bands are not required for poultry; tattoos are not required for rabbits; identification certificates and level testing are not required for horses.

Open Class Animal Verification and Identification: There is no pre-entry for open class animals. Turn in the general animal entry form (not cards) at the vet check-in time. You can find the form at www.postrock.k-state.edu/4-h/county-fairs/jewellfair/.

Animal Health Requirements:

1. All animals must be in good health to be exhibited in any division of the fair. Before any animal is permitted to be unloaded, a veterinarian will verify and confirm the health of the animal.
2. Any animal health concerns that arise during the fair will be addressed by the superintendent.
3. A state-approved lab tester must conduct all tests.
4. After animals are penned, the 4-H/FFA owner is responsible for grooming the animal & cleaning the pen(s).

All livestock will check with the veterinarian during pre-fair check-in and will remain at the fairgrounds, unless special permission is obtained from the Head Superintendent, Fair Board, and Extension Staff for temporary absence. Exception is: open class horses can leave fairgrounds after the Horse Show.

CATTLE: Kansas is recognized as a Brucellosis free state, animals of Kansas origin are not required to be tested for brucellosis; any animal without this status must be tested; Kansas is also recognized as a Tuberculosis free state, cattle and goats originating in Kansas are not required to be tested for Tuberculosis

HORSE: All horses must have an official health certificate stating the animal is free of any contagious, communicable, or infectious diseases (issued within thirty (30) days of exhibit) and a VS 10-11 form indicating a negative EIA (Coggins) test within the previous 12 months.

POULTRY: All poultry exhibits will be blood tested at the county fair this year on Thursday, July 6. **2023 is a required year for testing for all counties in Post Rock District.**

SWINE: Animals of Kansas origin are not required to be tested for pseudorabies or brucellosis; any animal without this status must be tested.

Specific Rules

- ▼ It is not acceptable for any coaching to be done from the sidelines during any time an animal is being shown.
- ▼ Stalls must be kept clean and orderly at all times and superintendents have the authority to notify any exhibitor when improvement is needed to keep animals, pens, and aisles clean and safe.
- ▼ No tranquilizers may be used on animals.
- ▼ Bedding used for animals is the responsibility of the animal owners.
- ▼ All animals that will not be shipped, may be removed from the fairgrounds following the premium sale on Sun.
- ▼ All pens are to be cleaned when the animals are removed and checked out.
- ▼ **Animal pens not cleaned by fair cleanup time will be assessed a \$10.00 fee by Jewell County Fair Board.**
- ▼ There will be adult supervision in all livestock barns.

Fitting and Showing

1. All exhibitors must wear long pants, appropriate shoes – (no sandals, flip flops, open-toe or heel shoes), and any 4-H shirt or an official county fair t-shirt (need not be the current year) or appropriate show attire for the horse show.
2. All animals brought to the fair must be tame and safe around people and must have been trained so that youth can handle and move the animal from the barn to the show ring. Any animal deemed unsafe will not be judged.
3. Youth can only show one animal at a time. If youth have more than one animal per class, another 4-H youth may show the second animal. One showman per animal in the ring in all classes.
4. Only if the youth is present and with permission of the department head superintendent, may a parent assist a junior 4-H member in fitting an animal for show. In the event a parent does not have prior permission, the superintendent may rule that this animal may not be shown and any premium money, ribbon, or award be forfeited. A parent cannot assist a senior 4-H member.
5. Except in extreme cases and only with the permission of the dept. head supt., may a parent show an animal.
6. Animal is presented in its natural conformation and structure without alteration or modification. Alteration or modification shall be defined to include any surgical, chemical, electrical, or other change for cosmetic purposes, save only branding, tattooing, foot trimming, or dehorning. The act of artificially filling animals, internally, which would include stomach pumping, drench tubes, or any other method (per esophagus) is prohibited. Silicone injection or other injection for cosmetic purposes shall be prohibited. Anabolic steroid use shall likewise be prohibited and any animal testing positive for anabolic steroid or diuretic use shall be presumed to be altered and modified.
7. Electric shear and power blower are permitted to trim or fit. Adhesives, hairspray, shampoo, and hair polish are permitted. Painting or hair additions are not permitted.

Showmanship Rules

1. Judging of showmanship classes will be done before the animals are judged.
2. Showmanship ages for 4-H/FFA livestock departments: junior (ages 7-12) and senior (age 13 and older); open class ages are youth (18 & younger) and adult (19 and older).
3. Livestock exhibitors will be evaluated on grooming and showmanship techniques.

Showmanship Judging Criteria

Preparation of animal for showing - 50%

1. control of feet
2. trimming of head, ears, hair, horns, etc.
3. washing and cleanliness
4. condition of coat, including gloss, non-objectionable materials

Showing of animal - 50%

5. control of animal by exhibitor
6. poise and coolness of exhibitor
7. ability to stand or move the animal as requested by the judge
8. skill in showing including:
 - continuous attention,
 - keeping animal placed to advantage,
 - being continuously alert

Catch-An-Animal Guidelines

(NOTE: The catch-an-animal event on Family Night at the Fair (Saturday) is sponsored by Paul Pumphrey Memorial.)

- Youth must be 12 years or younger on January 1 of the current year.
- Youth may not previously have taken this project.
- Youth may receive one donated catch-an-animal per species during their eligibility. A monetary equivalent may be received so the family can purchase the animal. Eligible species are swine, sheep, and goat. Contact the Fair Board Treasurer for details.
- Catch animals are to be exhibited at the next year's Jewell County Fair 4-H/FFA Division. They are to participate in early weigh-in for eligibility in daily gain and carcass contest.
- Catch animals sold at Premium Sale are not eligible for exhibit in a future show by any youth.

Carcass Competition: Only market animals are eligible for carcass competition. Animals must comply with weigh-in dates to compete. There is an award for the overall champion of the carcass contest in each species.

Daily Gain Competition: Only market animals are eligible for daily gain competition. Any livestock not weighed-in and tagged with the county's official 4-H tag at the designated event are not eligible for the daily gain contest. There is an award for the overall champion of the daily gain contest in each species.

Jewell County Fair Board governs the Catch-an-Animal, Carcass Contest, Daily Gain Contest, and Round Robin.

Open Class and Scouts

Best of Show rosette - dark purple single streamer ribbon

Blue, red, white - 8" in length by 2" in width ribbons

NOTE: Stickers identifying ribbon placing are used for Open Class Quonset exhibits. If a ribbon is desired, visit the fair office. The Scouts department will receive a ribbon.

- Ribbons are to be awarded upon the completion of the competition (no ribbon awarded to any exhibit that remains in competition).
- Earning a rosette ribbon is possible for every exhibit.
- Best of Show rosettes are awarded in all open class and scout departments.
- Special awards may be provided to certain classes and divisions. These are on a case-by-case basis from community patrons. The special award donor purchases and provides the award to the Extension Office in advance of the fair. When notice is given, the special award and its requirements will be noted in the fair book under the appropriate department.

DIVISION I - 4-H/FFA NON-LIVESTOCK

Display / Notebook / Poster Guidelines

- ☐ **Select** durable materials to withstand county fair conditions
- ☐ **Poster size:** maximum size 22" x 30"
- ☐ **Display space:** maximum size is a 4' wide x 3' tall tri-fold. No card table displays are allowed.
- ☐ **Notebook:** must contain story and other supporting materials but no record sheet should be included
- ☐ **Copyrighted materials:** see general regulations

**Judging criteria: 50 points - Information
30 points - General appearance
20 points - Organization**

Ribbon placing will be based on evaluation of:

- ☐ **Stopping power**
 - Is the main idea specific?
 - Is the idea presented clearly, simply, forcefully?
- ☐ **Interest, holding power**
 - Does the exhibit give the observer additional facts in a clear, concise, informative way?
- ☐ **4-H project application**
 - Is subject matter an effective showcase?
- ☐ **Mechanical power**
 - Correct letter size, pleasing color combination, appropriate symbols, and models?
- ☐ **Personal growth**
 - How much knowledge was gained by the exhibitor, enthusiasm shown, knowledge shared?
- ☐ **Educational value**
 - Is knowledge shared?

Department 1 Citizenship

Enrollment: 0

1. All general regulations apply.
2. 2-sectional entry card is required for each exhibit.
3. Member enrolled in this project may exhibit five (5) entries per class completed in current 4-H yr.
4. See page 11: poster, display & notebook criteria.
5. Exhibit must relate to project work completed during the current year.

Me, My Family & Friends: poster, notebook, or display
Class 1000J by 7-12 yr old member
Class 1000S by 13 and older member

My Neighborhood: poster, notebook, or display
Class 1001J by 7-12 yr old member
Class 1001S by 13 and older member

My Clubs & Groups: poster, notebook, or display

Department 2 Clothing & Textiles and Fashion Revue

Construction: 2 jr *1 overall award*

Buymanship: 8 jr, 3 sr (ribbons only, no award or rosettes)

***NOTE: Clothing & Textiles senior age is 14+.**

1. All general regulations apply.
2. Entry cards are on a form that is required for each exhibit. Forms will be in the fair packet and on the Post Rock website.
3. Members enrolled in this project may exhibit four (4) entries per class completed in current 4-H yr.
4. See page 11: poster, display & notebook criteria.
5. Articles, garments, outfits may have been used/worn but should be carefully laundered or cleaned before being exhibited. Exhibits may be placed in clear plastic bags for protection. Bags will be removed for clothing display purposes. Items should be hung on swivel or wire hangers.
6. Identification Labels (no straight pins may be used to attach these items): a) Type or print on 3" x 2½" piece of cloth: Class Number, County or District, Name. b) Sew labels on the inside of the garment (back of the neck, center back of the waistband, or left end of apron band). Label each piece.
7. Pre-cut kits are acceptable for all clothing classes. All articles/garments must be finished for use.
8. Since care labels are not always available, NO care labels will be required; however, 4 H members should know how to care for fabrics they purchase.
9. Garments made for animals (i.e. dog, cat) may be exhibited but may not be entered in fashion revue.
10. Bring all patterns used in making an exhibit.
11. An article is an item constructed by hand or machine, including, but not limited to: pincushion, home

decorator item (wall hanging, pillow or curtains), tote bag, travel bag, lingerie case, wearable fiber art to embroidery or appliqué on items made, caps hats, scarf.

12. Exhibits must be displayed at the county fair **and checked in with superintendents by 9:00 a.m. on check-in day.**

CLOTHING & TEXTILES CONSTRUCTION

Article, garment, outfit

Class 1008J by 7-12 yr old member

Class 1008S by 13 and older member

Poster, notebook, display, or work kit

Class 1009J by 7-12 yr old member

Class 1009S by 13 and older member

CLOTHING & TEXTILES BUYMANSHIP

Article, garment, or outfit

Class 1010J by 7-12 yr old member

Class 1010S by 13 and older member

Poster, notebook, display, or work kit

Class 1011J by 7-12 yr old member

Class 1011S by 13 and older member

RECYCLED CLOTHING PROJECT: An item made of at least 50% recycled material (recycled means reusing an existing item in a new way). Could be remaking/redesigning a garment, re-purposing a clothing item for a new use, etc. Must include sewing of some kind. An index card (no larger than 4" x 6") MUST accompany the entry describing the recycled materials and how they were used in the item.

Class 1012J by 7-12 yr old member

Class 1012S by 13 and older member

Fashion Revue

Construction: 2 jr *1 overall award*

Buymanship: 8 jr, 3 sr *1 overall award*

***NOTE: Fashion Revue senior age is 14+.**

1. All general regulations apply.
2. **Fashion revue:** members enrolled in clothing, crochet, knitting, and quilting may compete.
3. Entry cards are on a form that is required for each exhibit. Forms will be in the fair packet and on the Post Rock website
4. Exhibit may have been used/worn, but shall be carefully laundered before being exhibited.
5. Participants should provide a written script to the Extension Office. Scripts should be 4-6 sentences in length. Write it exactly as you want it read during the public revue. Include the member's name and 4-H club somewhere in the first sentence. Some descriptors may include fabric, colors, patterns, where you will wear the outfit, what you like best, etc. Feel free to include hobbies and other info about yourself.
6. Participants may model only what can be worn. Garments cannot be carried. Contestants should use good sense in choosing items that are appropriate to be modeled publicly.

7. Majority of the outfit commonly considered an outer garment (dress, jacket, skirt, pants, coat, etc.) must be constructed by youth, pieces worn with an outfit (blouse, shirt, sweater) can be purchased.
8. Members enrolled in the project may enter four (4) fashion revue exhibits per class.
9. All garments/outfits modeled must also be entered in either clothing construction or buymanship classes.
10. **All written scripts, cost sheets, and entry cards are DUE in the extension office by June 15, pre-fair deadline.**
11. **Exhibitors must sign in 1:00-1:30 p.m. for modeling.**
12. Exhibits worn in fashion revue must be displayed at the county fair **and checked in with superintendents by 9:00 a.m. on check-in day at Quonset.**

Standards for exhibitor:

1. to understand and demonstrate a wardrobe plan.
2. to understand how selected garment(s) and accessories enhance their personal/public presentation.
3. to understand the value of this garment/outfit and how it fits into the family's clothing budget.
4. to be able to describe how they have accepted personal responsibility in caring for their garment/outfit.
5. to visually demonstrate personal fitness and grooming and clothing/accessories comfort and safety.
6. to be able to describe how they cared for the garment/outfit and how it fits into their wardrobe plan.

SCORECARD

General appearance & knowledge 70%

posture, poise, personal grooming, garment condition, fit of the garment, modeling skills, accessories used to create a total look, knowledge of wardrobe plan

Construction appearance & life cycle knowledge 30%

quality of construction, appropriate finishing techniques used, plan for clothing care and life cycle, able to calculate a value per wear

Class 1014J revue buymanship jr 7-13 years

Class 1014S revue buymanship sr 14 and older

Department 3 Cloverbuds

Enrollment: 12 (pre-4-H age youth) **green participation ribbons ONLY** (no rosette or award)

Cloverbud may display five (5) entries completed during current year per project. **NO livestock can be entered in Cloverbud.**

Class 1015 cloverbud display item

Department 4 4-H Club / FFA Chapter

Banner /booth /officer books /project display/ /fair theme

Check-in: banners 7/5, at the extension office

booth, books, displays 7/6, 7:30 a.m.

one (1) FFA chapter, three (3) 4-H clubs

2 awards: secretary book, historian book

Banners: will NOT be displayed at the state fair.

1. All general regulations apply.
 2. 2-sectional entry card is required for each exhibit.
 3. One class entry per club/chapter.
 4. **Copyrighted material:** see general regulations
- NOTE: may want to incorporate the fair theme.**

Banners must be:

- a. A minimum of 12 and maximum of 16 square feet, with a minimum of 3 feet on one side.
- b. Two (2) dimensional displays, depicting one idea.
- c. Hung on a dowel, strong enough to support the banner, each end of the dowel must have a chain six inches long, the other end of the chain connects to an "S" hook which will permit the banner to be suspended by the chains on the wire, banners mounted any other way will not be displayed due to technical problems.
- d. Materials used must be non-flammable and permit the banner to be folded or rolled without damaging the display; 3-dimensional objects may not be attached to the banner.
- e. To the front lower left-hand corner, attach a label with club name and county, lettering 2" in height, names of members are optional, water-proof ink prevents smearing and is recommended for the label.

Booths will be:

- a. Table against a wall.
- b. Same judging criteria as banners.

Banner and booth judging criteria:

- 1) 40% *educational value*
- 2) 20% *appearance*
- 3) 20% *interest and originality*
- 4) 20% *quality of display materials*

Class 1016 4-H/FFA banner

Department 5 Dogs

Judging: Monday, July 24 in Osborne, KS at Post Rock District Dog Show except educational exhibits judged on Thursday, July 6 in Quonset.

Enrollment: 2 jr, 2 sr

1. All general regulations apply.
2. 2-sectional entry card is required for each exhibit.
3. Member enrolled in this project may exhibit five (5) entries per class completed in current 4-H yr.
4. See page 11: poster, display & notebook criteria.
5. Exhibit must relate to project work completed during the current year.

Poster, Display, or Notebook

Class 1026J by 7-12 yr old member

Class 1026S by 13 and older member

Department 6 Energy Management (Electric, Small Engine, & Alternative Energy)

Enrollment: Electric: 1 sr *1 electric award*

Small Engine: 2 sr *1 small engine award*

1. All general regulations apply.
2. 2-sectional entry card is required for each exhibit.
3. Member enrolled in this project may exhibit three (3) entries per class completed in current 4-H yr.
4. See page 11: poster, display & notebook criteria.
5. Items that have been in use should be cleaned for exhibit.
6. A sheet of operation instructions must be furnished for any exhibit that is not self-explanatory.
7. Electric exhibits must be operable using only 110 or 120V AC or Battery power. If battery power is required, batteries must be furnished.
8. Any project with a complexity of the size of electronics must have (a) instructions for assembly and use and (b) equipment available at the time of judging for actual testing of the exhibit.
9. No hand-dipped solder may be used on exhibits.

ELECTRICAL/ELECTRONICS

AC Electric Projects: Electric projects with a 110 or 120 V alternating current (AC) power source. Some project examples are household wiring demonstrations, small appliances, extension cords, trouble lights, indoor or outdoor wiring boards, or shop lights. Projects may be a restoration or original construction. The project must be operational and meet minimum safety standards. AC projects must be 110/120 V, no 240 V exhibits are allowed, and must be constructed such that the judges have wiring access to examine the quality and safety of workmanship.

Class 1027J by 7-12 yr old member

Class 1027S by 13 and older member

DC Electric Projects: Electric projects with a battery or direct current (DC) power source. This class includes electric kits or original projects. This class also includes demonstration DC-powered projects. Examples include

wiring two or three-way switches, the difference between series/parallel lighting circuits, or wiring doorbells switches. All DC electric projects must include batteries supplied by 4-H'er. Projects must be constructed so that the judges have access to examine the quality of wiring workmanship.

Class 1028J by 7-12 yr old member

Class 1028S by 13 and older member

Electronics Projects: Electronic projects with a battery or direct current power source. This class includes electronic kits or original projects. Examples include radios, telephones, toy robots, light meters, security systems, etc. May be constructed using a printed circuit board, wire wrap, or breadboard techniques. Include instruction/assembly manual if from a kit. Include plans if an original project. Projects must be constructed so that the judges have access to examine the quality of wiring workmanship.

Class 1029J by 7-12 yr old member

Class 1029S by 13 and older member

Educational Displays and Exhibits: The purpose of the educational display and exhibit is to educate the viewer about a specific area of the 4-H electrical or electronics project. The display or exhibit should illustrate one basic idea. This class includes any educational displays, exhibits, or science fair projects which DO NOT have a power source, i.e. exhibits, posters, or displays of wire types, conduit types, electrical safety, tool or motor parts identification, or electrical terminology. Educational displays and exhibits must be legible from a distance of four feet, using a maximum tri-fold size of 3' x 4'.

Class 1030J by 7-12 yr old member

Class 1030S by 13 and older member

SMALL ENGINES

All exhibits should involve engines smaller than 20 horsepower. Engine should contain no fuel in the tank or carburetor. Displays are limited to 4' wide and 4' deep- both upright and floor displays.

