Space Discovery
Post Rock Extension District Leadership Day Camp

Day Camp Explores the Wonders of Space; Teaches Teamwork; and Encourages Critical Thinking, Creativity and Fun

Space Discovery is a summer day camp filled with fun that is out of this world! Curious youth will blast off into hands-on learning by teaming up to build and test rockets, explore the solar system, and more. Hands-on activities teach basic principles in STEM education and application. The Space Discovery Day Camp challenges youth to think creatively and problem solve.
