Dear Lincoln County Community Members and Business Owners,

We invite you to become a Lincoln County 4-H Booster through a financial donation to the local 4-H youth development program. The 4-H Boosters financially support our successful 4-H program in Lincoln County in a variety of ways. Your gift is a way to thank Lincoln County 4-H members and their families for doing business in your community.

Lincoln County 4-H Booster funds are used to:
- Extend 4-H to young people in Lincoln County with free enrollment to our community clubs
- Create an environment where youth can explore interests and develop life skills
- Support educational and team-building events and experiences of the five 4-H Clubs and 4-H Council
- Value participation in 4-H Camps and Conferences with scholarships covering half the registration fee
- Enhance learning and growth in project work related to agriculture, health, science, food, money, and more
- Project recognition for skills showcased at the county fair and in record books
- Empower youth to develop skills in civic engagement, grow as a leader, and explore careers
- Extend opportunities to experience leadership events at Kansas State University and Washington D.C.
- Encourage 4-H member involvement at county, state, and national levels
- Award scholarships and recognition to High School Seniors
- Share the impact of 4-H youth development in our communities to both new and traditional audiences
- Model the 4-H pledge to encourage healthy living, sound decision-making, and service to community

Please mail your contribution to the Post Rock Extension District – Lincoln Office by June 20, 2022. A self-addressed envelope is enclosed for your convenience.
