List three things you should do before the meeting to be prepared.

Members from your club attend different schools. You want everyone to get-to-know each other to create a 4-H family. How will you encourage members to feel like they belong?

Your club membership is mostly youth in the junior age division. There are only a few senior-level members. How can you support both younger and older members with mastering an activity/song?

You are trying to start the song or game, but no one is listening to you. What can you do to gain attention and focus of the group?
