SUBJECT: **SCHOLARSHIPS, GRADUATION CORDS, SENIOR SHOUT OUTS & SENIOR BANNERS**

I want to share information about local continuing education scholarships you may be eligible for because of your involvement in Lincoln County 4-H. Below is a list of scholarships to consider applying for:

- Lincoln County 4-H Boosters Scholarship
- Bob and Marty Walker Memorial Scholarship
- Lincoln County Cattlemen's Scholarship

The scholarship applications/details can be found at <https://www.postrock.k-state.edu/4-h/member-resources/education-scholarships/>. **Completed applications need to be turned into the Post Rock District – Lincoln Office by the deadline of May 1, 2026.**

The Lincoln County 4-H Council has a **4-H graduation cord** at the Extension Office for each high school senior active in the local 4-H program. This is a gift for you to celebrate your graduation milestone. Please stop by the Extension Office to pick it up.

Because we want to celebrate all graduating high school seniors, Post Rock District is going to dedicate a shout out to each 4-H senior on the www.postrock.k-state.edu/4-h page. It is optional to be included. If interested, email Post Rock District at postrock4h@ksu.edu, the following:

- 1) A photo or two (a senior photo, favorite 4-H photo, or throwback childhood photo)
- 2) A quote or message (why you love 4-H, how you have benefited from being involved in 4-H, favorite 4-H memory or a quote that has guided you through the years)

One last thing, the Lincoln County 4-H Boosters will create a senior banner for each graduating 4-H members to be displayed at the county fair. Please submit a senior photo in a high-quality format to the Lincoln office by **April 1**. You can email it to cemorrical@ksu.edu.

Call the Extension Office at 785-524-4432 if you have any questions. Enjoy the exciting weeks and months ahead. Thank you for your many contributions to Lincoln County 4-H!
