KANSAS 4-H MASTER CALENDAR

Kansas 4-H has a state and regional events master calendar. It is a living document with regular additions. Access the latest version at www.kansas4-h.org/events-activities/.
CITIZENSHIP IN ACTION
Citizenship in Action (CIA) is for Kansas youth (13-18 4-H age) to learn how the state legislative process works and how their voice and participation in decision-making can make a difference in their local communities. The legislative visit will not only familiarize youth with the capitol building in Topeka, but will also show them how they can affect the legislative process. CIA is February 19-20 and registration is due February 1. Post Rock District will provide a chaperone and transportation to CIA. Details are posted on the Kansas 4-H event's webpage.

AMBASSADOR AND COMMUNICATION TRAINING FUNDING AVAILABLE
Kansas 4-H Ambassador and Communication Training will be held February 24-25 at Rock Springs Ranch. This is an opportunity for teen leaders (13 or older 4-H age) to practice and improve communication, marketing, employability, and job skills. You'll get to do all of this while having fun and meeting like-minded leaders from across Kansas! Post Rock District will provide a chaperone and transportation to the training. Six Post Rock District youth are eligible to earn a full scholarship to attend this training for free. Registration is due February 1 at the Kansas 4-H event's webpage.

QUIZ BOWL AND SKATING PARTY - NEW DATE OF MARCH 4
The Post Rock District 4-H Quiz Bowl and 4-H Skating Party have been rescheduled for Saturday, March 4. Quiz Bowl will be at Rock Hills High School in Mankato and the Skating Party will be in Formoso. We ask EVERYONE interested in participating in the new date to register again as your availability may have changed. If you have questions contact Tonia Underwood at tiunderw@ksu.edu or 785-738-3597. Registration is due February 23.

PROJECT ENROLLMENT IN 4-H ONLINE
Log into 4-H Online or contact your local Extension Office to review and update your projects! The earlier you update your projects in 4-H Online the better! 4-H project experiences, opportunities and reminders are communicated to you by local and state 4-H staff based on your project enrollment and contact information in 4-H Online. May 1 is the final project drop/add deadline if you want to exhibit at a county fair.
4-H DAY

4-H Day is an opportunity for Post Rock District 4-H members to showcase and further develop communication skills. The 2023 Post Rock District 4-H Day Guide is available online or at your local Extension Office. Review the guide before registering to understand the available contests and information about participating in-person and virtually. Register online at the [4-H Day event webpage](POSTROCK.KSU.EDU).

- February 11 in Beloit beginning at 8:00 a.m. REGISTRATION DEADLINE IS FEBRUARY 2.
- March 6 in Osborne beginning at 4:00 p.m. REGISTRATION DEADLINE IS FEBRUARY 23.

VOLUNTEER AT 4-H DAY

Youth and adults can serve as volunteers at 4-H Day! If you are interested and able to help as a door monitor or judging contest assistant, please call the Mankato Office at 785-378-3174 or email tiunderw@ksu.edu.

4-H DAY JUDGING CONTESTS

4-H Day is a great opportunity to try a judging contest! Learn about the planned judging contests and find study resources at Post Rock District's Judging Contests webpage.

YOUTH FOR THE QUALITY CARE OF ANIMALS (YQCA)

YQCA is a national, multi-species youth livestock quality assurance program. All levels of livestock project participants can learn through this experience. It must be completed to exhibit in the Kansas State Fair Grand Drive and Kansas Junior Livestock Show. Learn more about YQCA at the K-State Youth Livestock Program website. YQCA training can be completed online or by attending an in-person class. Sign up for an in-person class and pay your $3.00 at yqcaprogram.org before attending. The current Post Rock District YQCA class schedule is below. If your club would like a different training date, contact your local Extension Office.

