4-H Membership Fee Payment Information

Kansas 4-H's annual membership fee is \$15 per member.
Cloverbuds do not pay a fee.

Receiving a Sponsorship?

Select 'Pay by Check'

This is the payment method to use to ensure all available local county and club sponsorships are applied. When you select this option, Post Rock District staff will enter your sponsorship code on the backside of the database during the approval process.

Need to Pay Personally?

Select 'Pay by Check' OR Select 'Pay by Credit Card'

- **Pay by Cash or Check to your 4-H Council:** DO NOT mail a check to the State 4-H Office. If you want to pay for your 4-H enrollment with a check or cash, select 'pay by check' in the 4-H Online system. Then, go to your local Extension Office and complete your payment. Please make checks payable to your County's 4-H Council.
- **Pay by Credit Card:** If there are no county or club sponsorships covering your membership fee, you will be personally responsible to pay your enrollment by November 15. If you do not want to pay by cash or check, you can choose to pay your fee by credit card. Keep in mind, credit card payments are made directly to the Kansas 4-H State Office. Once you select this option, there is a very limited ability to change your payment method or address a mistake. When in doubt select 'pay by check'!

Not sure how to pay?

Select 'Pay by Check'

If you are not sure how to pay, select 'pay by check' before submitting and our staff can assist on the backside of the database during the approval process. Some counties and clubs have a membership scholarship. Check your county's page in this newsletter for more specific payment instructions.

4-H AGE REQUIREMENTS

4-H Members are 7 - 18 years old by January 1, 2026. Cloverbuds are 5 - 6 years old by January 1. Cloverbuds participate for experience only.

In Post Rock District, in addition to enrolling in 4-H Online, there is a Shooting Sports project participation fee of \$10.00, due to your 4-H Council before you can attend any activity. You can only enroll in a discipline supported by Post Rock District. Tonia Underwood, tiunderw@ksu.edu, serves as our District's certified Shooting Sports Coordinator.

Youth will also need to get their shooting sports payment turned in to your local Extension Office, as mentioned in the article above. VOLUNTEER LEADERS FORUM IS NOVEMBER 22 - 23

Kansas Volunteer Leaders Forum will take place at Rock Springs 4-H Center on November 22 - 23. It's an opportunity for volunteers from around the state to learn together while building a network of likeminded passionate adults. Register by October 15 at the [Volunteer Leaders Forum website](#).

ADULT VOLUNTEERS NEED TO ENROLL IN 4-H ONLINE

Anytime youth gather in the name of 4-H, it is important that there are two adults present who have been approved by Post Rock District as 4-H registered and screened volunteers! A 4-H Club is required to have two club leaders, yet it takes many more volunteers to have successful project learning experiences, workshops, community service activities, etc. Register as an adult volunteer in 4-H Online as soon as possible. After registering, your local Extension Office staff will share with you the steps to complete the required background check. This is paid for by Post Rock District. Once all of these steps are completed, you are eligible to be considered for approval by the Post Rock District Governing Board. Volunteers complete these steps during their initial enrollment. Each year after, volunteers can renew on 4-H Online without the extra steps. **If you plan to assist/support your club, council, or at project meetings (beyond helping the children in your immediate family), please register as an adult volunteer!**

CHECK YOUR EMAIL FOR 4-H COMMUNICATIONS

Post Rock District and Kansas 4-H use email as primary means of communication. We use the email contact information shared when you enroll in 4-H Online. Please check that your current email and phone are included in 4-H Online. Your local Extension Office can assist with updating this contact information. It is VERY important 4-H Online is updated in October with your current information.

Kansas 4-H believes that participation in an organized 4-H club is the preferred method of involvement for members, but acknowledges there are sometimes extenuating circumstances that may make independent 4-H membership a viable way to still engage in 4-H youth development learning. If you select independent membership while enrolling in 4-H Online, please note there are additional steps that need taken before membership will be approved. You will need to complete an Independent Member Study Agreement. The agreement will be reviewed and approved if all expectations are met.