Display: Exhibit a display, selecting one of the following options: 1) a display identifying different engine or lawn and garden equipment parts or a display showing the function of the various engine or lawn and garden equipment parts; or 2) a display identifying and explaining the function of different special tools needed for small engine work; or 3) a display illustrating and providing the results of any one of experiments that are included in the project books. No complete engines, lawn tractors, tillers, chainsaws are permitted for display. The maximum tri-fold size is 3' x 4'.

Class 1031J by 7-12 yr old member

Class 1031S by 13 and older member

Maintenance: Exhibit a display that illustrates either 1) Routine maintenance procedures or 2) Diagnosing and troubleshooting specific problems in an engine. No complete engines, lawn tractors, tillers, chainsaws are

permitted for display, using a maximum tri-fold size of 3'x 4'.

Class 1032J by 7-12 yr old member

Class 1032S by 13 and older member

Operation: Exhibit an operable small engine (should be no more than 20 horsepower) overhauled or rebuilt by the member. Include maintenance schedule for the engine and a brief description of steps taken by the member overhauling or rebuilding the engine. Maximum tri-fold size 3'x 4'. The engine should contain no fuel in the tank or carburetor.

Class 1033J by 7-12 yr old member

Class 1033S by 13 and older member

ALTERNATIVE ENERGY (A form of energy derived from a natural source, such as the sun, geothermal, wind, tides, or waves.) All exhibits in this division are limited in size to standard, tri-fold display boards (36"x 48"), and items may not extend beyond 12" from the backboard. All displays must be self-standing.

Educational Display: Create an exhibit that addresses a focused topic related to power generated from a renewable energy source. The purpose of the exhibit is to inform and create awareness.

Class 1034J by 7-12 yr old member

Class 1034S by 13 and older member

Experiment: Display an experiment addressing a problem or question related to power generated from a renewable energy source. Include hypothesis, background research, variables, a control, data, findings, conclusions, and recommendations for future study.

Class 1035J by 7-12 yr old member

Class 1035S by 13 and older member

Department 7 Entomology

Enrollment: 0

1. All general regulations apply.
2. 2-sectional entry card is required for each exhibit.
3. Member enrolled in this project may exhibit collection and/ or educational exhibit (maximum size 2' x 3') in each entomology phase. See page 11: poster, display & notebook criteria.
4. All entries should be submitted in an 18 x 24 x 3.5-inch wooden display box with a clear plastic top (such as Plexiglas). Boxes can be handmade or purchased as long as they are of the correct size.
5. 4-Hers may choose to use one of two taxonomies:
Option A: As printed in "Insects in Kansas" book, or
Option B: As printed on the "Insects in Kansas Book: 2016 Revised Taxonomy", which follows www.bugguide.net
6. Each exhibitor is required to identify each box with two identification labels bearing the exhibitor's name, county, or district, the collection class 4-H'er is enrolled

in and the statement of taxonomy used. One label goes in the upper left corner of the box (inside) and the other in the lower right corner of the box (outside). Arrange specimens in the box so the box can be displayed lengthwise.

7. The number of orders, specimens (and families where required) must be included on both of the exhibitor's box identification labels. Only one adult insect per species can be used in the Collection Boxes and Notebook Classes unless labeled as male or female and correctly identified.
8. Arrange specimens in groups or rows parallel to the short sides of the box. Specimens are to be arranged by Order in the box, then Family where required.
9. Two labels should be centered on the pin beneath each specimen. The first (closest to the specimen) is the common name label and the second label should include date/locality. Full county name and state abbreviation should be on the second label. Collector's name (or host) on the date/locality label is optional.
10. The specimens should be collected by the exhibitor and should focus on Kansas insects. Insects may be collected from one county into bordering states and labeled accordingly. Please refer to "Entomology Collection Exhibit Resource" for full details on out-of-state insects in collections.
11. Only specimens of the class Insecta should be included.
12. Purchased insects are not to be exhibited in collections, but they may be used in educational displays.
13. Specimens of soft-bodied insects such as aphids, lice, termites, etc. should be exhibited in alcohol-filled vials; however, the use of alcohol filled vials should be limited to only those specimens that lose their shape when pinned, since the vials pose a significant hazard to the rest of the collection if they become loose in transit.

Beginning Entomology I

Class 1040 Collection.

Display in one standard box a minimum of 50 and a maximum of 125 species representing at least 7 orders. Follow the guidelines listed for collections. Members can exhibit in this class for a maximum of 3 years, or until they receive a purple ribbon at the Kansas State Fair, whichever comes first, and then they are moved up a division.

Beginning Entomology II

Class 1041 Collection.

Display in one standard box a minimum of 75 and a maximum of 150 species representing at least 9 orders. Follow the general guidelines listed for collections. Members can exhibit in this class for a maximum of 3 years, or until they receive a purple ribbon at the Kansas State Fair, whichever comes first, and then are moved up a division.

Intermediate Entomology

Class 1042 Collection.

Display a minimum of 100 and a maximum of 300 species representing at least 10 orders. Two standard boxes can be used. Follow the general guidelines listed for Collections. In addition, family identification is required for all insects in any two of the following six orders: (Only two will be counted for judging) a) "Insects in Kansas" book - Orthoptera, Hemiptera, Homoptera, Coleoptera, Hymenoptera, and/or Diptera or b) "Insects in Kansas Book: 2016 Revised Taxonomy", which follows www.bugguide.net - Odonata, Orthoptera, Hemiptera, Coleoptera, Hymenoptera, and/or Diptera On a piece of paper list what you did to improve your collection during the current year. Members can exhibit in this class for a maximum of 3 years. A 4-H'er will move up if they receive a purple ribbon at the Kansas State Fair.

Advanced Entomology Class 1043 Collection.

Display a minimum of 150 and a maximum of 450 species representing at least 12 orders. Three standard boxes can be used. Follow the general guidelines listed for collections. Family identification is required for all insects belonging to the six basic orders as outlined under the intermediate phase. Only families in the above six orders will be counted for judging. Family identification of insects in the remaining orders is optional, but desirable as long as accuracy is maintained. On a piece of paper list what you did to improve our collection during the current year. Examples: what insects did you add or replace; what orders and/or families you added; what Leadership you provided in this project; and/or what insects you have studied. Attach a paper to the back of one of the display boxes. Members may continue to exhibit in this class at the Kansas State Fair for an unrestricted number of years as long as they remain eligible for 4-H membership.

Entomology Notebooks

1. Individual entries are to be placed for display in a three-ring notebook for competition.
2. 4-Hers may choose to use one of two taxonomies:
Option A: As printed in "Insects in Kansas" book or
Option B: As printed on the "Insects in Kansas Book: 2016 Revised Taxonomy", which follows www.bugguide.net
3. 4-Hers who have been previously enrolled in or are currently enrolled in the other phases of the Entomology project need to start with the Beginning Phase of Entomology Notebooks, not the introductory phase.
4. Each exhibitor is required to identify the notebook by placing a Title Page in the front of the notebook bearing the exhibitors name, county, or district and class 4-H'er is enrolled in and statement of taxonomy used: Option A: "Insects in Kansas" book or Option B: "Insects in Kansas Book: 2016 Revised Taxonomy," which follows www.bugguide.net The number of orders, specimens,

and families (required in Intermediate and Advanced classes) must also be included on the Title Page.

5. Specimen pages should be grouped according to order and should include one page per species. If more than one insect is in the photo, an arrow to indicate identified insect should be used.
6. Date, common name, full county name, and state abbreviation should be included for each species. The collector's name on the specimen page is optional.
7. Specimen pages should have two different views of the insect if possible. If pictures are taken on different dates/localities, include information for both.
8. A statement describing the habitat where found/host plant may be included and is encouraged and will be worth a bonus of 10 points total, not per page. For Intermediate and Advanced notebooks, this is strongly encouraged.
9. A divider page is to be placed in front of each order of insects with the order name printed on the tab for the page as well on the front of the divider page.
10. For the Intermediate and Advanced classes, insects are also to be grouped by family behind each order divider.
11. If the exhibitor has been in the same class for more than one year, a separate sheet of paper needs to be added stating how many years the exhibitor has been in this class of the project and what the exhibitor did this year to improve their notebook. Place the paper just behind the Title Page in the front of the notebook.
12. A special project must be completed each year and included in the notebook. See project guideline materials for specifications.
13. Refer to the publication "Entomology Collection Notebook Guidelines" on the Kansas 4-H Entomology web page for more detailed rules for exhibiting.

Class 1044 Introductory Entomology Notebook: Display a minimum of 10 and a maximum of 30 insect species representing at least six different orders. Follow the general guidelines listed for Notebooks, including the Special Project. A 4-Her may exhibit in this class for a maximum of two years.

Class 1045 Beginning Entomology Notebook: Display a minimum of 20 and a maximum of 60 insect species representing at least seven different orders. Follow the general guidelines listed for Notebooks, including the Special Project. A 4-Her may exhibit in this class for a maximum of three years or until they receive a purple ribbon at the Kansas State Fair, whichever comes first.

Class 1046 Intermediate Entomology Notebook: Display a minimum of 60 and a maximum of 100 insect species representing at least nine orders. Follow the general guidelines listed for Notebooks, including the Special Project. In addition, family identification is required for all insects in any two of the following six orders: a) "Insects in Kansas" book - Orthoptera, Hemiptera, Homoptera, Coleoptera, Diptera, and/or Hymenoptera or b) "Insects in

Kansas Book: 2016 Revised Taxonomy” which follows www.bugguide.net - Orthoptera, Hemiptera, Odonata, Coleoptera, Diptera, and/or Hymenoptera. A 4-Her may exhibit in this class for a maximum of three years. A 4-Her may move up if they receive a purple ribbon.

Class 1047 Advanced Entomology Notebook: Display a minimum of 100 and a maximum of 200 insect species representing at least twelve orders. Follow the general guidelines listed for Notebooks, including the Special Project. Family identification is required for all insects belonging to the six basic orders as outlined under the Intermediate phase. Only families in the above six orders will be counted for judging. Family identification in the remaining orders is optional, but desirable as long as accuracy is maintained. Members may continue to exhibit in this class for an unrestricted number of years as long as they remain eligible for 4-H membership.

Educational Display Classes

1. Share with others what you learned in this project. Exhibit any activity or learning experience related to the field of entomology or the Teaming with Insects curriculum that does not fit into the Entomology Collection or notebook classes above.
2. Follow copyright laws as explained in the General Rules.
3. The exhibit may be, but isn't limited to, original works, digital presentations (must provide printed hardcopy for exhibit purposes for the duration of the fair), programs, website, games, apps, display box, notebook, display, or poster which you have made.
4. If the exhibit is a wooden display box, it must be 18"x24"x 3½" with a clear plastic top (such as plexiglass) and displayed horizontally. If the exhibit is a poster, it must not be larger than 22" X 28". If the exhibit is a display, the maximum size is not to exceed a standard commercial 3'X4' tri-fold display board.
5. Name and county/district must clearly be marked on educational exhibits.

Class 1048 Beginning Educational Display: Class for individuals that are exhibiting in the Beginning I and II Collection or Beginning Notebook Classes. If only exhibiting in this category, then ages 9-12.

Class 1049 Intermediate Educational Display: Class for individuals that are exhibiting in the Intermediate Collection or Intermediate Notebook Classes. If only exhibiting in this category, then ages 11-14.

Class 1050 Advanced Educational Display: Class for individuals that are exhibiting in the Advanced Collection or Advanced Notebook Classes. If only exhibiting in this category, then ages 13 or older.

Department 8 Environmental Sciences

Enrollment: 0

1. All general regulations apply.
2. 2-sectional entry card is required for each exhibit.
3. Member enrolled in this project may exhibit three (3) entries per class completed in current 4-H yr.
4. See page 11: poster, display & notebook criteria.

Poster, Display, or Notebook

Class 1055J by 7-12 yr old member

Class 1055S by 13 and older member

Department 9 Exploring 4-H

Enrollment: 2 jr

1. All general regulations apply.
2. 2-sectional entry card is required for each exhibit.
3. Member enrolled in this project may exhibit three (3) entries per class completed in current 4-H yr.
4. See page 11: poster, display & notebook criteria.
5. Project is only for 7-9 year-olds.

Poster, Display, or Notebook

Class 1056J by 7-9 yr old member

Department 10 Family Studies

Enrollment: 0

1. All general regulations apply.
2. 2-sectional entry card is required for each exhibit.
3. Member enrolled in this project may exhibit three (3) entries per class completed in current 4-H yr.
4. See page 11: poster, display & notebook criteria.

Poster, Display, or Notebook

Class 1060J by 7-12 yr old member

Class 1060S by 13 and older member

Department 11 Fiber Arts

Enrollment: 3 jr, 4 sr *1 jr award & 1 sr award*

Project phases: crochet, ethnic arts, knitting, macramé, needle arts, patchwork/quilting, rug making, spinning, weaving

1. All general regulations apply.
2. 2-sectional entry card is required for each exhibit.
3. Members enrolled in this project may exhibit eight (8) entries per class in each area enrolled.
4. See page 11: poster, display & notebook criteria.
5. Exhibits must be made during the current project year.
6. Exhibit may be an article, notebook, poster, or display exhibit.
7. Fiber arts is defined as any method of creating a unique design with fiber, fabric, or yarn. This may include making fabric (such as weaving, crochet, knitting, needlepoint), or when the existing fabric is changed into something quite different (such as quilting or embroidery or ethnic arts) Ethnic Fiber Arts should use a fiber, yarn, or fabric to create the design exhibit. Non-textile (examples include wood, reed, straw, grass, etc.)

baskets/pieces should be entered in the Visual Arts Division.

8. Identification Label: a) Type or print on a 3" x 21/2" piece of cloth: class number, county or district, and exhibitor's name. b) Sew or safety pin this ID label on the corner of flat articles; c) For garments, attach ID label to the front left shoulder seam, or left side of waistband, as if you were wearing the garments.
9. All articles/garments must be finished for use.
10. When articles, which are normally worn as a pair, are exhibited, both articles must be shown together. Fasten articles together securely with yarn.
11. Special consideration will be given to articles, which are of the original design. Such articles should have a note attached explaining the original design.
12. When the exhibit is a sewn garment that also includes one or more Fiber Art techniques (i.e. knitting, crochet, needle arts, or patchwork and quilting), the determination of what division (Clothing or Fiber Arts) and class in which to enter will be left with the 4-H participant.
13. All exhibits which need to be hung, MUST have the appropriate saw tooth hanger, rod, wire, or other mechanism attached in order to be properly displayed. If necessary hardware is not attached, it may not be displayed.
14. Crocheted and knitted articles may be entered and judged in the Fashion Revue competition.

CROCHET: an article, including felted items

Class 1065J made by 7-12 yr old member

Class 1065S made by 13 and older member

EDUCATIONAL NOTEBOOK: Share with others what you learned in this project about a particular Fiber Art. Exhibits should be in the form of a notebook or binder. The notebook should include a narrative section describing the fiber art. It should include a clear description of the project, technique, budget, supplies, goals, successes, accomplishments, failures, and future plans. It may include samples of techniques, how-to's, photographs of completed projects, or other ways of educating others about fiber arts. NOTE: A collection of brochures, web pages, patterns, record book forms, etc. does not constitute an educational notebook. **Copyrighted material:** see general regulations. Name, local unit, and fiber art covered must be clearly marked in the notebook.

Class 1066J made by 7-12 yr old member

Class 1066S made by 13 and older member

ETHNIC ARTS: an article. This is defined as a Fiber Art technique that is associated with a specific country or culture. It is a practical skill that was developed to provide basic family needs such as apparel, home furnishings or decorations. It is also defined as a method that has been maintained throughout history and passed on to others, often by observation and by example, such as batik, Swedish huck towel weaving, mud cloth, bobbin weaving,

PAGE 18

tatting, felted items that are not knitted or crocheted, etc. Members should attach information on the history of the ethnic fiber art, where it was used, by whom, how it was used, a short description of the technique, etc.

Class 1067J made by 7-12 yr old member

Class 1067S made by 13 and older member

KNITTING: an article made either by hand or by knitting machine, including felted items

Class 1068J made by 7-12 yr old member

Class 1068S made by 13 and older member

MACRAME: an article

Class 1069J made by 7-12 yr old member

Class 1069S made by 13 and older member

NEEDLE ARTS: An article created by hand, using any of the following techniques: embroidery, cross-stitch, needlepoint, candle wicking, crewel, lacework, appliqué.

Class 1070J made by 7-12 yr old member

Class 1070S made by 13 and older member

PATCHWORK/QUILTING: It is an acceptable practice for exhibitors to create the patchwork or quilted article and have someone else quilt it.

Class 1071J made by 7-12 yr old member

Class 1071S made by 13 and older member

Best Use of Color & Design Award:

Judge's choice for one quilt. Winner will receive a certificate from Solomon Valley Quilt Guild.

RUG MAKING: A rug, acceptable techniques include braiding, latch hook, tying, floor cloth, etc. The finished product should be an item that would be an item used in the home.

Class 1072J by 7-12 yr old member

Class 1072S by 13 and older member

SPINNING: a skein - minimum 10 yards in length

Class 1073J made by 7-12 yr old member

Class 1073S made by 13 and older member

WEAVING: A woven article, members should attach information about the type of loom or process used. (see #10 above).

Class 1074J made by 7-12 yr old member

Class 1074S made by 13 and older member

Department 12 Foods & Nutrition

Preservation: 4 jr, 1 sr *1 overall award*

Foods: 5 jr, 5 sr *1 jr award & 1 sr award*

Exhibitors - please bring 3 extra of smaller items

There will be a BAKE SALE this year.

1. All general regulations apply.
2. 2-sectional entry card is required for each exhibit.
3. Member enrolled in this project may exhibit three (3) entries per class completed in current 4-H yr.

4. See page 11: poster, display & notebook criteria.
5. Purple ribbon exhibits held until judging is completed and rosette winner selected.

NOTE: No perishable food will be judged.

Food Preparation Rules:

- a. Complete recipes with ingredients and instructions must be attached with the entry, or the placing will be lowered one ribbon when judged.
- b. For food safety purposes, any food with custard and dairy-based fillings or frostings(ex. Cream cheese), raw eggs, flavored oils, “canned” bread or bread/cakes in a jar, cut fresh fruit, or any food requiring refrigeration (ex. Bacon) or unbaked exhibit with raw flour (ex. No Bake Cookies) will be disqualified and not judged; refer to K-State Research and Extension publication, *4-H488, Judge’s Guide for Food and Nutrition Exhibits*, <https://bookstore.ksre.ksu.edu/pubs/4H488.pdf>, and MF3544, Food Safety for Frostings and Fillings <https://bookstore.ksre.ksu.edu/pubs/MF3544.pdf> for information to help make informed, safe food exhibit decisions.
- c. Alcohol (ex. wine, beer, and hard liquor) is not allowed as an ingredient in food entries or entry will be disqualified and not be judged.
- d. All baked goods must be left whole and uncut. Small items, such as cookies and rolls, should be the same shape and from the same recipe. Exhibit 3 cookies, 3 muffins, 3 breadsticks, 1 loaf of bread, etc.
- e. Under-baked entries will be lowered one or more ribbon placings.
- f. All un-frosted cakes should be exhibited in an upright position with crust showing, except for cakes made with special designs such as Bundt cakes which should have top crust side down.
- g. Attach a label to the bottom of a plate or cardboard with the following information: class number, food product name, 4-H member’s name, and county or district.
- h. Any baked product that can be removed from the pan should be placed on paper plates, cardboard, or disposable containers of appropriate size for the exhibit.
- i. Exhibits should be in food-grade plastic bags, disposable plastic containers, or boxes of appropriate size for the exhibit. Only the exhibit is judged. The container is not judged.
- j. Exhibitor is encouraged to attach a 3" x 5" index card with the entry card to provide information that the exhibitor thinks would be helpful for the judge to know.
- k. A photo of each youth will be taken at pre-fair judging and used for a fair display with the recipe and ribbon.
- l. All food preparation entries will be sold. (Extra small items appreciated for food sale (please label items.))

