**TASTY TOMATOES PROGRAM**

Join Post Rock Extension District to learn about the power of produce this summer! Kids are encouraged to visit the Solomon Valley Farmers Market in Beloit on June 14, July 12 and August 9 from 4:00 - 6:00 p.m. At POP, you'll learn about fruits and vegetables, locally grown food, and healthy food preparation. This is a great experience for those interested in gardening and foods! Call the Post Rock District - Beloit Office if you have questions at 785-738-3597.

**MENTAL HEALTH FIRST AID TRAINING**

Sometimes first aid isn't a bandage, or CPR or calling 911. A person you know could be experiencing a mental health or substance use problem. Learn an action plan to help. You are more likely to encounter someone in an emotional or mental crisis than someone having a heart attack. Learn how to help a friend, family member, co-worker, or neighbor in need. Get trained in Mental Health First Aid on Thursday, June 8 from 8:30 a.m. – 5:00 p.m. at the Gardner Wellness Center, 616 S. Main St., Smith Center, KS. To register, contact Brenda Langdon, Family Resource Management Agent, at bklangdon@ksu.edu or call 785-346-2521.

**VOLUNTEER QUANTITY COOKING SAFETY PROGRAM**

Food is a great way to bring people together, and selling food is often a key way for non-profit groups (like your 4-H club or council) to raise funds for their activities. Cooking large quantities of food is different than cooking for your family. Learn the additional food-safety steps to take when preparing and serving a large crowd on June 13 at 6:00 p.m. at the Jewell Public Library, 216 Delaware St., Jewell, KS. Register at [https://bit.ly/42aYFKc](https://bit.ly/42aYFKc) or call 785-524-4432.
FOODS AND NUTRITION: NEW FROSTING/FILLING RULE FOR FAIR

Kansas State Fair has a new rule for frostings and fillings. For food safety purposes, any entries with frostings and fillings must calculate the amount of sugar in the frosting/filling recipe only. Calculation must be attached to entry, or the placing will be lowered one ribbon when judged. Frosting and fillings need to contain more than 65% sugar for safety. For examples on how to calculate this percentage, go to this publication at: https://bookstore.ksre.ksu.edu/pubs/MF3544.pdf.

STATE HORTICULTURE JUDGING CONTEST

The State 4-H Horticulture Judging Contest is August 12 in Manhattan. If interested, let your local office know so we can register you. There are team and individual opportunities. The study materials will be posted on the Kansas 4-H Horticulture Judging Contest webpage.

STATE FAIR STATIC (NON-ANIMAL) EXHIBITS

Each county fair’s 4-H division allows qualification for the Kansas State Fair in accordance with the expectations outlined in the Kansas 4-H State Fair Book. There may be additional exhibit requirements to exhibit at the state fair, and some county-level projects are not eligible to go to state. 4-H members must refer to their county fair book to understand when qualifying projects must be designated for state fair. Post Rock District staff will complete the entry process as outlined by Kansas 4-H, using the information submitted by qualifying members.

Post Rock District staff will coordinate transportation of non-animal exhibits to-and-from the Kansas State Fair for 4-H exhibition. Exhibits will only be transported by extension staff if they can easily be moved by one person, if they can fit within an extension vehicle, and if they can be safely transported with many other items. 4-H members can transport their own items, including those that are too large, heavy or fragile.

STATE FAIR ANIMALS

Exhibiting an animal beyond the 4-H division at a Post Rock District county fair means that ownership and identification must meet the requirements outlined by the specific show's governing body. The 4-H member is responsible for understanding the deadlines and expectations involved.

- Contact your local Extension Office as soon as possible if you are considering showing at the Kansas State Fair, so we can share resources to help you navigate the process.
- If your animal species doesn’t classify for state livestock nomination, visit the Kansas 4-H State Fairbook for important ownership, verification, and exhibition deadlines and details.
- All market animals and commercial females that youth would like to be eligible for the Kansas State Fair Grand Drive and/or Kansas Junior Livestock Show (KJLS) must be nominated. The Kansas Youth Livestock Program website outlines the State Livestock Nomination Process under the "Nomination Information" tab. Families are highly encouraged to use the resources available, especially the Rookie Guide.
- There are multiple changes to the horse project at the state-level, specifically relating to level testing, qualifying shows, and the state horse identification form/deadline. Visit the Kansas 4-H Horse Project webpage for a complete summary of Kansas State Fair horse show changes. Also, read the Kansas 4-H State Fairbook.
