

THE CURE STARTS WITH US!

TOWN HALL MEETING

Cancer Research Findings for Ellsworth, Lincoln, and Russell Counties

Kansas State University's faculty are coming back to share the results of their study. Come find out what they learned about water quality, radon levels, and cancer cases in central Kansas!

Additionally, faculty from the Kansas Radon Program will be sharing why radon is a concern and how to reduce your risk of lung cancer caused by radon.

ELLSWORTH: May 19 (Monday) 12:00 p.m.

American Legion Post 174, 345 W 15th St

LINCOLN: May 19 (Monday) 6:00 p.m.

Finch Theatre, 122 E Lincoln Ave

RUSSELL: May 20 (Tuesday) 12:00 p.m.

Dole-Specter Conference Center, 1430 S Fossil St

-- Snacks provided at each location --