Favorite Food

Class 1080J by 7-12 yr old member

Class 1080S by 13 and older member

Table Setting with Menu (on 4"x 6" card: write menu to be served with table setting) criteria: menu selection, appropriateness of place setting. Bring your own card table.

Class 1081J by 7-12 yr old member

Class 1081S by 13 and older member

Favorite Food with Menu (on 3"x5" card: write the menu and a short description of occasion) *criteria:*

appropriateness of menu for the occasion, how well food fits the menu, serving appearance of food.

Class 1082J by 7-12 yr old member

Class 1082S by 13 and older member

Food Gift Package: No alcoholic beverages will be accepted. A food gift package must contain at least 3 different food items (prepared for human consumption), made by the 4-H member, in a suitable container no larger than 18"x18"x18". Prepared food items must have recipes attached to the entry. Additional homemade food items beyond the 3 minimum or purchased items may also be included in the gift basket. On the back of the entry card, answer these questions: *a) what is the intended use; b) what food safety precautions were taken during and after preparation?* This entry will count as a non-perishable food product, not as an educational exhibit. Home-canned foods must follow Food Preservation rules. Canning jars should not be used for baking per the manufacturer’s instructions. They could break during baking.

Class 1083J by 7-12 yr old member

Class 1083S by 13 and older member

Educational Exhibit Exhibits may be in the form of a poster, notebook, or display. **Copyrighted material:** see general regulations rule 12, page 9. Follow these regulations as you are preparing your exhibit. Take care to select materials that will withstand fair conditions. No card table displays are allowed. If the exhibit is a poster, it must not be larger than 22" x 28". Displays are not to exceed a standard commercial 3' x 4' trifold display board. Name and county or district must be clearly marked on educational exhibits.

NOTE: A collection of your favorite recipes in a recipe box or notebook does not constitute an educational exhibit.

Class 1087S by 13 and older member

Food Preservation Rules:

- m. Exhibit must have been preserved since the member's previous year's county fair, and not have been exhibited at the previous county or state fairs.
- n. Recipes and processing methods from the sources below are recommended. Recipes must be from current, tested resources listed below AND MUST BE ADJUSTED FOR ALTITUDE based on your processing location, or it will be disqualified. Processing methods that will be disqualified include open kettle canning, oven canning, sun canning, and using electric multi-cookers. For more information on electric multi-cookers, see http://nchfp.uga.edu/publications/nchfp/factsheets/electric_cookers.html. Untested recipes will be disqualified for food safety reasons. Tested recipe resources include K-State Research & Extension Food Preservation publications; other University Extension Food Preservation publications; USDA *Complete Guide to Home Canning @2015; So Easy to Preserve, 6th Edition, The University of Georgia Cooperative Extension Service; Ball Blue Book Guide to Preserving, Edition 37; Ball Complete Book of Home Preserving, @2015 & 2020; canning mixes (i.e. Mrs. Wage's, Ball); Pectin manufacturers (i.e. Sure-Jell, Ball); National Center for Home Food Preservation (<https://nchfp.uga.edu/>) and <http://www.rrc.k-state.edu/preservation/recipes.html>. Refer to the following K-State Research and Extension publications for more information: 4H712, "Food Safety Recommendations for Food Preservation Exhibits" (<http://www.ksre.ksu.edu/bookstore/pubs/4H712.pdf>); MF3170, "10 Tips for Safe Home-Canned Food" (<http://www.ksre.ksu.edu/bookstore/pubs/MF3170.pdf>); MF3171, "Sassy Safe Salsa at Home" (<http://www.ksre.ksu.edu/bookstore/pubs/MF3171.pdf>); MF3172, "What's Your Elevation?" (<http://www.ksre.ksu.edu/bookstore/pubs/MF3172.pdf>); MF3241 "How-to Guide to Water Bath Canning and Steam Canning" (<http://www.bookstore.ksre.edu/pubs/Mf3241.pdf>); MF3242, "How to Guide to Pressure Canning" (<http://www.bookstore.ksre.ksu.edu/pubs/MF3242.pdf>).*
- o. Alcohol is not allowed as an ingredient in food preservation entries or entry will be disqualified and not be judged.
- p. Each exhibit must have the complete recipe and instructions attached with the entry card, or it will be disqualified. Recipe must include exhibitor name, recipe source, date of publication, and altitude where food was processed. If using Mrs. Wage's or Ball mixes, indicate the date the mix was purchased.
- q. Exhibit must be processed in clean, clear standard canning jars, with matching brand (ex: use Ball lids on Ball jars, or Kerr lids on Kerr jars) two-piece lids. Do not use colored jars, fancy padded lids, fabric over-wraps, or cozies as they interfere with the judging process. No fancy packs unless the recipe states to do so (ex: Pickled asparagus). Jars must be sealed when entered. For food safety reasons, the size of jars used must not be larger than the jar size stated in the recipe (ex: Salsa is canned in pint jars only, no quarts). Note: there are now 12-ounce, 24-ounce, and 28-ounce canning jars available and may be used. Use pint jar process recommendations for 12-ounce jars. Use quart jar process recommendations for 24-ounce and 28-ounce jars.
- r. Each jar exhibited must be labeled. The label must not cover the brand name of the jar. The label must give: class #, product, the altitude where processed, canning method (water bath, weighted gauge or dial gauge pressure method), process time, pressure (psi), date processed including month and year, name, and county/district. You may need to make a label using an adhesive mailing label. Label templates may be found at: http://www.kansas4h.org/events-activities/fairs/kansas-state-fair/docs/foods-and-nutrition/Foods_Label.pdf (labels available from extension office).
- s. Hole punch the entry card and use a rubber band to attach the two sectional entry form around the top of the jar.
- t. If a dried food product is not in a canning jar, it will be lowered one ribbon rating. Suggested amount: 1/3-1/2 cup, or three or four pieces per exhibit. All meat jerky must be heated to an internal temperature of 160 degrees F before or after drying. This is not the drying temperature! Dried products must include the recipe, preparation steps, and heating instructions. Jerky not heated to an internal temperature of 160 degrees F will be disqualified and not be judged. Heating information can be found in "Dry Meat Safely at Home" www.ksre.ksu.edu/bookstore/pubs/MF3173.pdf.
- u. One jar per entry; no colored jars. No food preservation in food sale.

Sweet Spreads, Syrups

Department 13 Forestry

Enrollment: 0

1. All general regulations apply.
2. 2-sectional entry card is required for each exhibit.
3. All leaf exhibits are to be mounted on 8½"x11" heavy stock paper and placed in loose-leaf binders (magnetic or adhesive filler sheets for photographic prints or sheet protectors are recommended), twig and fruit collections may be exhibited in whatever manner you choose. Maximum tri fold size is 3'x4'. Resources for exhibiting are located on the Kansas 4-H forestry project page: <https://www.kansas4-h.org/projects/agriculture-and-natural-resources/plant-sciences/forestry.html>
4. Name, club, age, and year in the project should be on the front cover or in a prominent location.
5. Leaves should be identified with an appropriate label located near the leaf on the same page. These labels should include the proper common name as listed in the 4-H Bulletin 334 *List of Native Kansas Forest Trees*, <https://www.bookstore.ksre.ksu.edu/pubs/4H334.pdf>; location (city and/or county) where collected; and date (day, month, year) or (month, day, year) collected.
6. Divide specimens into the following two sections: Native Kansas Trees, and Non-Native Trees. (<https://www.bookstore.ksre.ksu.edu/pubs/4H334.pdf>)
7. New specimens are those specimens collected during the current 4-H year and cannot be a duplicate tree species of previously displayed specimens.
8. Group specimens according to the years collected (ex: "old-previous years" and "new").
9. Variations of varieties do not count as different species or specimens.
10. When replacing previously displayed samples, due to degradation, improper mounting, or incorrect identification, the specimen label must also be updated. Replacements do not count as new specimens; replacements should be displayed in the "old previous" section of the display.
11. If you retrieve information for your forestry exhibit, you must include a reference citation to the source.

12. In all leaf collections, exhibit one complete leaf where possible. If a leaf is too large, exhibit as much as possible. Sketch in reduced scale the entire leaf and illustrate where the exhibited portion is from. Note: A "leaflet" is incorrect when displayed as the complete leaf for the tree.

13. All work must show originality; leaf collections and displays should not closely resemble work done by others in the same club.

Knowing Trees As Individuals (Leaf Collections)

Forestry Collection: Choose either A or B

A. Exhibit a minimum of 10 different leaves from native Kansas trees collected within the year. The exhibit can include non-native leaves in addition to the required number of leaf specimens collected from native Kansas trees, or **B.** Exhibit a minimum of 5 native Kansas trees showing leaf, twig, and fruit from each species collected.

Class 1100J by 7-12 yr old member

Class 1100S by 13 and older member

Forestry Collection: Choose either A or B

A. Exhibit a minimum of 20 different leaves (including 10 new specimens) from native Kansas trees. The exhibit can include non-native in addition to the required number of leaf specimens collected from native Kansas trees, or **B.** Exhibit a minimum of 10 native Kansas trees showing leaf, twig, and fruit from each species collected. This exhibit must include 5 new leaf, twig, and fruit specimens.

Class 1101J by 7-12 yr old member

Class 1101S by 13 and older member

Forestry Collection: Choose either A or B

A. Exhibit a minimum of 30 different leaves (including 10 new specimens) from native Kansas trees. The exhibit can include non-native leaves in addition to the required number of leaf specimens collected from native KS trees or **B.** Exhibit a minimum of 15 native trees showing leaf, twig, and fruit from each species collected. The exhibit must include 5 new leaf, twig, & fruit specimens.

Class 1102J by 7-12 yr old member

Class 1102S by 13 and older member

Forestry Collection: Choose either A or B

A. Exhibit a minimum of 40 different leaves (including 20 new specimens) from native Kansas trees. The exhibit can include non-native leaves in addition to the required number of leaf specimens collected from native Kansas trees, or **B.** Exhibit a minimum of 20 native Kansas trees showing leaf, twig, and fruit from each species collected. Exhibit must include 10 new leaf, twig, and fruit specimens.

Class 1103J by 7-12 yr old member

Class 1103S by 13 and older member

How a Tree Grows Notebook: Entry may include a project notebook with 10 or more seeds collected with pictures

showing a germination study or a mounting of a thin section of the wood cut from the end of a log or top of stump labeled with information such as kind of wood and age of tree when cut or exhibit an illustration of how trees grow.

Class 1104J by 7-12 yr old member

Class 1104S by 13 and older member

Tree Appreciation Notebook: Entry may include a research or reporting notebook with no more than 10 pages based on the exhibitor's selected tree. Exhibit must be a different species of tree each year. This notebook may include sketches, drawings, pictures, a story, or any other things which will help tell about the tree you have selected.

Class 1105J by 7-12 yr old member

Class 1105S by 13 and older member

Growing & Protecting Trees Display/Notebook: Entry requires a display or project notebook telling about project and pictures before, during, and after planting seedlings, a container tree, or a balled and burlapped tree.

Class 1106J by 7-12 yr old member

Class 1106S by 13 and older member

Tree Culture Display/Notebook: Entry requires a display or project notebook showing your project work, including pictures of before, during, and after wood lot improvement.

Class 1107J by 7-12 yr old member

Class 1107S by 13 and older member

How Forests Serve Us: Entry may include collected wood samples (all or partial) and 2-page essay. Wood sample display to be mounted on poster board or any stiff material no larger than 3' wide x 4' high. Essay should be displayed in a covered binder.

Class 1108J by 7-12 yr old member

Class 1108S by 13 and older member

Educational/Creative Exhibit: Entry must be directly related to tree identification or Forestry. Type of exhibit is open (notebook, poster, collection box, etc); given a maximum size of 3'x4'. Care should be taken to use durable materials that will withstand county fair conditions. A good class to exhibit an unusual collection.

Class 1109J by 7-12 yr old member

Class 1109S by 13 and older member

Department 14 Geology & Lapidary

Enrollment: 0

1. All general regulations apply.
2. 2-sectional entry card is required for each exhibit.
3. Exhibit box should be 18"x24"x3½". **Plexiglas covers are required; boxes with glass covers WILL NOT be accepted.** All specimens are to be arranged across the narrow (18") dimension of the exhibit box, making the exhibit 18" across the top and 24" deep exactly. If a box has a sliding Plexiglas cover, it must be removable from

the top. Screws, locks, or other devices that would prevent judge from removing the cover should not be used. (For Lapidary classes, the dimensions of the box should be appropriate for the display, but should not exceed 18x24x3 ½).

4. Each exhibitor is required to identify each display box by placing an identification label bearing exhibitor's name, county/district, and the number of specimens in the upper left-hand corner of the Plexiglas cover (inside-use clear double-sided tape to adhere gummed label), and by attaching a label with the same information on the lower right corner of the box (outside).
5. Exhibitor may enter in both geology and lapidary Classes. Exhibitor may show in only one of the first four geology classes, exhibitor may also show in geology class 1124 (special exhibit), Mineralogy, Fossils, and in one lapidary class.
6. Geology specimens should be labeled with the number of the specimen, date collected, specimen name or description, and locality (county) where collected.
7. For geology classes 1120-1123 specimens should be mounted in the box by proper groups: rocks, minerals, fossils. Fossils must be identified to the Phylum, Class, and Genus level. Genus name is to begin with a capital letter. Species name is all lower case. Genus and species names must either be italicized or underlined, not both. The words "phylum, class, genus" on labels are to be spelled out, not abbreviated. More than one specimen of the same kind of rock or mineral or species of a fossil may be exhibited if this duplication represents **different** geological formations. Specimen label must show this distinction (Fort Hays limestone, not just limestone; calcite from the Greenhorn Formation, not just calcite; Phylum: Brachiopoda Class: Articulata Genus: Composita from the Morrill Limestone Member, not just Phylum: Brachiopoda Class: Articulata Genus: Composita).
8. For all geology classes, all specimens must be collected by the participant (not purchased) from locations in KS, with the exception of Tri-State Mining Area specimens collected from these three adjacent counties: Ottawa County, OK; Newton and Jasper Counties, MO. Out-of-state specimens will not count in the minimum number for the class, nor will they be considered in the judging.

Geology display: at least 15 rocks, minerals and fossils collected during the current 4-H year; limited to one exhibit box.

Class 1120J by 7-12 yr old member

Class 1120S by 13 and older member

Geology display: at least 30 rocks, minerals, and fossils, at least 5 of each; **fifteen must be collected during the current 4-H year;** limited to one exhibit box.

Class 1121J by 7-12 yr old member

Class 1121S by 13 and older member

Geology display: at least 45 rocks, minerals, or fossils, at least 5 of each; **fifteen must have been collected during the current 4-H year**; exhibit limited to two boxes; identify the rocks as igneous, metamorphic, or sedimentary. **These rock types must be spelled out on labels or have a legible key.**

Class 1122J by 7-12 yr old member

Class 1122S by 13 and older member

Geology display: at least 60 rocks, minerals, or fossils, at least 5 of each; **fifteen must have been collected during the current 4-H year**; exhibit limited to two boxes; identify the rocks as igneous, metamorphic, or sedimentary. **These rock types must be spelled out on labels or have a legible key.**

Class 1123J by 7-12 yr old member

Class 1123S by 13 and older member

Geology Educational exhibit: Special exhibit relating to everyday living or to a mineral test, a rock formation, geological history, species of a fossil, forms of one mineral, a variation of one kind of rock, archaeological artifacts, or Indian artifacts. **Digital formats are accepted; make arrangements for the judge to view your exhibit and have a hard copy for display.** Exhibit limited to 4 feet of table space; **care should be taken to use durable materials that will withstand fair conditions.** Exhibitor may show in the class regardless of whether exhibitor has other geology class entries. Exhibitor may also exhibit in lapidary class.

Class 1124J by 7-12 yr old member

Class 1124S by 13 and older member

Mineralogy display: A minimum of 15 mineral specimens collected in Kansas, **at least 5 of which have been collected during the current 4-H year.** Minerals are to be grouped by mineral class (ie: Carbonates, Oxides, Silicates) and at least 3 classes must be represented. Member must use one standard display box; specimens must be labeled with the number of the specimen, date collected, name of specimen, county where collected and chemical composition (ie: CaCO₃ for calcite) if known.

Class 1125J by 7-12 yr old member

Class 1125S by 13 and older member

Fossil display: A minimum of 15 fossil specimens collected by the participant in Kansas, **at least 5 of which have been collected during the current 4-H year.** The fossils are to be grouped by Phylum and Class, and at least 3 phyla must be represented (Brachiopoda, Chordata, Mollusca, etc.) Member must use one standard display box; specimens must be labeled with the number of the specimen; date collected; county where collected; formation, member, or source; phylum, class, and genus or part; and geologic age (Cretaceous, Permian, Pennsylvanian, etc.)

Class 1126J by 7-12 yr old member

Class 1126S by 13 and older member

Geology exhibit county class only (not eligible for state fair) First-year members under the age of 10, one display box with 15 specimens (*rocks, minerals, fossils*), any box suitable for displaying the specimens may be used.

Class 1127J by 7-12 yr old member

Class 1127S by 13 and older member

LAPIDARY

judging criteria: 10 points-accuracy of information,
30 points-presentation & showmanship,
60 points-workmanship & content.

All lapidary specimens should be labeled with the following information: specimen name, place of origin (country, state, or county; county required for Kansas specimens), purchased or self-collected, date lapidary treatment began, date lapidary treatment completed (treatment completed after the state fair is considered a new year specimen).

Lapidary exhibit boxes may be a standard size, 18"x 24"x 3½ ". If appropriate, specimens should be arranged across the 18" dimensions of the exhibit box. *All boxes must have a removable Plexiglas cover.*

Lapidary display: At least 5 varieties of polished (tumbled) specimens and 5 varieties of unpolished specimens that have not yet received lapidary treatment. These do not have to be an example of "before and after", nor do they have to be self-collected; locales must be identified.

Class 1128J by 7-12 yr old member

Class 1128S by 13 and older member

Lapidary display: Before and after examples of at least 3 varieties of specimens, at least 2 tumble-polished and 2 unpolished of each. There is no requirement that the 4-H'er collect any of these; locales must be identified. Lapidary work should be done during the current 4-H year.

Class 1129J by 7-12 yr old member

Class 1129S by 13 and older member

Lapidary display: Before and after examples of at least 6 varieties of specimens, at least 2 tumble-polished and 2 unpolished of each, at least 2 varieties should be collected from the native site by the 4-H'er, at least one of which comes from Kansas; locales must be identified. Lapidary work on at least three varieties should be done during the current 4-H year.

