

# Safe Tractor & Machinery Operation Training

This program is a collaboration with K-State Research and Extension Districts: Post Rock, Midway, Cottonwood, and Central Kansas District.

The National Safe Tractor and Machinery Operation Program (NSTMOP) is designed for 14- and 15-year-olds seeking employment in production agriculture.

Core content areas include:

- Safety basics, Agricultural hazards, Tractors, Connecting and using implements, Materials handling, and more.

Students are certified after successfully passing a 50-question test at the training and doing both an operating skills test and a driving test administered by the employer.
