Medicare Basics

Thursday October 12th, 2023
6:30 PM
Smith Center Public Library

Medicare can be confusing. It’s important to understand requirements, eligibility, and benefits when considering your future health care coverage. Those turning 65 and thinking about retirement are encouraged to attend, although all ages are welcome, especially those who help aging parents with insurance and financial matters.

Scan the code with your phone camera to register

What you will learn

- Medicare eligibility
- Medicare benefits for parts A, B, C, D
- Medicare enrollment process/timeline
- Information for those 65-plus and still working
- Coordinating benefits for Medicare and employer/retiree insurance
- Comparing Medicare part D
- Medicare supplements, also known as Medigap policies
- Programs available to low-income individuals

How to Register
Contact Brenda Langdon Post Rock District Family Resource Management Agent at 785-346-2521 or email bklangdon@ksu.edu, scan the QR code, or register at the library.