Class 1130J by 7-12 yr old member

Class 1130S by 13 and older member

Lapidary display: Before and after examples of at least 9 varieties of specimens, at least 2 tumble-polished and 2 unpolished of each, at least 3 varieties should be collected from the native site by the 4-H'er, at least two of which comes from Kansas; locales must be identified. Lapidary

work on at least three varieties should be done during the current 4-H year.

Class 1131J by 7-12 yr old member

Class 1131S by 13 and older member

Lapidary exhibit: At least 6 specimens that have not previously been exhibited, which have received lapidary treatment. Lapidary treatment may consist of polishing, and end, face, or flat lapping. Specimens must represent at least 3 different varieties and include at least three cabochons of any size or shape, only one of which may be free-formed. A cabochon is a style of cutting in which the top of the stone forms a domed or curved convex surface. Three of the specimens must be mounted into jewelry findings.

Class 1132J by 7-12 yr old member

Class 1132S by 13 and older member

Department 15 Health & Wellness

Enrollment: 0

1. All general regulations apply.
2. 2-sectional entry card is required for each exhibit.
3. Member enrolled in this project may exhibit three (3) entries per class completed in current 4-H yr.
4. See page 11: poster, display & notebook criteria.
5. A sheet of operation instructions must be furnished for any exhibit that is not self-explanatory.

Your Bicycle & You: poster, notebook, display

Recreation: poster, notebook, display

Class 1144J by 7-12 yr old member

Class 1144S by 13 and older member

Department 16 Home Environment

Enrollment: 0

1. All general regulations apply.
2. 2-sectional entry card is required for each exhibit.
3. Member enrolled in this project may exhibit three (3) entries per class completed in current 4-H yr.
4. See page 11: poster, display & notebook criteria.
5. Articles need not be new but, shall be carefully laundered or cleaned before being exhibited.

6. A summary including plans, explanation of how the items were made or refinished, and how it fits into the color and design of the room. The summary could also include project inspiration, challenges, who helped you, and any other information that could be helpful to the judge. A summary should be in a plastic protective sleeve and attached to the exhibit.
7. Projects with missing or insufficient summary will be lowered one ribbon placing.
8. Exhibits should be of high quality (as compared to quick, simple crafts), suitable for use in the home several months throughout the year. Holiday-specific items are discouraged.

Single exhibit: An article (furniture, fixtures, interior or exterior, etc.) made by the 4-H'er for the home. Must include an attached summary.

Class 1145J by 7-12 yr old member

Class 1145S by 13 and older member

Design Board: Boards must be on foam core or a standard tri-fold display. Include color scheme, wall treatment, floor treatment, samples, etc., and/or floor plan for a room. Must include an attached summary.

Class 1146J by 7-12 yr old member

Class 1146S by 13 and older member

Notebook: May include floor plans, swatches, colors, stories, photographs, & project records that detail what was accomplished this year with a given indication of long-term plans. Notebooks should also include project inspiration, challenges, who helped you, and any other information that could be helpful to the judge. An additional summary is not required for Notebook exhibits.

Class 1147J by 7-12 yr old member

Class 1147S by 13 and older member

Department 17 Leadership

Enrollment: 1 jr, 6 sr

1 award

1. All general regulations apply.
2. 2-sectional entry card is required for each exhibit.
3. Member enrolled in this project may exhibit three (3) entries per class completed in current 4-H yr.
4. See page 11: poster, display & notebook criteria.
5. Exhibit must display work relating to current 4-H year.
6. Judging will be based on the exhibit (50%) and the leadership interview (50%).

Leadership poster, notebook, display

Class 1150J by 7-12 yr old member

Class 1150S by 13 and older member

Department 18 Pets

Judging: Friday, July 7, Pets Show & Tell judging will follow the Poultry/Rabbit Show. Class 1151 will be judged Thursday, July 6 with other Quonset entries. Enrollment: 3 jr, 1 award

1. All general regulations apply.
2. 2-sectional entry card is required for each exhibit.
3. Member enrolled in this project may exhibit three (3) entries per class completed in current 4-H yr.
4. See page 11: poster, display & notebook criteria.
5. Pets will be brought in to show and then taken home. Health papers from a veterinarian must be presented at check-in for all pets. All pets must have current vaccinations for the species, and this should be noted with the official health paperwork.
6. A dog cannot be shown in the Post Rock District Dog Show AND the Pet Show. The same goes for a pet which may classify for another animal department. If there is a class available in another department, it is to be exhibited there before choosing to exhibit in the pet show. An exhibitor must pick one or the other.
7. Any abuse of pets on grounds will result in disqualification.
8. No pets in season can be shown.
9. Show & tell showmanship criteria: presentation -30% subject -30% interest -10% summary -10% appearance -10% visuals/equipment -10%

Department 19 Photography

SIGN-UP a TIME (Put photos in the appropriate box - jr/sr - by your last name)

Enrollment: 15 jr, 9 sr 1 jr award & 1 sr award

1. All general regulations apply.
2. 2-sectional entry card is required for each exhibit.
3. Member enrolled in this project may exhibit three (3) entries per class completed in current 4-H yr.
4. Remove white border from the photo print before mounting, all photos must be no larger than 8"x10" and no smaller than 7"x 9", after trimming.
5. Photos are to be mounted across the **narrow** (11") dimension of **11"x12½" photo matte**.
6. Photos must be **mounted with the top edge of the print 1" below the top of the mount; the sides of the print must be equal distance from the two sides of the mount.**
7. A full coverage permanent mount (spray adhesive recommended or heat mount) must be made (matte and spray adhesive available at extension office).

Photo matte MUST BE VERTICAL (see diagram); use photo adhesive to mount photo.

8. No lettering, including dates, is permitted on the front of the mount or on the photo, no underlays or borders may be used.
9. To protect exhibits from dust and moisture, place in a self-sealing, clear plastic bag (available at ext. office).
10. Improperly mounted photos, oversize or undersized photos or photos with the white borders not removed or lettering (including dates) on the photo, will be awarded a ribbon one placing lower than the placing determined by the official judge (see diagram for correct placement).
11. Photographs taken with a digital camera and having no more adjustments than exposure, color intensity or correction, one-click filter effects, red-eye removal, cropping, dodging, and burning should be entered in the standard color or black and white classes. HDR photos are to be entered in the standard photo class.
12. Black and white class is for black and white prints only. Monochromatic prints, including sepia prints, are considered color photos and must be entered in the appropriate color photo class.
13. Appropriate photo subject matter: Photographic subject matter is expected to follow 4-H standards, for a sense of prohibited subject matter, review the Kansas 4-H member Code of Conduct; in general, if it is not allowable at a 4-H event, it is not allowable in a 4-H photograph.
14. Photos with live subject(s) on a railroad right of way or taken from railroad right of way property will not be displayed and will be disqualified and not judged.
15. Copyright protections must be observed.

My Favorite 4-H Photography Display

This new class is only for those photography project members with 10 or more years of experience. This class is a non-judged mounted display consisting of four favorite photos from the member's photography career in 4-H. All photos and a fifth biography/description with details of why they are regarded as most significant will be mounted on white or cream studio matte board. This class is an extra way to showcase the development and accomplishments of the 4-H member's photography career.

Class 1164J by 7-12 yr old member

Class 1164S by 13 and older member

Portfolio Classes

Growth Portfolio: Member is eligible for this class beginning with the third year of enrollment in the photography project. The exhibit will consist of one photo from each year of enrollment. Each photo must have been created in a different year and must be labeled with the year taken/project enrollment year. A maximum of 5 photos may be included if the member has 5 or more years of enrollment. Photos are not required to be in consecutive order. Photos must be 8"x10" and may be color or black and white and must be unmounted. An information sheet must accompany each photo giving the brand and model of camera used to create the photo. The settings for focal length, aperture, mode, and shutter speed must also be listed. Skillset used to create the photo must be given and explained. The main goal for each year should be listed. Beginning with photo 2, member description of GROWTH in project skill must be included on the information sheet. The exhibit will consist of photos arranged in chronological order of enrollment, information sheet on each photo, and all information listed above. A portfolio book will be required to exhibit.

Class 1165J by 7-12 yr old member

Class 1165S by 13 and older member

Career Portfolio: Member must have been enrolled in the photography for 5 or more years OR must be age 15-19 and have been enrolled in photography for at least 2 years. The exhibit will consist of ten 8x10 photos showing skill development in one of the following photography areas: Portraiture, Special Effects (not done with computer), Landscape, Photojournalism, Black & White, Nature/Wildlife or Graphic Design (computer skills with photos). Photos may have been created over multiple project years. Photos may be color except if the black and white option is chosen and must be unmounted. An information sheet must accompany each photo giving the brand and model of camera used to create the photo. The settings for focal length, aperture, mode, and shutter speed must also be listed. A one-page summary should

accompany the portfolio listing the goal for pursuing this area of photography and what skills were learned while doing so. Mentors should be acknowledged. Career exploration can also be described. The exhibit will be presented in a notebook designed for a portfolio review with pages for the required information listed above.

Class 1166J by 7-12 yr old member

Class 1166S by 13 and older member

County Classes, not eligible for the state fair.

2023 Photo Contest: Pride of Jewell County. Photo must be taken in Jewell County this year. 1 jr and 1 sr will receive \$10 gift certificate donated by Odessa Homemakers in memory of Wanda Thummel, long-time photography superintendent.

Class 1167J by 7-12 yr old member

Photo Album, current year's work

Class 1168J by 7-12 yr old member

Class 1168S by 13 and older member

Untouched, two color or two black and white pictures (4"x6" or 3"x5") mounted on 11"x12½" studio mount.

Class 1169J by 7-12 yr old member

Class 1169S by 13 and older member

Picture Set: 4 color or 4 black and white (3"x5") pictures mounted on 11"x12½" studio mount, (must include one photo from each category: building; animal, landscape, people).

Class 1170J by 7-12 yr old member

Class 1170S by 13 and older member

Department 20 Plant Science Enrollment:

Field Crops: 4 jr, 3 sr *1 overall award*

Floriculture: 4 jr, 3 sr *1 overall award*

Horticulture: 4 jr, 3 sr *1 overall award*

1. All general regulations apply.
2. 2-sectional entry card is required for each exhibit.
3. Member enrolled in this project may exhibit three (3) entries per class completed in current 4-H yr. (exception soybean seed, edible field bean seed).
4. See page 11: poster, display & notebook criteria.

FIELD CROPS

- a. Exhibits should be as mature as possible.
- b. Every entry must be identified by hybrid or variety name.
- c. Exhibit must be from the most recent harvest.
- d. All classes calling for a gallon sample may have a 2 ½ - 3 inch in diameter cylinder placed in a glass gallon container to reduce the amount of grain to about three quarts.

Corn: white &/or yellow, 10 ears &/or one gallon

Class 1180J by 7-12 yr old member

4-H Wheat Variety Plot display: Exhibitor must be
enrolled in wheat variety plot project. Freestanding
display not to exceed overall outside dimensions 36"
wide x 36" high x 18" deep(measured on the outside).

PAGE 27

Care should be taken to select durable materials that will
withstand county fair conditions. Displays must not require
the use of electricity. If booth exceeds overall dimensions,
ribbon placing will be dropped one place. Members must
include the varieties provided in the display but may include
more varieties if desired. **70% educational value** (is the main
idea of display specific? was the title or theme emphasized? is
the idea presented so cleanly, so simply, so forcefully,
that it will stop the casual observer? if the passerby stopped,
did the display give the observer additional facts in a clear,
concise way? example: variety differences in wheat,
economic gains from adoption of desirable practices). **30%
quality of display materials** (size, style, neatness of lettering,
the proportion of models and lettering balanced,
workmanship, including handouts, if used, charts, models,
and lettering used effectively to teach ideas, colorful, artistic,
neat, and well balanced).

Class 1193J by 7-12 yr old member

Class 1193S by 13 and older member

Weed Control exhibit: Collect, identify, press, mount, and
label a minimum of 15 weeds. Try to include their roots,
stems, leaves, and flowers. Three of the weeds must be
noxious weeds preferably found in your home county. A
standard 9"x12" scrapbook may be obtained in which to
permanently mount your weed specimens. Identify the
scrapbook with your name and county on the inside front
cover. Prepare a list of the weeds mounted, showing
common name, scientific name, and where it was found.
Place the list in a specially identified section of the
scrapbook. Collect and identify weed seeds found in crop
seeds. Mount them for display purposes. Place them in a
specially identified section of the scrapbook. Write a story
on "How We Control Weeds on Our Farm" if you live on a
farm. Other members write "How We Control Weeds at
Home". The story should be about 300 words in length. It
must show definite methods used to control weeds. Place
the story in a specially identified section of the scrapbook.

HORTICULTURE

- a. All horticultural exhibits must be grown by the exhibitor.
- b. *Exhibiting Fruits & Vegetables - KSU C405* will be used as a guideline in preparing horticulture exhibits. It is available at:
<http://www.ksre.ksu.edu/bookstore/pubs/c405.pdf>.
- c. Secure entry form to disposable plate or container with string or tape; use a sturdy disposable plate, bowl, or container that will support the weight of the produce.
- d. A purple ribbon out-of-season vegetable or fruit (i.e. early peas) at the county fair is eligible to be substituted with another vegetable (i.e. pumpkin) at the state fair.
- e. Quality and condition of the exhibit will be considered, choose vegetables for an exhibit that will hold up well during the fair; avoid over-ripe or over-mature specimens. Those that are slightly under-ripe or slightly immature when picked may last longer.

Garden Display: Each exhibitor is limited to four square feet of space. Display must be exhibited in a tray, basket, or container that can be easily moved by the fair staff. The exhibit consists of five (5) different fresh vegetables or fruits; canned products and shelled vegetables are not acceptable. Only one variety of each type of vegetable or fruit may be exhibited. Numbers of the five vegetables or fruits to be exhibited are as follows: **Large Vegetable (one each), Medium Vegetable (five each) & if small vegetables**, such as green beans, are used as one of the five different vegetables, **(1 dozen)** is suggested for a good display, **Small fruits (one half-pint box), Tree fruits (5 each), Grapes (2 bunches).**

Class 1215J by 7-12 yr old member

Class 1215S by 13 and older member

Small Vegetable Specimen Plate (12 each) green snap beans, yellow wax beans, other small vegetables.

Class 1216J by 7-12 yr old member

Class 1216S by 13 and older member

Medium Vegetable Specimen Plate (5 each) cucumbers, cherry tomatoes, tomatoes, beets, onions (white, yellow, red), bell peppers, other peppers, radishes, okra, parsnips, turnips, potatoes (sweet, red, white, or Russet), carrots, miniature pumpkin, decorative gourds, or other medium vegetables.

Class 1217J by 7-12 yr old member

Class 1217S by 13 and older member

Large Vegetable Specimen Plate (one each) watermelon, squash (summer or winter), pumpkin, eggplant, cabbage, cantaloupe, other large vegetables.

Class 1218J by 7-12 yr old member

Class 1218S by 13 and older member

Fresh Culinary Herbs (examples: parsley, basil, dill, etc) six (6) stems (or a comparable quantity) of **one variety** of fresh herbs exhibited in a disposable container of water. Dried herbs are not accepted.

Class 1219J by 7-12 yr old member

Class 1219S by 13 and older member

Small Fruits (one half-pint box) strawberries, blackberries, raspberries, or other similar-sized fruits.

Class 1220J by 7-12 yr old member

Class 1220S by 13 and older member

Tree Fruits (plate of 5) apples, pears, peaches, or similar-sized fruits.

Class 1221J by 7-12 yr old member

Horticulture poster, display

Class 1223J by 7-12 yr old member

Class 1223S by 13 and older member

Horticulture Notebook: Entry shall consist of a notebook or three-ring binder of written narrative describing a horticulture project such as a landscape design, landscape installation, lawn renovation, water garden, flower garden, vegetable garden, lawn mowing service, landscape maintenance business, farmer's market business, or other horticultural project. 4-Hers are encouraged to include photographs, illustrations, and/or landscape drawings that help explain work done by the member. Photos taken from the same location before, during, and after the completion of the project are particularly helpful. Horticulture notebook scoring is as follows: Organization and General Appearance (neat, includes title page and table of contents, original, creative, etc.) 20%; Narrative (including goals, successes, failures, etc.) 40%; General Content (subject matter, photos, maps, knowledge gained, etc.) 40%.

Department 23 Self Determined

Enrollment: 0

1. All general regulations apply.
2. 2-sectional entry card is required for each exhibit.
3. Member enrolled in the project may exhibit three (3) entries per class relating to current year project work.
4. See page 11: poster, display & notebook criteria.
5. If there is a class available in another department, it is to be exhibited there before choosing to exhibit in the self-determined project. Entries in this department must be a planned part of a project experience that does not fall under any other project area.

Self-determined notebook, poster, display

Class 1240J by 7-12 yr old member

Class 1240S by 13 and older member

Department 24 Shooting Sports

Enrollment: 6 jr, 3 sr

1 jr award & 1 sr award

1. All general regulations apply.
2. 2-sectional entry card is required for each exhibit.
3. Member enrolled in this project may exhibit three (3) entries per class completed in current 4-H yr.
4. See page 11: poster, display & notebook criteria, plus posters must be flat. Notebooks – no larger than 8 ½ x11.
5. Entries will prominently incorporate the 4-H Clover with KSRE co-branding and should include the Kansas 4-H Shooting Sports emblem. Failure to do so will penalize entry one ribbon color.
6. **THE EXHIBIT SIZE RULE WILL BE STRICTLY ENFORCED!** Exhibits exceeding the size guidelines will be penalized one ribbon color.
7. Exhibitors must comply with state and federal laws, no “live” ammunition containing propellant or explosive powders may be used in any display! An inert substitution must be used in lieu of powder and “live” ammunition. The substitution must be clearly described on the back of the poster, display, or in a notebook.
8. Name, county or district, age, and year in the project should be on the front of the poster, display, or notebook.
9. Exhibits will not be accepted if they are related to reloads.
10. Educational Displays will be judged on the following points: Stopping Power, Interest, Holding Power, 4-H Project application, Mechanical Power, Personal Growth, Educational Value.
11. Posters will be judged on the following points: Stopping Power, Interest, Holding Power, 4-H Project application, Mechanical Power.

Note: State Fair has educational displays, promotional posters, and notebooks only.

Department 25 Stem (Ag Mechanics, Architectural, Astronomy, Computers, Robotics, Rocketry, Unmanned Aerial, and Educational)

Enrollment: Ag Mechanics: 1 jr, 1 sr *1 overall award*

Architectural Block Construction: 1 jr *1 overall award*

Rocketry: 1 jr, 2 sr *1 overall award*

All general regulations apply

1. 2-sectional entry card is required for each exhibit
2. Member enrolled in this project may exhibit three (3) entries per class completed in current 4-H yr.
3. See page 11: poster, display & notebook criteria

STEM AG MECHANICS

Description: The Ag Mechanics project is starting with an emphasis on welding and smithing, it will expand as the project area grows. This project allows youth to explore areas of ag mechanics and metallurgy from repairing or repurposing items to the fabrication of new items. The intent is for this program to start with foundational areas, some of which youth may already have, and allow them to continue to build on this knowledge becoming more experienced.