- February 11 at Noon in Beloit (after 4-H Day)
- March 6 at 7:00 p.m. in Osborne (after 4-H Day)

ZBOOKS - ONLINE 4-H RECORD BOOK

Don’t delay getting your online permanent and project record books started with Zbooks! Find details at the Kansas 4-H Zbooks Online 4-H Record Keeping resource webpage.
SHEEP ACROSS KANSAS VIRTUAL SERIES
Twin Creeks District invite youth to participate in the Sheep Across Kansas webinar series. The program will support Kansas youth participating in the sheep project and help them to become more knowledgeable about the sheep industry. The first session is February 5 at 2:00 p.m. and will feature a sheep industry expert who will guide us in learning the parts of a lamb, while discussing desirable and undesirable physical traits. Additionally, participants can expect to hear from show lamb producers on their tips and tricks as you make plans to purchase your next project. Sign up by February 2 at: https://kstate.qualtrics.com/jfe/form/SV_6G4hHHGcHk7Z9SS.

To view recordings from past Swine or Beef Across Kansas sessions visit www.twincreeks.k-state.edu/youth-ag/.

JUNIOR SWINE PRODUCER DAY
K-State Junior Swine Producer Day is scheduled for Saturday, March 11, in Weber Arena on the K-State campus in Manhattan. Speakers will cover topics including selection, meat science, ear notching, breeds, reproduction, equipment and daily care, herd health, nutrition, clipping and show day prep, and showmanship. An optional instructor-led YQCA session will be offered. A session over the state livestock nomination process will also be provided at the end of the day, concurrently with the YQCA training. The cost is $20 per person, if registration is submitted by February 15, or $25 per person after that date. All attendees, including youth and adults, must register. Only participants who register by February 15 will receive a t-shirt. Families may register online at http://bit.ly/ksuasiregister. No refunds. For more information, contact Lexie Hayes at adhayes@ksu.edu.

JUNIOR MEAT GOAT PRODUCER DAY
K-State Junior Meat Goat Producer Day will be hosted on Saturday, March 18, in Weber Arena on the K-State campus in Manhattan. Speakers will cover topics including selection, meat science, nutrition, reproduction, health and wellness, facilities, and equipment, clipping and grooming, and showmanship. An optional instructor-led YQCA session will also be offered at the conclusion of the program. A session over the state livestock nomination process will also be provided at the end of the day, concurrently with the youth YQCA training. The cost is $20 per person, if registration is submitted by February 22, or $25 per person after that date. All attendees, including youth and adults, must register. Only those who register by February 22 will receive a t-shirt. Families may register online at http://bit.ly/ksuasiregister. No refunds. For more information, contact Lexie Hayes at adhayes@ksu.edu.
4-H SCHOLARSHIPS

Local Scholarships: If you are continuing your education after high school, there may be a local scholarship opportunity you are eligible for as a 4-H member! Find applications and details on the Post Rock District's Education Scholarships website. Contact your local office with questions.

Kansas 4-H and Vanier Scholarships: The applications are available on the Kansas 4-H website under Awards & Recognition. Review the requirements before getting started. Applications and supporting documents are due no later than March 1, 2023.

TEEN-LED PROJECT LEARNING
As you advance in 4-H, teens are challenged to plan and implement learning experiences to help others gain knowledge and skills in project areas. It is a rewarding and fun opportunity to help peers master a 4-H project. Teens gain valuable experience related to leadership, event planning, communication, and more. Leading these experiences help teens complete more advanced achievement pin requirements and earn the Kansas 4-H Key award. If you are interested in leading a project workshop or meeting in the spring or summer, contact your local Extension Office so we can help you promote and support your effort!

4-H SUPER SATURDAY AT COLBY
The Northwest 4-H Judging Event, "Super Saturday" will be March 25 at Colby Community College. There will be morning contests for entomology, photography, crops, life skills, and horticulture. Livestock judging takes place in the afternoon. Afternoon Project Workshops will be available as well. It is open to youth 7-18 years old. 4-H membership is not required. Let your local Extension Office know if you are interested and we can help connect you to registration and complete details once they become available.

4-H CAMP AT ROCK SPRINGS RANCH
Registration Open: 4-H camp sessions are posted at www.rockspringsranch4hcamp.org. Each family registers directly with Rock Springs Ranch through the website. Before you register, contact your local Extension Office and your club leader. There may be club or county-level event scholarships available.

