Medicare Basics

Tuesday August 8th, 2023
6:00 PM
Osborne Public Library Meeting Room

Medicare can be confusing. It’s important to understand requirements, eligibility, and benefits when considering your future health care coverage. Those turning 65 and thinking about retirement are encouraged to attend, although all ages are welcome, especially those who help aging parents with insurance and financial matters.

What you will learn
- Medicare eligibility
- Medicare benefits for parts A, B, C, D
- Medicare enrollment process/timeline
- Information for those 65-plus and still working
- Coordinating benefits for Medicare and employer/retiree insurance
- Comparing Medicare part D
- Medicare supplements, also known as Medigap policies
- Programs available to low-income individuals