1. Exhibits must have been constructed or repaired during the current 4-H year.
2. Wheeled exhibits must utilize a braking mechanism which prevents the exhibit from freely rolling while on display.
3. Exhibitors are responsible for providing sufficient braking or “chocks” for trailer exhibits to ensure that the exhibits do not move once positioned. If using a wheel “chocking” mechanism, the two individual blocks should be connected together as a pair of chocks, so they do not become separated. At least one pair of chocks should be placed on each side of the trailer to prevent movement.
4. For trailer exhibits the tongue of the trailer should have a locking mechanism (e.g. padlock) to prevent the trailer from being moved by unauthorized individuals while being displayed. A key for the locking mechanism should be left with the superintendent and labeled with the exhibitor’s name, county, and phone number.
5. Each exhibit must be free-standing or sufficiently supported by an exhibitor-supplied support system that is moveable and is part of the total dimensions and weight of the exhibit as described previously. Exhibit display boards should have a portable and moveable base and examples should be firmly affixed to the board to ensure all parts of the display stay together. No exhibits may be staked to the ground for display.
6. Top-heavy items should be braced or placed in a stand sufficient to prevent it from toppling over while on display.
7. Exhibits may not be bound, affixed, attached to the fair buildings.
8. Painting or spot painting is not allowed on projects after arrival on fairgrounds. If wet paint is detected by

the judge or superintendents, one ribbon placing will be deducted.

9. Repair projects having adequate original finish need not be repainted.
10. Cutting surfaces, such as blades or knives, are to have a protective covering over them to prevent injury. The covering should be easily removed and reinstalled for judging. Foam “pool noodles” and multiple layers of cardboard are acceptable.
11. Display cases for small exhibits, such as knives, are acceptable and must be easily opened so the item can be removed and examined as part of judging.
12. Exhibits that include weaponry of any kind will be disqualified. Weaponry is defined as any instrument, possession, or creation, physical and/or electrical that is intended to be used to inflict damage and/or harm to individuals, animal life, and/or property.
13. If the exhibit is powered by flammable liquids (gas, propane, kerosene, etc.) the fuel tank and lines should be drained and allowed to dry, to avoid spills and potential fires.
14. Electric powered (battery, corded, solar, or alternative energy) should have a primary shutoff or disconnect switch.
15. If a safety violation is noted by the judges, superintendent, or other staff, the exhibitor’s exhibit, at the judges’ discretion, will receive a deduction in ribbon placement or a participation ribbon.
16. The exhibitor’s name(s) and county or district must be tagged or labeled in a prominent location on the display.
17. Each exhibit, except for display boards, must include an Ag Mechanics information packet. Entry of just a packet without an accompanying exhibit is not a sufficient exhibit.
18. Each exhibitor is required to complete the “4-H STEM Ag Mechanics Exhibit Information Form” which is available through your local K-State Research and Extension office or at www.STEM4KS.com. This form must be attached to the outside of a 10” x 13” manila envelope. Do not tie the envelope to the exhibit. All revisions of all forms previously released for the STEM division dated prior to the current year are void for use and new forms must be obtained and used that are dated by the State 4-H for the current year.
19. Each exhibit information packet should include the following items: a. Bill of materials for the project with associated costs, scrap items used may be listed as having a \$0.00 cost b. 1 to 5 pages of photos showing work on the exhibit, preferably from a beginning state to final or completed state c. If appropriate schematics or working drawings relating to the creation or repair d. If appropriate operating instructions.

Introductory - Level 1 classes (about 1 - 3 years of experience) This level is designed for youth with little to no exposure in the project area so that they can gain an understanding of basic principles and methods in the given area.

Welding display board – a 3 foot by 3 foot display board with different pieces of metal attached illustrating different types of welds, each weld being labeled.

Smithing – A design forged with at least one formed element (twists or spirals for example)

Class 1259J by 7-12 yr old member

Class 1259S by 13 and older member

STEM ARCHITECTURAL BLOCK CONSTRUCTION

Description: The STEM ABC exhibit area focuses on using architectural blocks (“Legos”) to construct dioramas. This project allows youth to explore architectural design in a three-dimensional space. The intent for this program is to allow youth to explore the construction and gain knowledge through interaction with a common toy.

PAGE 31

1. Exhibits must have been constructed during the current 4-H year.
2. Total exhibit dimensions may not exceed 2 feet high, by 2 feet wide, by 2 feet deep. For state fair – the minimum exhibit dimensions must be at least 6 inches wide and deep.
3. All exhibits should be placed in a sturdy see-through enclosure with a top, bottom, and 4 sides. A clear tub turned upside down with the exhibit placed on the lid would be an acceptable enclosure. It may be desirable to place a cutting board or other hard surface between the lid and base plate of the exhibit to make it sturdy. This is to keep exhibit parts from being “scattered to parts unknown” at the fair. The outer dimensions of the enclosure do not count towards the total exhibit dimensions but should not be excessive.
4. All components used in construction should be dust-free, clean, free of chips, scuffs, or cracks.
5. Gaps or cracks should not be visible between assembled blocks unless they fit with the story, for example an earthquake.
6. The primary building component should be interlocking blocks, commonly referred to by the brand name of Lego®
7. Other components can be integrated into dioramas to illustrate architectural aspects that may be difficult to convey with traditional interlocking blocks, for example marbles for small round objects.
8. The use of existing “store-bought” sets for major architectural elements of the display is not allowed, use of figurines from sets is allowed as are using individual bricks to create something different than the architectural component of the set it came from. “Store brought” sets should be considered an arts and crafts entry. The intent of this is to ensure fairness among exhibitors and encourage maximum creativity instead of just following a set of plans. Exception is County Class Only – Kit.
9. Dioramas should be suitably complex and have multiple elements, for example a camp site that has a log cabin, a tree fort, and a car.
8. All dioramas should have a story, which is part of the information pack, that describes what is happening in the diorama; this can be as simple (the nursery rhyme “Jack and Jill” for example) or complex as needed to explain to someone looking at the exhibit what is happening.
9. Vehicles that are intended to stay in a single place should be affixed to base plates with sticky tack, hot glue, or other method.
10. Mechanical enhancements or motion elements that add motion to the diorama are acceptable and encouraged. For example, merry-go-rounds, doors, elevators, gears, marbles going down a channel, flapping wings, animatronics, etc. If included, judges should be able to use them and instructions should be provided for operation either in the story or on a separate page.
11. Artistic designs, for example recreating paintings like the “Mona Lisa” or “Starry Nights” and sculptures like “David,” are not permitted as exhibits and 1 ribbon placing should be deducted.

12. The exhibitor's name(s) and county or district must be tagged or labeled in a prominent location on the display, additionally the display case should have the exhibitor's information attached to it as well, as the top part of the case may be separated from the display.
13. Each exhibit must include an Architectural Block Construction information packet. Entry of just a packet without an accompanying exhibit is not a sufficient exhibit.
14. Each exhibitor is required to complete the "4-H STEM Architectural Block Construction Exhibit Information Form" which is available through your local K-State Research and Extension office or at www.STEM4KS.com. This form must be attached to the outside of a 10" x 13" manila envelope. Do not tie the envelope to the exhibit. All revisions of forms previously released for the STEM division dated prior to the current year are void for use and new forms must be obtained and used that are dated by the Kansas State 4-H Office for the current year.
15. Each exhibit information packet should include the following items:
 - a. 1 to 5 pages of photos showing work on the exhibit, preferably from a beginning state to final or completed state, these help in determining where a part might go in case something comes loose.
 - b. If appropriate operating instructions for mechanical portions of the diorama.

Introductory – Level 1 classes (about 1 - 3 years of experience)

Diorama illustrating at least 2 architectural features beyond floors, ceilings, and walls

Class 1300J by 7-12 yr old member

Class 1300S by 13 and older member

Experienced – Level 2 classes (about 4 - 6 years of experience)

Diorama illustrating at least 4 architectural features beyond floors, ceilings, and walls, and includes 1 or more motion elements

Class 1301J by 7-12 yr old member

Class 1301S by 13 and older member

Advanced – Level 3 classes (about 7 - 9 years of experience)

Diorama illustrating at least 6 architectural features beyond floors, ceilings, and walls, and includes 2 or more motion elements

Class 1302S by 13 and older member

Master – Level 4 classes (10 or more years of experience)

Diorama illustrating at least 8 architectural features beyond floors, ceilings, and walls, and includes 3 or more motion elements

Class 1303S by 13 and older member

County Class Only Kit any item made from a "Lego" kit
Class 1304J by 7-12 yr old member

Class 1304S by 13 and older member

STEM ASTRONOMY

The STEM exhibit area is designed to provide youth the opportunity to explore space through telescopes, research, and observation.

1. Telescopes entered may be built from a kit or original design. Pre-finished telescopes which require no construction or painting are not acceptable exhibits.
2. Telescopes are limited to no more than six feet in length, must be placed on a stationary stand that does not allow the telescope to roll and /or fall over, and the stand cannot extend past two feet in length or width.
3. Each exhibit must include a "4-H Astronomy Exhibit Information Form" which is available through your local Extension Office or at www.STEM4KS.com. This form must be attached to the outside of a 10"x13" manila envelope. Do not tie the envelope to the exhibit. All revisions of forms previously released for the STEM division dated prior to current year are void for use and new forms must be obtained and used that are dated by the State 4-H Office for the current year. You must also include construction plans (or a photocopy) of the telescope and place it inside the manila envelope. For notebooks, display boards, and posters, no additional exhibit information is required; no manila envelope is needed for these exhibits.
4. Two photographs showing telescope construction and operation are required. Photographs should be mounted on one side of an 8½"x11" page. A brief caption should accompany each photograph. Place photos in the 10" x 13" manila envelope.
5. Telescope must be properly assembled and painted with a smooth and uniform finish. Decals, if used, should be attached smooth and tight.
6. Telescopes designed by the exhibitor must be original, not a modification of an existing kit.

Telescope made from Kit

STEM COMPUTERS

The Kansas 4-H STEM Computer System portion of the computer project is designed to allow 4-H members to explore how information is moved from one part of the computer to the other; how information is moved between two or more computer systems (networking); how information is stored; or how information is acted on (programming).

1. Any item which IS NOT a notebook, display board, or poster displayed in this class is considered a "computer system" exhibit and MUST follow the rules set forth below.
2. The actual construction of computer hardware (i.e.,

- building a computer, electronic devices with a motherboard-based manipulation) will remain in the Energy Management division.
3. The 4-H members must be currently enrolled in the 4-H STEM – Computers project to exhibit in this division.
 4. Exhibit must have been completed during the current 4-H year.
 5. Exhibitor's name, county or district, 4-H age, and years(s) in the project must be tagged or labeled in a prominent location on the exhibit.
 6. See the last section for full details about exhibiting posters, display boards, and notebooks.
 7. All exhibits must be: a. Self-contained on a USB drive (thumb drive, flash drive, jump drive, or any other name for a small USB storage device; the rules will use "USB drive"). This means that a judge can plug in the USB drive into a computer and be able to run the exhibit as described below. OR b. System -On-A-Chip (SOC) (such as Raspberry Pi) or a Micro-Controller (such as an Arduino or Ozobot) AND is a compact (less than 8"X 8"X 8") system, which can be programmed AND requires minimal assembly to operate (e.g. connecting power, display, and keyboard/mouse cables). Referred to as a "chip system" through the rest of the rules.
 8. Physical computers such as tablets, smartphones, laptops, or personal computers (PCs) will not be accepted as an exhibit.
 9. "Chip system" may use/include GPIO breadboards or HATs (Hardware Attached On Top) the size of which is not included in the size of the chip system however the total size of the chip system and GPIO devices may not exceed 24"X24"X24" including any protective enclosures.
 10. Any attached GPIO devices are not judged for electrical construction or quality as this division is focused on the operational aspects of the system that have automated articulated structures (arms, wheels, grippers, etc.) which the exhibitor constructed, some of these systems can also be classified as a STEM Robot, and the exhibitor must decide which division to exhibit in as the exhibit may not be entered in both divisions.
 11. For a chip system, all electric components of the system must be adequately covered or concealed with a protective enclosure. Paper is NOT considered an adequate enclosure or covering for the electrical components.
 12. All revisions of all forms previously released for the STEM division either undated or dated prior to the current year are void for use and new forms must be obtained and used that are dated by the Kansas State 4-H Office for the current year. The use of old forms should result in the loss of one ribbon placing for exhibits.
 13. For all computer system entries, the following items are required as part of an exhibit packet: a. A manila envelope with the Computer Exhibit Form, which is available through your local Extension Office or at www.STEM4KS.com. The form must be attached to the outside of a 10"x13" manila envelope. Do not tie the envelope to the exhibit. b. A USB drive labeled with the 4-Hers name, county/district, and club; in a way that does not prevent it from being plugged into a computer. c. For exhibits that are entered on USB drives, at least one (1) graphic (picture, screenshot/capture, slide, etc.) of the project must be printed out on an 8.5" X 11" sheet of paper, placed in a plastic sheet protector, to allow for proper display. Additionally, this graphic should be included on the USB drive and given the name "display graphic." This is what will be displayed during the fair, all other materials will be given back to the exhibitor. On the backside of the graphic the 4-Her's name, county/district, and the club should be listed. d. Instructions to run any part of the exhibit on the USB drive. (There should be at least three (3) items in your manila envelope: USB drive, graphic and instructions).
 14. Each exhibit must be accompanied by a "4-H Engineer's Journal." The engineer's journal should be typed. It can either be included electronically on the USB drive (preferred) or printed and placed in the manila envelope.
 - a. The "4-H Engineer's Journal" should start with a dated entry describing what the 4-H member is trying to accomplish/build.
 - b. The "4-H Engineer's Journal" should conclude with a dated entry describing what the 4-H member achieved in creating. (The start and end many times will be different. The judges are interested in the journey).
 - c. Additional entries in the "4-H Engineer's Journal" should be made as progress occur describing successes and failures; as well as the steps done and any sources of information including links used.
 - d. Pictures can also be included in the "4-H Engineer's Journal" but should not be more than 50% of the entries.
 - e. The "4-H Engineer's Journal" should contain at least one graphic.
 - f. The "4-H Engineer's Journal" must be at least 3 pages in length.
 - g. An example of a "4-H Engineer's Journal" can be found at www.STEM4KS.com.
 - h. The "4-H Engineer's Journal" will comprise 50% of the overall exhibit score. Failure to include a "4-H Engineer's Journal" will result in the exhibit being disqualified.
 15. If the exhibit is a program, application, app, website, or requires any coding, the source code must be included on the USB drive. Failure to include a copy of the "source code" may result in up to one ribbon place deduction.
 16. Diagrams or decision trees showing the logical flow of the system must be included on the USB drive for all exhibits.
 17. FOR COUNTY FAIRS, it is recommended that 4-Hers bring a computer that will run their project at the fair for judging as judges typically do not bring computers with them. Operating instructions are required. Instructions should be written as though you were helping a less techy person, (like a grandparent) use the USB drive with a computer similar to what is described in rule 7. An example of instructions can be found at www.STEM4KS.com.

18. Each exhibit must accomplish a specific automated task using a computer, chip system, or virtual machine (VM).
19. Exhibitors should take great care and only go on-line with their guardian's permission. User names and passwords should not be included in exhibits. If they are required to view the content, a temporary user account and password should be created for judging at the fair, once judging is complete the user name and password should be disabled on the account. **YOU SHOULD NOT SHARE YOUR USER NAME OR PASSWORD WITH OTHERS.**
20. Kansas 4-H STEM has made available Linux Virtual Machines (VMs) that can be downloaded and used to create projects on such as web servers, networking, and many other projects. For more information on how these VMs can be leveraged or to download them visit www.STEM4KS.com. 4-Hers are not required to use the VMs in their projects. They are optional.
21. All licensing should be adhered to for any software used in the exhibit. Failure to do so will result in a reduction of one ribbon placing and may not be considered for Grand Champion.
22. The creation of viruses, malware, malicious applications or code, defamatory language or graphics, bullying, or any material that is "mean," "dangerous," or harmful according to the judge's opinion will result in the exhibit being disqualified.
23. Pictures or still graphics created are not eligible for entry as a project in this division and should be entered in the appropriate photography division.
24. Judging will be based on a score sheet which can be found at www.STEM4KS.com. There are four (4) areas each exhibit will be judged on. They are: a. 4-H Engineers Journal (what I learned to make it work), 50% overall score b. Instructions (how I help others make it work), 25% overall score c. Functionality (does it work), 12% overall score d. Diagrams (and code if applicable) (how I think it works), 13% overall score.

Computer Program, Application, App, Script, or Coded System that is new and unique (not merely a file run in a program, such as a 'word document' or a picture drawn in 'Microsoft Paint'.

STEM ROBOTICS

The Kansas 4-H STEM Robotics program is designed to allow 4-H members to explore robotics through robots of various designs.

1. 4-H members must be currently enrolled in Kansas 4-H STEM - Robotics project to exhibit in this division.
2. Exhibit must have been constructed and/or completed during the current 4-H year.
3. Each robot must be free-standing, without the need for additional supports in order to be moved or exhibited. Each exhibit must include a robot, information packets are not a sufficient exhibit.
4. Robots must have automated articulated structures (arms, wheels, grippers, etc.). Game consoles that display on a screen are not considered robots and should either be entered in computer system division or energy management project. Robots requiring no assembly, just programming, such as Ozobots, are considered computer system projects as the skill is focused on the programming, not on the construction of the robot.
5. Robot dimensions should not exceed 2 feet high, by 2 feet wide, by 2 feet deep. Weight may not exceed 15 pounds. If displayed in a case (not required or encouraged for the state fair, but strongly encouraged for county fairs) the outside case dimensions may not be more than 26 inches in height, width, or depth.
6. Materials including but not limited to obstacles, spare batteries, and mats for testing the robot may be placed in a separate container, which is not included in the robot's dimensions, that container may not be larger than 576 cubic inches as measured along the outside of the container. (Examples: 4"x4"x36" or 4"x8"x18" or 6"x6"x16") The container, if used, and/or any large objects (such as mats or obstacles) should be labeled with the exhibitor's name(s) and county or district.
7. All electric components of the robot must be adequately covered or concealed with a protective enclosure. Paper is NOT considered an adequate enclosure or covering for electrical components.
8. Robots may be powered by an electrical, battery, water, air, or solar source only. Junk drawer robots may be powered by a non-traditional power source. Robots powered by fossil fuels/flammable liquids will be disqualified. Robots that include weaponry of any kind will be disqualified. Weaponry is defined as any instrument, possession, or creation, physical and/or electrical that could be used to inflict damage and/or harm to individuals, animal life, and/or property.
9. Remote-controlled robots are allowed under certain conditions provided that the robot is not drivable. Robotic

arms (hydraulic or electric) are allowed. A remote is allowed provided more than a single action happens when a single button is pressed on the remote, for example, “a motor spins for 3 seconds, at which point an actuator is triggered, then the motor spins for 3 more seconds.” Remote-controlled cars, boats, planes, and/or action figures, etc. are not allowed.