Scholarship for Teen Leaders: 4-H Camp Counselor in Training (CIT) participants can receive a full-ride scholarship in 2023! Teens age 16 to 17- years, especially rising 12th graders, may participate. Participants will receive camper care training and counselor experience, in addition to "camp" time with peers. If you are interested, submit a letter of interest at the online link.
PROJECT OWNERSHIP AND VERIFICATION
FOR COUNTY FAIR PARTICIPATION

In the Post Rock District, all exhibits entered in the 4-H division of a county fair must be the handiwork of the exhibitor; the grower, where agricultural exhibits are shown; and the owner and feeder, where livestock is entered. All exhibits entered in the 4-H division of a county fair must be the result of the current program year’s work. Ownership is defined so that the project (animal, garden, crop, exhibit creation, sewing, photo, etc.) is under the daily care and supervision of the member; all project-related practices, expenses, and management are the responsibility of the member; and all county fair exhibits should be a planned part of the project.

The Post Rock District Board believes that in order for high-quality project learning to take place through 4-H, projects (animals and non-animals) should be owned by May 1 of the current year. This commitment allows you to practice new skills, work toward your planned project goals, etc. However, effective this 4-H year, the Post Rock District Staff or 4-H Councils do not require verification of project ownership by May 1 for animals or non-animal project exhibits to be eligible for a county fair.

Beginning this 4-H year, each 4-H Council in the Post Rock District is to designate a pre-fair entry deadline. The pre-fair deadline is when all project exhibits must be designated for the class, which will be shown at the county fair. Entries can be dropped, but not added after the pre-fair deadline. Any project areas not required by 4-H Council to meet the pre-fair deadline will submit entry requirements at the project’s fair check-in time. The 4-H Council will have an exhibit entry card or form designated in the fair book which will be used to meet the entry requirements for each project area. This will be used to describe the exhibit and articulate class of exhibition.

Check your county’s 4-H newsletter page to find the pre-fair entry deadline set for your respective county fair. This is a very important date to have marked on your calendar if you want to exhibit a 4-H project (animal and non-animal) at the county fair!

STATE FAIR ANIMAL EXHIBITION

Exhibiting an animal beyond the 4-H division at a Post Rock District county fair means that ownership and identification must meet the requirements outlined by the specific show’s governing body. The 4-H member is responsible for understanding the deadlines and expectations involved. It is a good idea to contact your local Extension Office as soon as possible if you are considering showing at the Kansas State Fair, so we can share resources to help you navigate the expectations and processes.
ANIMAL TAGGING AND IDENTIFICATION
EFFECTIVE FOR 2023 COUNTY FAIRS

4-H Animal Verification for County Fair: By the pre-fair deadline set by the 4-H Council, the following animals will require the designated 4-H tag: market beef, commercial breeding beef, bucket calf, market sheep, commercial breeding sheep, market swine, commercial breeding swine, market goat, commercial breeding goat, dairy cattle, dairy goat, and other species where tagging is determined safe and appropriate. Either ear can be tagged for county fair.

If an animal is breed registered, a 4-H tag is not required. A copy of the registered animal’s official documentation (i.e. registered heifer) is to be on file at the local Post Rock District office by the pre-fair deadline. Registration papers can be in the member or immediate family name to be accepted.

Any animal exhibit with two or more animals (i.e. cow/calf pair) will require verification by a 4-H tag, local farm tag, or registered documentation for the primary animal (cow) and secondary animals will be allowed to have a local farm tag (calf).

Animals not requiring a 4-H tag will describe the animal exhibit on the fair entry document which is to be submitted by the pre-fair deadline. Descriptions include: breed, sex, name, special markings. For county-level exhibition in Post Rock District, leg bands are not required for poultry; tattoos are not required for rabbits; identification certificates and level testing are not required for horses.

4-H Animal Tag for County Fair: When a tag is sold from the Post Rock District office, it will be recorded under the immediate family. Do not transfer a 4-H tag to another family. A photo is not required to be turned in once the animal is tagged. Unused tags are to be returned to the Extension Office. If a tag is lost or damaged, work with the local Post Rock District office to replace.

LIVESTOCK RATE-OF-GAIN CONTEST AT COUNTY FAIR

Rate-of-gain contests are managed differently in each county and it is an optional experience. Any livestock not weighed-in and tagged with the county’s official 4-H tag at the designated event are not eligible for the county fair’s 4-H rate-of-gain contest.

