Day Camp Explores Interests; Teaches Teamwork; and Encourages Collaboration, Creativity and Fun

STEAM summer day camp will be an energizing morning filled with interactive activities that teach basic principles in STEAM (Science, Technology, Engineering, Arts & Architecture, and Mathematics). Youth are invited to come learn new things, think creatively, problem solve, and have fun!

Brought to you by Jewell County 4-H Council, partnering with Post Rock Extension District!

For: Youth entering grades Pre-K - 3 in the fall. ALL youth are welcome!
Participation Fee: $5
Fee is non-refundable and payable to Jewell County 4-H Council by cash or check.
Registration Deadline: May 17
Register Online: bit.ly/SteamDayCamp.

K-State Research and Extension is committed to providing equal opportunity for participation in all programs, services and activities. Program information may be available in languages other than English. Reasonable accommodations for persons with disabilities, including alternative means for communication (e.g., Braille, large print, audio tape, and American Sign Language) may be requested by contacting the event contact (Tonia Underwood) two weeks prior to the start of the event (May 11, 2023) at (785-378-3174 or tiunderw@ksu.edu). Requests received after this date will be honored when it is feasible to do so. Language access services, such as interpretation or translation of vital information will be provided free of charge to limited English proficient individuals upon request.

Kansas State University Agricultural Experiment Station and Cooperative Extension Service
K-State Research and Extension is an equal opportunity provider and employer.