10. Each robot must be in working condition. The judge will operate each robot to evaluate its workmanship and its ability to complete its intended task. In the event the robot uses a phone, tablet, or similar device for programming AND control of the robot, a video will be used to evaluate the working condition of the robot.
11. Each exhibitor is required to complete the “4-H STEM Robotics Exhibit Information Form” which is available through your local K-State Research and Extension office or at www.STEM4KS.com. This form must be attached to the outside of a 10” x 13” manila envelope. All revisions of forms previously released for the STEM division dated prior to current year are void for use and new forms must be obtained and used that are dated by the State 4-H Office for the current year. Use of old forms should result in the loss of one ribbon placing for exhibits.
12. The exhibit must include written instructions for operation (the instructions should be written as if they were to tell a grandparent or elderly person how to operate the robot), construction plans, and one to three pages of project photographs. In addition, a 5-minute video presentation placed on a CD, DVD, USB drive, or similar removable storage device, if applicable. For robots that can be programmed, robot programming information must be included, this information should be placed inside the 10” x 13” manila envelope mentioned above. Robot programming information can be, but is not limited to, source code, block diagrams, screen captures of the coding window and other images that show the programming logic used. The exhibitor may enter their electronic project listed under the energy management program if the exhibitor so chooses. No exhibitor will be allowed to set up their robot in person.
13. In the event that the robot uses a device like a phone, iPad, or tablet for programming AND operation, DO NOT include the device (phone, tablet, etc.). The device’s safety cannot be insured. Instead, record a video demonstrating the instructions included for your robot. It should show, setting up the robot, starting the robot, the robot executing its task, and powering off the robot, just like the instructions are written.
14. Creativity, workmanship, and functionality will be strong criteria in judging the “Robot designed by Exhibitor” classes. All robots should have a purpose or intended function, examples include, but are not limited to: following a line, sweeping the floor, solving a Rubix cube, sorting colors, or climbing stairs.

15. Exhibitor’s name(s) and county or district must be tagged or labeled on the robot such as on the bottom of the robot, exhibit cards are not an acceptable form of labeling.
16. There are no county or district boundaries that must be adhered to in order to form a Kansas 4-HSTEM Robotics team. However, each team member must be currently enrolled in the Kansas 4-H STEM project.

Robot made from Commercial (purchased) Kit

Class 1320J by 7-12 yr old member

Class 1320S by 13 and older member

Robot Designed and Constructed by Exhibitor The robot must not be a mere modification of an existing robot kit or plan.

Class 1321J by 7-12 yr old member

Class 1322J by 7-12 r old member

Class 1322S by 13 and older member

Robot Designed and Constructed by Exhibitor or from a commercial kit that is operated by a remote-controlled device.

Class 1323J by 7-12 yr old member

Class 1323S by 13 and older member

Junk Drawer Robotics

Class 1324J by 7-12 yr old member

Class 1324S by 13 and older member

Team Division - Team Robotics Project Robot designed and constructed by 2 or more 4-H STEM project members. The robot must not be a mere modification of an existing robot kit or plan. The robot may be a programmable type that is made from a commercial (purchased) kit. This division is designed to encourage teamwork and cooperation among fellow 4-H STEM members. As with many high tech projects today, no one person designs and builds a robot alone. It takes the brainstorming, planning, problem-solving, and cooperation of an entire team to complete a given robotics project.

Class 1338J by 7-12 year old member

Class 1338S by age 13 and older

STEM ROCKETRY

The Kansas 4-H Stem Rocketry program is designed to allow 4-H members to explore aerospace through rockets of various sizes. Kansas 4-H has adopted the National Association of Rocketry’s rules, regulations, and safety guidelines.

A. Exhibit Information for ALL rocketry categories:

1. All revisions of all forms previously released for the STEM division either undated or dated prior to current year are void for use and new forms must be obtained and

used that are dated by the State 4-H Office for the current year. Use of old forms should result in the loss of one ribbon placing for exhibits.

2. Relevant documents may be obtained from County Extension Offices or from www.STEM4KS.com
3. NAR refers to the National Association of Rocketry and its governing board.
4. Tripoli refers to the Tripoli Rocketry Association and governing board.
5. All NAR documents, with the exception of the “pink book,” referenced herein can be found at <http://www.nar.org>.
6. If a fire burn ban is in effect for Jewell County, Kansas, exhibitors are not required to launch their rocket(s). All requirements for the launching of rockets for the fair and the documenting of the launching are suspended for the duration of the ban.

B. Exhibit Definitions for ALL rocketry categories

1. As defined by the National Association of Rocketry (NAR), a scale model is “any model rocket that is a true scale model of an existing or historical guided missile, rocket vehicle, or space vehicle.” The intent of scale modeling is, according to the NAR, “to produce an accurate, flying replica of a real rocket vehicle that exhibits maximum craftsmanship in construction, finish, and flight performance.” (NAR “Pink Book” 50.1 4-1)
2. Adult supervision is defined as being under the direct supervision of someone 18 years of age or older.
3. For the purposes of Kansas 4-H STEM a mid-powered rocket is defined as a rocket that uses an ‘E’, ‘F’, ‘G’, or equivalent engine for launch. In addition, rockets also qualify for mid-power if they meet any of the following criteria: a. Is 2 inches or greater in diameter (not including fins) and taller than 3 feet (36 inches including fins) and does not use an engine(s) exceeding 160.01 Newton seconds of total impulse (an ‘H’ engine equivalent or above). b. The total impulse of all engines used in the rocket is greater than 20.01 Newton-seconds and less than 160.01 Newton-seconds.
4. For the purposes of Kansas 4-H STEM a high-powered rocket is defined as a rocket that meets any of the following criteria: a. Weighs more than 3.3125 pounds (53 ounces or 1500 grams) at the time of launch; b. Uses an ‘H’ engine or larger to launch; c. The total impulse of all engines used in the rocket is greater than 160.01 Newton-seconds of thrust; d. Includes any airframes parts of ductile, metal, though, the use of ductile metal is strongly discouraged; e. Models powered by rocket motors not classified as model rocket motors per NFPA 1122, e.g.: i. Average thrust in excess of 80.01 Newtons, ii. Contains in excess of 125 grams of propellant and is limited to only H and I motors, iii. Uses a hybrid motor or a motor designed to emit sparks.
5. High power certification is defined as having successfully completed a certification program for high-

powered rocketry through the NAR or Tripoli and maintaining that certification. This applies to all membership levels in the NAR and Tripoli. Specifically the “Formal Participation Procedure” for the “Junior HPR Level 1 Participation Program” as outlined by the NAR and the “Tripoli Mentoring Program (TMP) as outlined by Tripoli.

6. NAR rules for launching and construction of all rockets are assumed to be used by all 4-H STEM exhibitors and will be considered during judging.
7. For the purposes of Kansas 4-H STEM, NO rocket may be launched using engines totaling more than an ‘I’ impulse engine or 640 Newton seconds of total thrust.

C. Exhibit Rules for ALL rocketry categories:

Purpose: These rules apply to how rockets are to be displayed at the fair and what those displays should and should not contain. These rules apply to all rockets displayed in the STEM division.

1. 4-H members must be currently enrolled in the 4-H STEM-Rocketry program to exhibit in this division.
2. The report that accompanies the rocket must be limited to the 4-H STEM Rocket Exhibit Information Form which is affixed to a 10” x 13” envelope. This envelope should NOT be attached to the rocket stand or rocket. The information form should be signed by the exhibitor. This may be downloaded from www.STEM4KS.com. Any rocket exhibit not including this completed envelope will receive an automatic participation ribbon.
3. Plans (or a photocopy) must be placed inside the envelope.
 - a. This includes original design rockets.
 - b. If a rocket kit has been modified structurally (Which must provide all necessary details to construct an original design rocket.), notations need to be given indicating the changes made, either by notations on the Rocket Exhibit Information Form or by placing notes in the plans. Such modifications require the rocket to be swing tested and documented to show a stable flight.
4. One or more photographs of the rocket during construction and at the launch site are required.
 - a. Photographs showing the rocket at the moment of ignition are preferred.
 - b. Photographs must be mounted on one side of 8 ½” x 11” page(s).
 - c. There must be at least 1 page of photos and no more than 5 pages of photos.
 - d. Include at least one photo showing rocket construction, preferably with the exhibitor included.
 - e. Do not include photos of members catching their rockets as they return to earth. This is an unsafe practice, and we do not recommend or condone this practice.
 - f. Pictures at the launch site are not required in the event of a burn ban.
5. To exhibit in this division:
 - a. The rocket must have been flown unless a burn ban is in effect.
 - b. Support rods must not extend past the tip of the highest nosecone on the model.
 - c. Support rods must remain in the upright position, 90 degrees to the display base, do not angle. If support rods are not perpendicular to the base, the judge should deduct two ribbon placings.
 - d. No model may be submitted on a launchpad.
6. Launches should not be conducted in winds above 20 mph and will constitute disqualification of the rocket exhibit.

7. All rockets must have a safe method of recovery, e.g., parachute, streamer, or tumble recovery. Any rocket without a recovery system will be disqualified.
8. The altitude achieved by the rocket is to be determined using a method other than estimation. Examples of accepted methods include an altimeter, computer software, range finders, etc. If additional space is needed to show calculations of how the altitude was achieved one additional page may be added to the rocketry information pack.
9. Flight damage is to be documented by the participant on either the construction plans an additional sheet of paper titled "flight damage" or the 4-H STEM Rocket Exhibit Information Form.
10. The judging of flight damage is to be secondary to all other aspects of the model and only then may it even be considered. However, under no circumstance may flight damage be grounds for disqualification.
11. Engines and igniters, under any circumstance, ARE NOT permitted with the exhibit and constitute an immediate disqualification.
12. If an engine becomes stuck, jammed, wedged, or in any other way permanently affixed in or to a rocket and cannot be removed from the rocket, the rocket will be subject to immediate disqualification. This is because it is not possible to make a full and immediate assessment of the safety of the rocket when it is being judged and safety is paramount.
13. Engines may not be used as display stands hollowed out or otherwise. Engines used as a display stand will cause the exhibit to be subject to immediate disqualification.
14. Rocket engines should not be used to join multi-stage rockets together. a. Multi-stage rockets can be displayed without having the stages connected together. In that case, the final stage (the one with the nose cone) should be placed on the display stand and other stages with a loop of string to the display stand. b. The different stages must be included to complete the rocketry exhibit, incomplete exhibits will be deducted at least one ribbon placing. c. Use of any engines to join the stages together will be subject to immediate disqualification.
15. Multi-stage rockets can be flown using just the final stage and be considered fully flown.
16. If a safety violation is noted by the judges, superintendent, or other staff, the exhibitor's rocket, at the judges' discretion, will receive a participation ribbon. All information necessary will be given to the NAR and/or TRIPOLI for investigation and possible revocation of membership.

D. Construction Rule for All Rockets

Purpose: These rules apply to how rockets are to be displayed at the fair and what those displays should and should not contain. These rules apply to all rockets displayed in the STEM division.

1. Rockets are to be properly assembled according to the assembly instructions.
2. Beginner kits with prefabricated fin assemblies and pre-finished rockets requiring no painting are not acceptable and will be disqualified.
3. Plastic snap-together fins and prefabricated fin assemblies that do not require fin alignment are not acceptable and will be disqualified. a. This rule does not apply to plastic fins that must be manually aligned and does not utilize a fin alignment mechanism, including, but not limited to fin alignment rings or spacing blocks. b. This rule does not apply to fiberglass, Kevlar, extruded foam, composite, or wood fins; especially when used for "through-the-wall" fin attachment techniques that are common in larger rockets. c. In addition, plastic parts for decorative and mechanical purposes (i.e. decorative nozzles and moving landing struts) are not considered fins and can consist of plastic. Decorative nozzles, etc. need to be securely fastened and not pose a safety hazard. d. Fin assemblies that are printed using a 3D printer are excluded from this rule. Though detailed instructions on the creation of the fin assemblies must be provided and an additional page of photos may be included to show the creation/ printing of fin assemblies.
4. Angles of fins must fall within a plus or minus 2-degree variation using an approved fin alignment guide (such as KSSTAC10). An official fin guide is available from www.STEM4KS.com.
5. Fins should be rounded or streamlined according to instructions. If the other edges are rounded to reduce drag on all exposed sides, there should be no ribbon deduction, unless instructions indicate to leave flat, or instructions say to round and rounding was not done.
6. Fins and body tubes are to be sealed with sanding sealer and/or primer to eliminate the appearance of body grooves and wood grain.
7. Fins and launch lugs are to be filleted to reduce drag and properly secure them to the model.
8. Engine mounts are to be securely attached to the body tube.
9. Any seams on plastic parts are to be sanded smooth.
10. Body tubes/airframes/engine mounts can be made from suitable materials, including, but not limited to: reinforced paper, cardboard, phenolic resin, specialized polymer resins, fiberglass, Kevlar, or other suitable structural materials. However, foam may not be used for external body or other external rocket parts.
11. The nose cone is to fit snugly but still allow for easy removal.
12. Exhibits must be uniformly painted and smoothly finished or finished as per rocket instructions, and have decals applied smoothly.
13. Non-standard surfacing (such as textured paint) may be used if directed by the instructions, this includes scratch-built rockets.
14. Models may not be judged based on their paint scheme (colors and placement on the rocket), with the exception of rockets that fit the definition of a 'scale model.' All other rockets do not have to follow the suggested paint scheme, allowing the 4-H'er to display maximum creativity in the finishing of their rocket. Under no circumstances is the weight given to the paint scheme to be sufficient enough,

by itself, to move a non-scale model from one ribbon placing to another.

15. "Scale models" may be judged based on their paint scheme. The judge may deduct up to one ribbon placing for not following the paint scheme.
16. Scale Model Rockets are to be finished and completed with a majority (greater than 70%) of decals.
17. If a modification is made to the rocket, for example, adding a fin, a swing test must be conducted on the rocket, and the documentation provided. Failure to test and document flight stability following modifications will result in two ribbon placing deductions.

E. Model Rocketry Specific Guidelines (ages 9 and up): Purpose: Model rockets are generally small-to-medium-sized rockets that can be purchased at hobby stores that an individual(s) builds from parts similar to those found in model rocket kits.

1. Rockets classified as high or mid powered may not be entered in this category.
2. Each rocket must be able to stand freely by itself or be supported by a solid base, not to exceed 4-1/4" (four and one-quarter inch) thick and 8" square. The exhibitor's name, county or district, and age must be labeled on the base. Rod materials should be sturdy, and not made of flimsy materials, such as coat hangers.
3. If the model rocket is greater than 4 feet tall it can be displayed without a base or displayed parallel to the ground with up to 3 notched blocks not to exceed 4" in height width and depth. The exhibitor's name, county or district, and age must be labeled on the base(s).
4. All exhibitors must comply with the NAR Model Rocket Safety Code that is in effect as of October 1st of the current 4-H year. However, in the event that there is a modification in this code, the STEM Action Team may review and implement the modified code.

F. Original Design Specific Rocket Guidelines (ages 11 and up): Purpose: To allow youth to develop their own rockets (model, mid, and high powered) in a safe manner that displays maximum craftsmanship.

1. Original design rockets cannot be a modification of a pre-existing kit and must be of the original design.
2. Original design rockets must be designed by the exhibitor(s).
3. Original design rockets must include detailed instructions so that someone could construct the originally designed rocket just like a kit purchased at a store. Instructions can be as many pages as needed to convey full and complete construction techniques.
4. Original design rocket instructions should not include copies of instructions in part or in whole from existing kits.
5. For a rocket entered in the original design classes, describe in the summary how the rocket was tested for stability prior to flying. Swing testing of the rocket is required. Other tests and calculations are encouraged.

Exhibitors must include documentation of the swing test. Failure to swing test a rocket will result in a deduction of TWO ribbon placings.

6. A minimum of one additional page must be added to the rocketry information pack detailing the test(s) performed to ensure stability. 4-Hers are strongly encouraged to provide as much detail as possible. Failure to provide adequate written documentation will result in disqualification.

Division A -Exhibitors 9 through 13 years old

Rocket made from kit. Include plans.

Class 1350J by 7-12 old members

Class 1350S by 13 and older members

Scale Model Rocket made from kit includes plans.

Class 1351J by 7-12 old members

Class 1351S by 13 and older members

Division B -Exhibitors 11 through 13 years old (9-10 yr olds may not enter in this class)

Rocket made from a kit. Include plans.

Class 1352J by 11-12 old members

Class 1352S by 13 and older members

Rocket designed by exhibitor: not merely a modification of an existing kit. Include original plans.

Class 1353J by 7-12 old members

Class 1353S by 13 and older members

Scale Model Rocket designed by exhibitor: not merely a modification of an existing kit. Include original plans and stability testing.

Class 1354J by 7-12 old members

Class 1354S by 13 and older members

Division C -Exhibitors 14 years and older

Rocket made from kit. Include plans.

Class 1355S by 14 and older members

Rocket designed by exhibitor: not merely a modification of an existing kit. Include original plans.

Class 1356S by 14 and older members

Rocket designed by exhibitor: that uses alternative skins; not merely a modification of an existing kit. Include original plans.

Class 1357S by 14 and older members

Scale Model Rocket made from kit. Include plans.

Class 1358S by 14 and older members

Scale Model Rocket designed by exhibitor: not merely a modification of an existing kit. Include original plans and stability testing.

Class 1359S by 14 and older members

Division D -Exhibitors 11 years and older This class is designed to encourage teamwork among individuals and clubs to work on a rocket from the initial design to the finished product.

Rocket designed by 2 or more exhibitors: not merely a

modification of an existing kit. Include original plans.

Class 1363J by team of 11-12 old members

Class 1363S by team of 13 and older members

Mid-power Rocketry (2x'D' to 'G' Engines)

Guidelines: Purpose: To allow for improved safety and judging of rockets that meet the requirements of 4-H mid-power rockets.

1. Exhibitors must be at least 14 years of age by January 1 of the current year.
2. The rules for ALL categories apply.
3. In addition to the information packet completed for all rockets, a high/mid power information form is to be completed and placed inside of the information packet. This may be downloaded from <http://www.kansas4-H.org/>. Click on the KSF Packet link.
4. Exhibitors in this division must hold memberships in either NAR or Tripoli organizations.
5. The NAR Model Rocket Safety code applies to the construction and launching of all rockets displayed in this division. As such all exhibitors must comply with the NAR Model Rocket Safety Code that is in effect as of October 1st of the current year. However in the event that there is a modification in this code the STEM Action Team may review and implement the modified code.
6. All rockets in this division are to be launched under adult supervision by the 4-H member who constructed the rocket.
7. High power rockets as defined above ('H' or 'I' engines) may not be launched in this division.
8. If according to Federal Aviation Regulations Part 101, a waiver is required to fly the rocket, a copy of that waiver is to be attached to the High Power Information Form. In the case where the launch was a public event, a substitute to a copy of the waiver is the Range Safety Officer's (RSO's) contact information.
9. Mid-Power rockets may be displayed without a supporting stand. If a supporting stand is used, it is not to exceed 4-1/4" (four and one-quarter inch) thick and 8" square. The exhibitor's name, county or district, and age must be labeled on the base.

Division E - Exhibitors 14 years and older

Mid Power Rocket Made from Kit or Original Design Class 1364S by 14 and older member

High Power Rocketry Guidelines

Purpose: To allow for improved safety and judging of rockets that meet the requirements of 4-H high power rockets.

1. Exhibitors must be at least 14 years of age by January 1 of the current year.
2. The rules for ALL categories apply.
3. In addition to the information packet completed for all rockets, a high-power information form is to be completed and placed inside of the information packet. This may be downloaded from www.STEM4KS.com.
4. Exhibitors in this division must hold memberships in either NAR or Tripoli organizations.