Check your county’s 4-H newsletter page for information about weigh-in events.

Beef weigh-ins are just around the corner!
INSECT ART CONTEST
The Pesticide Safety and IPM program is hosting an insect-themed art contest for Kansas 4-Her's and art students across the state. The theme this year is "Insect Superheros". The deadline is April 14. Contest rules and entry forms are posted at [www.ksre.ks-state.edu/pesticides-ipm/](http://www.ksre.ks-state.edu/pesticides-ipm/)

SHOOTING SPORTS PRACTICES
You can ONLY attend a 4-H shooting sports practice if you are enrolled in the project discipline on 4-H Online and if you have paid your 2022-2023 shooting sports fee. Youth must be 8 years old before January 1, 2023 to be eligible to enroll in any 4-H shooting sports project discipline. Adults planning to attend the practices are strongly encouraged to be screened 4-H volunteers. If you are not a screened volunteer, you cannot assist anyone other than the child you are a parent/guardian of. Instructors are required to have all youth and adults (spectators and participants) sign in and sign out of each practice. Tonia Underwood is our shooting sports coordinator (tiunderw@ksu.edu and 785-378-3174).

- Archery and BB Gun practices with instructors Stede Underwood and Jeff Cady are set for February 19 and February 26. Practices will be in Mankato. Contact Tonia Underwood if you are interested and more details will be shared.
- Archery practices with instructor Tommie Berger will be from 2:00-4:00 p.m. on March 18, March 25, April 1, and April 8 near Sylvan Grove. Let Tonia Underwood know if you are interested and she can share more details.
- Shotgun practices with instructors Karen Panter and Dean Heise will be later this spring after it warms up. Watch for more information in a future newsletter.

SHOOTING SPORTS INSTRUCTOR TRAINING
Kansas 4-H is offering a shooting sports instructor certification training at Rock Springs Ranch on March 24-26. Instructors can be certified in BB Gun, Air Rifle, Air Pistol, Archery, Shotgun, Hunting Skills, Muzzleloading, Small Bore Rifle, Small Bore Pistol, or Coordinator. Registration will open early February, and space is limited. If you would like to become a certified 4-H shooting sports instructor in Post Rock District, notify Tonia Underwood, our certified shooting sports coordinator, at tiunderw@ksu.edu or 785-378-3174. If you are interested but unavailable in March, let Tonia know so she can share future trainings with you.
TIPS FOR POSTERS

- Poster boards should be large enough to be seen at a distance.
- Print letters on a background with considerable contrast for ease in reading.
- Keep letters simple and large enough to be easily read from everyone in the presentation room.
- Fill in lettering so words do not appear spotty.
- Allow three or more inches for a margin on the top and sides and slightly more on the bottom.
- When posters contain both illustrations and lettering, one should dominate.
- Do not crowd or clutter a poster with too many ideas.
- The most effective poster is one that has a minimum of text, but yet has meaning.
- Display posters so everyone can see them. Do not hide the presenter.
- Posters may be made with paint, markers, drawing ink, or any other medium that will not smudge easily.
- When using several posters of identical size and color, use a small identification number on the back to stay organized.

TIPS FOR ELECTRONIC SLIDES

- Keep slides simple. Don't put too much information on one slide.
- Use keywords, phrases, and concepts - not complete sentences.
- Maintain eye contact with the audience. Don't read off your slides.
- Blend a photo, chart, or graph with minimal text.
- Leave borders all around the slide, especially at the bottom, which can be hard to see.
- Choose colors that can be seen with the room's lights on during the presentation. Stick with one background color for all slides.
- When projected, colors tend to lighten in appearance. Test your slides in advance.
- Make sure the text on the slide is large enough to read from the back of the room. Bold letters aid visibility.
- Don't mix more than two fonts on a slide. Pick a font that can be easily read.
- Use upper and lower case lettering. Limit use of all-CAPITALS, italics and underlining.
- Limit images on a single slide so they do not become too small to be seen.
- Keep special effects and transitions simple, consistent and to a minimum.