5. The NAR High Power Rocket Safety Code applies to the construction and launching of all rockets displayed in this division. As such all exhibitors must comply with the NAR High Power Rocket Safety Code that is in effect as of October 1st of the current 4-H year. However in the event that there is a modification in this code the STEM Action Team may review and implement the modified code.
6. All rockets in this division are to be launched under adult supervision by the 4-H member who constructed the rocket.
7. For rockets launched using an engine(s) that have 160.1 ('H' engine or equivalent amount of smaller engines) Newton's-seconds or larger, adult supervision must be provided by an individual having at least a level 1 high power certification. The 4-H member should also hold or be attempting to attain their level 1 high power certification and should include supporting documentation of such (a copy of the Level 1 card is sufficient).
8. If according to Federal Aviation Regulations Part 101, a waiver is required to fly the rocket, a copy of that waiver is to be attached to the High Power Information Form. In the case where the launch was a public event, a substitute to a copy of the waiver is the Range Safety Officer's (RSO's) contact information.
9. High Power Rockets may be displayed without a supporting stand. If a supporting stand is used, it is not to exceed 4-1/4" (four and one-quarter inch) thick and 8" square. The exhibitor's name, county or district, and age must be labeled on the base.

Division F - Exhibitors 14 years and older

High Power Rocket Made from Kit or Original Design Class 1365S by 14 and older member

STEM UNMANNED AERIAL SYSTEMS:

Purpose: The 4-H unmanned aerial system or UAS project explores the world from above the trees and discovers new frontiers with UASs. UASs are commonly known as Unmanned Aerial Vehicles (UAVs) or drones. Members explore the uses and applications of unmanned aerial systems including how UASs link to other projects such as geology, robotics, electronics, crop science, and many more.

1. The 4-H members must be currently enrolled in the 4-H STEM project to exhibit in this division.
2. Exhibit must have been completed during the current 4-H year.
3. The information that accompanies the UAS must be limited to the 4-H STEM Exhibit Information Form which is affixed to a 10" x 13" envelope. This envelope should NOT be attached to the UAS. This may be downloaded from www.STEM4KS.com. Any UAS exhibit not including this completed envelope will receive an automatic participation ribbon. All revisions of all forms previously released for the STEM division either undated or dated prior to current year are void for use and new forms must be obtained and used that are dated by the State 4-H Office for the current year.
4. Each exhibit MUST include a video of the youth operating their UAS. This allows judges to get a better understanding of the exhibit and allows the youth the opportunity to fully

demonstrate their exhibit. The video should be no longer than 8 minutes and should be placed on the CD, DVD, USB drive, or similar. Adult guardians must complete the Video Release included with the exhibit form.

5. Exhibitor's name, county or district, age, and year(s) in the project must be tagged or labeled in a prominent location on the exhibit.
6. Unmanned Aerial System that includes or depicts weaponry of any kind will be disqualified.
7. If modifications are made to the exhibit a page should be attached noting those modifications.
8. If a safety violation is noted by the judge, superintendent, or other staff, the exhibitor's exhibit, at the judge's discretion, will receive a participation ribbon.

Intermediate Division, Exhibitors 9 through 13 years old
Unmanned Aerial System designed and constructed by exhibitor that is operated by a remote-controlled device. The UAS must not be a mere modification of an existing kit or plan. You may not exhibit a UAS that is purchased off the shelf in this class.

Class 1370J by 7-13 year old member

Practical application of an Unmanned Aerial system constructed from a commercial (purchased) kit. This includes the UAS, plus one or more of the following: video, notebook, poster, display board, etc. This class is separate from educational exhibits. A tangible use would be mapping Russian olive trees, eroded soils, bindweed in fields, etc. There are also many other non-agricultural UAS uses that would be appropriate for this class.

Class 1371J by 7-13 year old member

Senior Division, Exhibitors 14 years and older
Unmanned Aerial System designed and constructed by exhibitor that is operated by a remote-controlled device. The UAS must not be a mere modification of an existing kit or plan. You may not exhibit a UAS that is purchased off the shelf in this class.

Class 1372S by 14 and older member

Practical application of an Unmanned Aerial system constructed from a commercial (purchased) kit. This includes the UAS, plus one or more of the following: video, notebook, poster, display board, etc. This class is separate from educational exhibits. A tangible use would be mapping Russian olive trees, eroded soils, bindweed in fields, etc. There are also many other non-agricultural UAS uses that would be appropriate for this class.

Class 1373S by 14 and older member

STEM EDUCATIONAL EXHIBITS- Posters, Notebooks, and Display Boards

Purpose: To allow 4-Hers to explore STEM outside the bounds of traditional projects for rockets, robotics, astronomy, computers, and unmanned aerial system. All posters, notebooks, and display boards are listed in this section and have been removed from the individual

sections to save space.

1. The General Exhibit rules for ALL categories apply.
2. For notebooks, display boards, and posters, no additional exhibit information is required; no manila envelope is needed for these exhibits. Exhibits are to have a clear link to the STEM areas of astronomy, computers, rocketry, robotics, or unmanned aerial systems, educational exhibits outside of these STEM areas should be displayed in the other program areas.
3. Exhibits in posters, notebooks, and display boards must contain substantial supporting educational materials.
4. Educational display boards, posters, and notebooks should be creative and showcase details about the knowledge learned in the project during the current 4-H year. Value is placed on youth who can demonstrate how their skills have increased while completing the project. Each exhibit will be judged on uniqueness, creativity, neatness, accuracy of material, knowledge gained, and content. An exhibit judging score sheet is available at www.STEM4KS.com. For example, a rocket that may have crashed and/or is highly damaged may be made into an educational display or poster that tells a great story with many lessons learned.
5. Follow copyright laws, citing all sources of information in a standard notation. Sources of information must be cited on the front of your exhibit, including all posters and educational display boards.
6. Educational displays are not to exceed a standard commercial 3' x 4' tri-fold display board. No card table exhibits will be allowed. Care should be taken to use durable materials that will withstand fair conditions.
7. "Construction Kits" that are part of Educational displays must be contained in cases (tackle boxes, sealable containers, etc.) that may not be larger than 1' X 2' X 2' and must have a latch that securely keeps all components contained in the "Construction Kits". Other components are to adhere to appropriate dimensions as stated elsewhere.
8. Educational Project notebooks must be organized in a 3-ring binder.
9. Any three-dimensional poster or display board exhibits may not be thicker than 2 inches.
10. Engines and igniters for rockets ARE NOT permitted with the exhibit and constitute an immediate disqualification. This is for safety reasons and includes both spent and live engines.
11. Exhibitor's name, county or district, age, and year(s) in project must be tagged or labeled in a prominent location on the notebook, and/or "Construction Kit." For education displays and/or posters the exhibitor's name, county, or district, age, and year(s) in the project must be tagged or labeled on the back of the exhibit. Exhibit cards are not sufficient as they may be removed or repositioned for display.
12. Exhibits should possess the following qualities (in no particular order): a. A Central theme b. What you want others to learn c. Be designed and constructed in a manner befitting the exhibit d. Be something you are interested in e. Be related to Astronomy, Computer Systems, Robotics, Rocketry, or Unmanned Aerial Systems f. As well as those

characteristics described above.

13. If a safety violation is noted by the judge, superintendent, or other staff, the exhibitor's exhibit, at the judge's discretion, will receive a participation ribbon.

Astronomy Educational display, notebook, poster

Class 1382J by 7-12 year old member

Class 1382S by 13 and older member

Computer display, notebook, poster

Class 1384J by 7-12 yr old member

Class 1384S by 13 and older member

Rocketry display, notebook, poster

Class 1385J by 7-12 year old member

Class 1385S by 13 and older member

Robotics display, notebook, poster

Class 1386J by 7-12 year old member

Class 1386S by age 13 and older

Class 1387J by 7-12 year old member

Class 1387S by 13 and older member

Department 26 Veterinary Science

Enrollment: 1 jr, 1 sr **1 overall award**

1. All general regulations apply.
2. 2-sectional entry card is required for each exhibit.
3. Member enrolled in this project may exhibit three (3) entries per class completed in current 4-H yr.
4. See page 11: poster, display & notebook criteria.
5. Name county or district, age and year in project should be in a prominent location on the exhibit.

Notebook (Contents pertain to some phase, results, story, or information about the veterinary science project).

Educational Poster (must be related to something learned in the veterinary science project) (posterboard or foamboard no larger than 22" x 28").

Educational Display (must be directly related to the veterinary project).

Veterinary poster, notebook, display

Class 1390J by 7-12 yr old member

Class 1390S by 13 and older member

Department 27 Visual Arts

Enrollment: 9 jr, 4 sr **1 jr award & 1 sr award**

Visual Arts Phases: fine arts, clay & ceramics, leather & jewelry, three-dimensional, general crafts

NOTE: Judge needs to place top purple in each phase.

1. All general regulations apply.
2. 2-sectional entry card is required for each exhibit.
3. Member enrolled in this project may exhibit eight (8) entries per class completed in the current project year in each area enrolled.

4. See page 11: poster, display & notebook criteria.
5. Exhibits must be made during the current project year.
6. All exhibits which need to be hung **MUST** have the appropriate saw-tooth hanger, rod, wire, or other mechanism attached in order to be properly displayed, entries not in compliance will be lowered 1 ribbon placing (no string or tape).
7. Special consideration given to items that are of original design, attach a note explaining the original design.
8. Exhibitor should attach an index card no larger than 4"x6" with an entry card to provide the judge with any information on what parts of the exhibit they made, processes used, and other information that the exhibitor thinks would be helpful for the judge, indicate any items that were made from a kit.
9. Each county may submit one entry from each of the five categories (Fine Arts, Clay and Ceramics, Leather and Jewelry, Three-Dimensional, and General Crafts) for the state fair.
10. Articles exhibited must be an original design created by the exhibitor. See copyright guidelines in the general rules section of the Fair Book (page 9).
11. All visual arts exhibits are evaluated using a visual arts rubric, which takes into account the correct use of design elements, craftsmanship, and creativity.
12. Large art items will not be accepted. Exhibits must be of manageable size and be easily transported and displayed by one person.
13. Multi-piece items should be marked accordingly.
14. No plants or plant materials needing watering can be entered as an art display or item.
15. All entries are entered at the exhibitor's own risk.

FINE ARTS: Oil, chalk, charcoal, dyes, pastels, pencil, ink, acrylic, or watercolor on canvas, canvas board, paper, wood, metal, or textiles, framed as a picture, prepared for hanging. Stretched canvas art on a wooden frame is considered prepared for hanging provided that frame has a hanger.

Class 1400J made by 7-12 year old member

Class 1400S made by 13 & older member

CLAY and CERAMICS: Any original item made of clay; may be fired or unfired, hand-formed, or thrown on a wheel. Self-hardening, fire/oven-cured, and/or cornstarch clays are acceptable. Projects must begin with greenware, not a piece already cleaned. Items can include but are not limited to, clay statues, bowls, etc.

Class 1401J made by 7-12 year old member

Class 1401S made by 13 & older member

LEATHER and JEWELRY: Any leather stamping, carving, tooling, lacing, or stitching piece or any jewelry piece made from any medium are acceptable exhibits.

Class 1402J made by 7-12 year old member

Class 1402S made by 13 & older member

THREE-DIMENSIONAL: The piece must be observable on at least three sides and should be either free-standing or prepared to be hung. Craft and pre-formed or assembled

projects are not acceptable.

Class 1403J made by 7-12 year old member

Class 1403S made by 13 & older member

GENERAL CRAFTS: This category incorporates miscellaneous pieces that do not correspond to the four, above-mentioned categories.

Class 1404J made by 7-12 yr old member

Class 1404S made by 13 and older member

County Class, not eligible for the state fair

CRAFTS MADE FROM A KIT: This category incorporates any pieces that are made from a kit.

Class 1405J made by 7-12 yr old member

Class 1405S made by 13 and older member

Department 28 Wildlife (Sports Fishing)

Enrollment: 1 jr 1 award

1. All general regulations apply.
2. 2-sectional entry card is required for each exhibit.
3. Member enrolled in this project may exhibit three (3) entries per class completed in current 4-H yr.
4. See page 11: poster, display & notebook criteria.
5. Exhibitor must comply with state and federal laws, it is illegal to possess threatened or endangered wildlife, or the feathers, nests, or eggs of non-game birds. Game birds and game animals taken legally during an open season may be used. The use of live wild animals in educational exhibits is prohibited.
6. Name county or district, age and year in project should be in a prominent location on the exhibit.

Notebook (Contents pertain to some phase, results, story, or information about the wildlife project).

Educational Poster (must be related to something learned in the wildlife project) (posterboard or foamboard no larger than 22" x 28").

Educational Display (must be directly related to the wildlife project).

Wildlife poster, notebook, display

Class 1420J by 7-12 yr old member

Class 1420S by 13 and older member

Taxidermy/Tanning exhibit (should include an attachment that shows the work in progress through photos with captions, or detailed journaling of the process).

Class 1421J by 7-12 yr old member

Class 1421S by 13 and older member

Wildlife show and tell

Class 1422J by 7-12 yr old member

Class 1422S by 13 and older member

Department 29 Woodworking

Enrollment: 5 jr, 2 sr 1 overall award

1. All general regulations apply.
2. A 2-section card is required for each exhibit.

3. Members enrolled in the project may enter (3) entries per class completed in current 4-H yr.

4. See page 11: poster, display & notebook criteria.

5. The plan from which it was constructed must be with the article exhibited. The plan may be a photocopy, the actual pattern, or a scale drawing. It must be complete and accurate to the extent that a duplicate article could be built using the plan as a guide. Please note: a set of step-by-step instructions is not a plan.

6. Projects with missing or insufficient plans will be lowered one ribbon placing (i.e. a blue ribbon exhibit will receive a red ribbon).

7. The use of materials other than wood should be kept to a minimum.

8. Projects that have unsecured glass, i.e., glass shelves, glass top of a coffee table, etc., should not be brought to the fair. Glass that is secured in the project, i.e., the glass front of a gun case or cabinet, etc., is permissible since it cannot be easily removed.

9. The entry card, plans, and all other paperwork should be enclosed in a zip top plastic bag with a hole punched through it and tied or otherwise secured to the project in some manner. Tape is usually not adequate to accomplish this.

10. Refinished/ repaired furniture should be exhibited in a Home Environment class.

11. Projects made from pre-cut kits are not allowed.

12. In judging woodwork articles, consideration will be given to Workmanship, including accuracy to the plan; Design; Choice of wood; Suitability and quality of finish; and Usefulness.

13. Firearms and weapons are not to be entered or exhibited at the fair.

Article for Farm or Shop Use

Class 1430J by 7-12 yr old member

Furniture for Household or Lawn Use

Class 1431J by 7-12 yr old member

Class 1431S by 13 and older member

Other Woodwork Articles not included in above classes

including any article made from a kit. (examples: bird house, bird feeder, household equipment such as: knife rack, bread board, door stop, etc)

Class 1432J by 7-12 yr old member

Class 1432S by 13 and older member

Woodworking poster, notebook, display

Class 1433J by 7-12 yr old member

Class 1433S by 13 and older member

Department 30 FFA Ag Mechanics

1. All general regulations apply.

2. A 2-section card is required for each exhibit.

3. Members enrolled in project may enter (3) entries per Class.

4. All entries must have been constructed or repaired within the past two years in the high school AG department by an

- agricultural education student and a bona fide Kansas FFA member and are younger than 19 by January 1st of the current year to be eligible to exhibit.
5. If one project is not essential to the operation of the others, then it will be considered and entered as two projects.
 6. Exhibitor will furnish for each project: a project description, bill of materials including all purchased items, list of skills and safety features performed, hours worked on the project. (Pictures are encouraged.)
 7. Entries can be constructed by individual or team.
 8. Class 1424, repair project, will be farm tractors.
 9. Class 1425, repair project, maybe field tillage, planting, harvesting, chemical application, livestock or crops handling equipment.
 10. Repair project entries will be conference judged or a description of repairs made in the sequence given to the judge.
 11. Repair projects having adequate original finish need not be repainted for exhibition.

Class 1441 Large Project

Class 1442 Small Project

Class 1443 Micro

Class Project

Class 1444 Tractor Repair

Class 1445 Machinery Repair

DIVISION II 4-H/FFA LIVESTOCK

PREMIUM SALE REQUIREMENTS

Those interested in participating must have a checked-off and signed form turned in to the Fair Office or Extension Office before Noon on Sunday of the fair. All requirements on the form must be met to be eligible to participate in the sale. The form is posted at www.postrock.k-state.edu/4-h/county-fairs/jewellfair/.

Department 31 BEEF

NOTE: all education exhibits including stall decorations are judged 9 a.m., Thursday, July 6, all in Quonset (except stall décor), all need exhibitor cards

Enrollment: 18 jr; 8 sr

6 awards: overall bucket calf, overall breeding, overall market, overall showmanship, daily gain, carcass

1. Read general regulations and guidelines, pgs. 6-9.
2. Approved showmanship apparel, see pg. 8.
3. Market beef classes determined by weight on entry day.
4. Superintendent discretion applies if necessary.

Females:

Registered heifers must be identified with permanent tattoo corresponding to original registration papers. Papers need to be on file at the Extension Office by pre-fair deadline. Tattoo will be confirmed at fair check-in.

Breeding

- a. **heifer calves** (dropped after September 1 of previous year)
- b. **heifer summer yearling and junior yearlings** (dropped between January 1 and August 31 of previous year)
- c. **heifer senior yearlings** (dropped between 9-1-21 & 12-31-21)
- d. **bred heifer**
- e. **cow** (dropped before August 31, 2021)
- f. **cow and calf**

All beef breeding females will be shown in separate classes according to breed and age; indicate on entry card breed (Hereford/Angus/Crossbred/etc.) and weight.

Classes 2000

Bucket Calf

1. Heifers and steers are eligible for exhibit.
2. Animals NOT eligible for exhibit if horns are present.
3. Bucket calf must be born after January 1, selected before 30 days old, and fed by bucket or bottle until weaned.
4. Members can exhibit one (1) bucket calf.
5. Judging will be based on what the youth has learned and accomplished; no consideration will be given to animal conformation or type.
6. Conference judging: 50% calf condition, 50% personal interview.
7. A champion and reserve champion will be selected in each class on the basis of total points. Rosette ribbons will be awarded to the champion and reserve champion; ties will be broken on the grooming score.
8. **Bucket calves are not eligible for jr. showmanship.**
9. All grooming should be done by the member:
 - calves should be clean.
 - professional clipping is discouraged.

Class 2011 bucket calf – 7-9 year old youth

Class 2012 bucket calf – 10-12 year old youth

Market Heifers

Superintendent will place animals into weight classes as animals are weighed.

Class 2014 market heifer

A: lt wt B: med wt C: heavy wt

Market Steers

Superintendent will place animals into weight classes as animals are weighed.

Class 2015 market steers

A: lt wt B: med wt C: heavy wt

Stocker - Feeder

1. Stocker-feeder animals are grown for meat production.
2. Animals are fed a growing ration.

Class 2020 stocker - feeder 350-600 pounds Class

2021 stocker - feeder 601-900 pounds

Beef Carcass Contest

Ribbon placing based on carcass information collected by ultrasound evaluation. Must have weighed in at both weigh in dates (early and fair).

Class 2022 beef carcass contest

Beef Daily Gain

Ribbon placing is determined for weight gained by animal based on the Fair Board approved ranking scale. Refer to K-State Youth Livestock resources for recommended average daily gain rates: <https://www.asi.k-state.edu/extension/youth-programs/education/educational-materials.html>.

Class 2023 beef daily gain - market steer

Class 2024 beef daily gain - market heifer

Beef Showmanship

1. See general showmanship rules on page 8.

Class 2026 beef showmanship jr

Class 2027 beef showmanship sr

Beef Education

All members are urged to exhibit an educational entry that promotes the beef industry - a poster (see page 11: poster criteria), 1-page report (include photo plus tell about project and what you have learned about beef), display (tabletop), or stall decoration (enhance animal stall/tack area). Ribbon to each entry.

(judged on Thursday 9 a.m. in Quonset)

Class 2029 beef poster

Class 2030 beef report

Class 2031 beef display

Class 2032 beef stall decoration

Department 32 Dairy Cattle

NOTE: all education exhibits including stall decorations are judged 9 a.m., Thursday, July 6, all in Quonset (except stall décor), all need exhibitor cards **Enrollment:** 0

1. Read general regulations & guidelines on pgs 6-9.
2. Approved showmanship apparel, see pg. 8.
3. Dairy cattle will be exhibited in the cattle barn.
4. All dairy animals will be shown in separate classes according to breed and age; on entry card indicate breed: Brown Swiss, Holstein, Guernsey, Jersey, etc., or other.
5. Heifers less than two years old will compete for junior champion and reserve junior champion.
6. Top two animals in each class will compete for champion and reserve champion dairy animal.
7. Superintendent discretion applies if necessary.

Classes 2035-2040 plus one of these designated letters:

- A. **heifer calves**, born between Aug. 1, 2022-July 15, 2023
- B. **yearling heifers**, born between Aug. 1, 2021-July 31, 2022
- C. **2 year old**, born between Aug. 1, 2020-July 31, 2021
- D. **3 year old**, born between Aug. 1, 2019-July 31, 2020
- E. **aged cows**, born before July 31, 2019

Dairy Showmanship

1. See general showmanship rules on page 8.

Class 2041 dairy showmanship jr

Class 2042 dairy showmanship sr

Dairy Education

All members are urged to exhibit an educational entry that promotes dairy industry - a poster (see page 10: poster criteria), 1-page report (include photo plus tell about project and what you have learned about dairy), display (tabletop), or stall decoration (enhance animal stall/tack area). Ribbon to each entry.

(judged on Thursday 9 a.m. in Quonset)

Class 2043 dairy poster

DAIRY GOATS

NOTE: all education exhibits including stall decorations are judged 9 a.m., Thursday, July 6, all in Quonset (except stall décor), all need exhibitor cards

Enrollment: dairy: 2 jr, 2 sr;

2 awards: overall dairy goat, overall showmanship

1. Read general regulations & guidelines on pgs 6-9.
2. Approved showmanship apparel, see pg. 8.
3. Goats will be exhibited in the sheep/goat barn.
4. All goats will be shown in separate classes according to breed & age.
5. Superintendent discretion applies if necessary.

Class 2050 breeding doe

Class 2051 nanny with kids

designate letter below with class number

A. does born after January 1, 2023

B. does born between July 1 2022- December 31, 2022

C. does born between July 1, 2021 - June 30, 2022

D. does born before July 1 2021

Dairy Goat Showmanship

See Department 35, Meat Goats, for the Dairy and Meat Goat Showmanship classes.

Goat Education

All members are urged to exhibit an educational entry that promotes the goat industry - a poster (see page 11: poster criteria), 1-page report (include photo plus tell about project and what you have learned about goats), display (tabletop), or stall decoration (enhance animal stall/tack area). Ribbon to each entry.

(judged on Thursday 9 a.m. in Quonset)

Class 2060 goat poster

Class 2061 goat report

Class 2062 goat display

Class 2063 goat stall decoration

Department 34 HORSES

NOTE: all education exhibits including stall decorations are judged 9 a.m., Thursday, July 6, all in Quonset (except stall décor), all need exhibitor cards

Enrollment: 9 jr, 2 sr

3 awards: halter gelding, halter mare, overall showmanship

Special Awards:

Breast Collars Custom breast collars will be awarded to the overall winner of the following 3 classes: Showmanship, Reining, & Trail.

High Point Belt Buckle: High point belt buckle will be awarded to the rider and horse combination who accumulates the most points in ALL divisions, including halter, showmanship, performance, education, speed events, costume and stall decorations. Walk trot and leadline classes do not count for the high point calculation. Point system for each ribbon received to determine the high point winner is as follows: Grand Champion-9 points; Reserve Champion-8 points; Purple-7 points; Top Blue-6 points; Blue-5 points; Red-4 points; White-3 points. The judge will place 1st through 4th places in each class to assist in breaking ties.

1. Read general regulations & guidelines on pgs 6-9.
2. Approved showmanship apparel, see pg. 8.
3. Read Kansas 4-H Horse Shows and Events Handbook and Livestock rules.
4. If more than 50 horses are pre-entered, a maximum of 2 horses per exhibitor will be stalled; additional horses may be shown.
5. The standard age classification of horses: i.e. the age of a foal is determined as of January 1, in the year in which it is born. For example, a weanling is a foal of 2022 irrespective of which month it is born-a foal born in 2020 is a 3-year-old. *Only mares and geldings may be shown at halter and under saddle.*
6. Indicate horse breed, age, and sex on entry card. Fill out a stall identification card for each horse entered and post above the stall.
7. Tack: check *Kansas 4-H Horse Show Rule Book*, in case of inclement weather, the superintendents will announce any changes that will be permitted in dress.
8. NO stud horses will be allowed on the premises.
9. Superintendent discretion applies if necessary.

Halter Classes Scoring Procedure:

50 % conformation

30% performance & way of going 20% manner, tractability, general condition. On entry card indicate animal age: **A, B, C, D**

A. weanling B. yearling C. 2-3 year old D. 4+ years

Filly or Mare

Class 2100 A, B, C, D

Class 2101 champion filly/mare, must earn blue in 2100- Receives Grand Champion ribbon and award if merited by judge.

Gelding

Class 2102 - A, B, C, D

Class 2103 champion gelding, must earn blue in 2102- Receives Grand Champion ribbon and award if merited by judge.

Performance Classes

1. Instructions for classes are the in 4-H horse handbook.
2. Judge will choose reining pattern from Handbook and announce at beginning of Performance Classes.
3. Point system used for horse department:
5 points - purple, 4 points - 1st blue, 3 points blue, 2 points - red, one point - white, participation - 0.
2. Each member may enter a class only once. Although a single horse may be entered more than once by members of the same family, provided it is properly identified by both 4-H'ers.
5. Must be more than one participant in a performance event for class to count toward overall performance pt.
6. High-point winner will receive grand champion performance horse plaque, if available, rosette if not. Second place receives a reserve grand champion rosette.
7. Costume Class may be entered by any youth enrolled in the project. Any costume is welcome. The entry can be led or ridden into the arena, and any props or music that enhance the costume may be used. This class will be judged at the conclusion of the performance classes.

Class 2104 leadline (7 yr. olds) (adult leads youth into arena)

Class 2105 walk/trot

Class 2106 western pleasure - juniors

Class 2107 western pleasure - seniors

Class 2108 two-year-old snaffle bit western pleasure

Class 2109 western horsemanship- juniors

Class 2110 western horsemanship - seniors

Class 2111 trail

Troop Entries judged on: general appearance, display, workmanship, and development of a theme, should show activity or study participated by troop

- Class 3187** troop project
- Class 3188** troop scrapbook

DIVISION IV - OPEN CLASS

Quonset Department Superintendents:

Check-in entries 7:00-8:00 a.m.

Quilts must be checked-in on **Wednesday, July 5** at **Mankato Community Center** at 8:30 a.m. Judging will begin at 9:00 a.m. Quilt exhibitors are invited to observe the quilts being judged and are to take their quilts home on Tuesday. Quilts must be brought to the Quonset on the fairgrounds and checked in on **Thursday, 7/6 7:30- 9:00 a.m.** Check-out time for all exhibits in the Quonset starts at **4:30 p.m.** on Sunday, July 9.

OPEN CLASS GENERAL RULES

Apply to all Division III departments; specific department rules will be listed under each department heading

1. All general fair rules, general award guidelines, and general livestock/animal guidelines apply. See front part of fairbook.
2. Any resident of Jewell or an adjoining county (Cloud, Mitchell, Osborne, Smith, Republic, Nuckolls,

and Webster) may exhibit in any open class department; no pre-entry is required. Open class exhibits must have been completed or grown since the 2022 Jewell County Fair.

3. Exhibitors not wanting an entry judged may designate "for display only".

4. Open class entries are to be checked in **Wednesday, July 5, 5:00-6:00 p.m.** OR **Thursday, July 6, 7:00-8:00 a.m.** in the Quonset (exception for quilts and foods). Late entries will be dropped one ribbon placing. Each exhibit must have a 2-sectional entry card.

5. Exhibits evaluated on appearance, appropriateness, design, material, workmanship, neatness of work, and finish on both sides.

6. Each department will be assigned a judge to evaluate entries and based upon the quality of the exhibit and if worthy, will award a blue, red, or white ribbon to each exhibit; judging is not by conference and exhibitor is not to converse with the judge during exhibit judging.

7. A premium will be paid based upon ribbon placing (**exhibitor may designate ON ENTRY CARD to donate premium to the fair.**)

8. A Best of Show rosette may be awarded to the best blue entry in each category as the judge chooses.

9. Exhibits will remain on display until Sun. 7/9, then released at **4:30 p.m.**

10. Every department has a ***Something Old - Renewed - Recycled*** category for exhibitors to enter an old item that has been repaired or restored in some manner. The exhibitor must have completed some part of the restoration.

Ribbon Premium Guidelines

Exhibitors will be paid premium money on the basis of ribbons awarded: \$2.50 - rosettes \$2.00 - blue
\$1.50 - red \$1.00 white

There are no youth or adult age divisions.

E - Expert: Anyone who instructs, sells, or has exceptional skills may choose to exhibit as an expert. Simply add the letter E to the exhibitor number.

G - General Any age exhibitor residing in Jewell or adjoining counties.

Department 45

Industrial Arts

1. Exhibitors may exhibit five (5) entries per class.
 2. 2-sectional exhibit card is required per entry.
- Class 4001 **Metal Work, any**
 - Class 4002 **Wood Work, any**
 - Class 4003 **From the Scrap Pile, any functional or non-functional item**
 - Class 4004 **Something Old / Renewed / Recycled, any old item** (exhibitor must do part of the restoration)

Department 46 Field Crops

1. All crops exhibited as harvested grain may be cleaned with a seed cleaner, but not handpicked.
2. Display grain samples in a quart jar.
3. List variety or hybrid name/number.
4. Exhibitors may exhibit five (5) entries per class.
5. 2-sectional exhibit card is required per entry.

Class 4140 **Barley** bundle (3" sample) or grain sample (quart)

Class 4184 **Fruits** apples (10), berries (5), crab apples (10), grapes (10), peaches (5), pears (5), plums (10), rhubarb (3 stalks, tops off)

Class 4185 **Herb** any specimen

Department 48 Floriculture

1. Refer to flower show handbook, extension office.
2. Enter flowers in a clear glass container. No foliage in water.
3. All house plants must be potted and in exhibitor's possession at least 60 days.
4. All blooming house plants must be in bloom.
5. No artificial foliage or flowers are allowed in plant.
6. Exhibitors may exhibit five (5) entries per class.
7. 2-sectional exhibit card is required per entry.

Class 4230 **Coneflower, any**

Class 4231 **Coreopsis, any**

Class 4232 **Cosmos, any**

Class 4233 **Dahlia, any**

Class 4234 **Daisy, any**

Class 4235 **Gaillardia, any**

Class 4236 **Gladioli, any**

Class 4237 **Hollyhock, any**

Class 4238 **Lily, any**

Class 4239 **Marigold, any**

Class 4240 **Pansy, any**
 Class 4241 **Petunia, any**
 Class 4242 **Phlox, any**
 Class 4243 **Pinks, any**
 Class 4244 **Rose, any**
 Class 4245 **Snapdragon, any**
 Class 4246 **Sunflower, any**
 Class 4247 **Zinnia, any**
 Class 4248 **Misc. Flower, any**
 Class 4249 **Cacti, any**
 Class 4250 **Succulents, any**
 Class 4251 **Blooming Plant, any**
 Class 4252 **Non-blooming Plant, any**
 Class 4253 **Hanging Plant, any**
 Class 4254 **Bouquet** with fresh plant materials
 Class 4255 **Bouquet** all-natural self-dried plant materials (*no purchased materials*)

Department 49 Foods

NOTE: Check-in: 9:30 a.m. Judging at: 10:00 a.m. Wednesday morning, July 5 at Mankato Community Center. A sample will be kept for display during the county fair in the Quonset.

1. Place exhibit on covered cardboard of suitable size in a clear plastic bag; do not use plastic wrap.
2. Commercial mixes may be used only as an ingredient in a special recipe; entries made solely from a commercial mix will not be allowed.
3. Exhibitors may exhibit five (5) entries per class.
4. 2-sectional exhibit card is required per entry.

Exhibitors - Please bring 3 extra smaller items (cookies, cupcakes, muffins) to increase the number of food sale items. **There will be a Bake Sale this year.**

Cookie definitions:

dropped: dropped by spoonful onto cookie sheet

bar: spread into baking pan and cut when cool

molded: rolled into a ball, pressed with glass or fork

rolled: rolled with a rolling pin and cut into shapes

pressed: shapes formed with a mechanical cookie press

filled: any cookie with a filling

icebox: wrapped in waxed paper, chilled, sliced, baked

Class 4335 **Cakes, any**

Class 4336 **Decorated Cake, any** (may use forms, only decoration judged, need not be covered)

Class 4337 **Candy, any** (4 pieces per class)

Class 4338 **Cookies, any** (six (6) cookies per class)

Class 4339 **Pies, any** (2-crust, 8" or 9") (judged on appearance, texture, and flavor of crust & filling)

Class 4340 **Quick Breads, any** (1 loaf)

Class 4341 **Muffins, any** (4)

Class 4342 **Biscuits, any** (4)

Class 4343 **Yeast Bread, any** (4" x 8" or 5" x 9")

Class 4344 **Yeast Rolls, any** (6 rolls)

Class 4345 **Bread Machine Bread, any** (1 loaf)

COMMISSIONERS' COOKIE JAR

1. Fill a clear glass or clear plastic, gallon jar decorated using the county fair theme "*Jewell County Fair – Dancing with the Steers*" with an assortment of *at least* five (5) different varieties of cookies visible with at least 25 cookies total.
2. Evaluation is 25% decorated jar, 75% selection of cookies.
3. A sample of each variety of cookie is to be identified and individually wrapped with clear plastic and placed in a flat box for the judge to evaluate.
4. Exhibit may be an individual or group entry.
5. Exhibitor will present winning Cookie Jar to County Commissioners during Fashion Revue on Sun., July 9 at 6:00 p.m.
6. 2-sectional entry card is required for each exhibit.

Class 4346 **Commissioners' Cookie Jar**

TREASURER'S COOKIE TIN

1. Arrange a collection of any three (3) different cookie classes, (total of 18 cookies) in a tin decorated using the fair theme "*Jewell County Fair – Dancing with the Steers*".
2. The sample of the cookie exhibited as individual entry will be used by the judge during judging of the cookie tin. Any product included in the cookie tin that has not been judged as an individual entry, must

- have a sample for the judge to taste.
- Evaluation will be 25% for cookie tin and 75% for selection of cookies.
 - Each kind of cookie must be individually wrapped and identified for the judge.
 - Exhibitor of the winning Cookie Tin will present the cookie tin to Jewell County Fair Treasurer Lesa Peroutek during the Fashion Revue Sunday, July 9 at 6:00 p.m.
 - 2-sectional entry card is required for each exhibit.
- Class 4347 Fair Treasurer's Cookie Tin**

BREAD SCULPTURES

- This is a Kansas State Fair Contest.
- Bread sculpture may be constructed from frozen dough or yeast dough made from scratch.
- Bread sculptures will not be tasted.
- Seeds, herbs, and other edible decorative toppings and icings may be used.
- Must submit a typed, detailed recipe including shaping instructions with step by step photos or sketches on an 8 1/2" x 11" paper with name and address in the lower-left corner (will be covered prior to judging). Include age for youth entries.
- No size restrictions; for small individual sculptures, 6 should be entered. (ex: bunnies, turtles)
- All sculptures must be received on a sturdy, disposable plate, board, or tray and will remain on display throughout the fair.
- For examples and ideas, visit http://www.homebaking.org/PDF/doughsculpting_1_01online.pdf or <http://nationalfestivalofbreads.com/recipes/bread-shaping-0>.

Class 4348 Bread Sculpture

Table Setting with Menu (on 4"x 6" card: write menu to be served with table setting) criteria: menu selection, appropriateness of place setting. Bring your own card table.

Class 4349 Table Setting

Food Preservation Guidelines

- No colored jars can be used.
- All preserved entries jellies, fruits, vegetables, including tomatoes, pickles, relishes, and canned meats, must have been processed following USDA recommended methods. Information is available at the Extension Office. Open kettle canning method is not acceptable.
- Judged on quality of product, preservation, and pack.

PAGE 54

- Canned products must be exhibited in standard half pint, pint, or quart jars. Jars must have screw rings. All space except proper head space should be filled.
- Exhibit one jar unless otherwise specified.
- All canning entries must use fresh products and have been canned after Aug 1, 2022.

Class 4515 Jams, any

Class 4516 Jellies, any

Class 4517 Preserves and Butters, any

Class 4518 Collection of 3 kinds, any jams, jellies, preserves or butters

Class 4519 Canned Fruits, any

Class 4520 Collection of 3 kinds, any fruits

Class 4521 Canned Meats, any

Class 4522 Canned Vegetable, any

Class 4523 Collection of 3 kinds, any vegetable

Class 4524 Dried Foods, any

Class 4525 Pickles and Relish, any

Class 4526 Collection of pickles or relish (3 kinds)

Class 4527 Sauces, any

Class 4528 Collection of 3 different sauces

Bake sale:

2:30 p.m. Wednesday, July 5

All food preparation exhibits ARE SOLD after being judged. **No food preservation can be sold.**

Department 50 PHOTOGRAPHY

- Enlargements must be 5"x7" to 8"x10".
- Remove white border from the photo print before mounting.
- Enlargements are to be permanently mounted on a white or complementary color mat, across the narrow dimension of a studio mount.
- Permanent adhesive recommended. Do not use rubber cement; it does not withstand county fair conditions. Exhibits are to be matted but not framed
- Exhibitors may enter five (5) entries per class.
- 2-sectional card required per entry.
- Bring entry in a self-sealing, clear plastic bag (available at extension office).
- Photos are to be **mounted with the top edge of the print 1" below the top of the mount; the sides of the print must be equal distance from the two sides of the mount.**

See mounting diagram:

Photo mat MUST BE VERTICAL

Enlargements

(at least 5" x 7" to 8"x10")

- Class 4830 **any animal**
- Class 4831 **any building**
- Class 4832 **any black/white**
