

SUPERHERO SCIENCE STATION

Youth will unleash their inner superhero while discovering the exciting world of science! Through action-packed experiments, hands-on challenges, and interactive activities, participants will explore the science behind superpowers, solve real-world problems, and work together like true heroes. Youth will build critical thinking, teamwork, and STEM skills while learning that anyone can be a superhero through the power of science.

9:00 AM-11:30 AM

Same experience, two locations, attend one!

DANE G. HANSEN
FOUNDATION

This institution is committed to providing equal opportunity for participation in all programs, services, and activities. Program information may be available in languages other than English. Language access requests and reasonable accommodations for persons with disabilities, including alternative means of communication (e.g., Braille, large print, and American Sign Language), may be requested by contacting the event contact Nora Rhoades four weeks prior to the start of the event at 785-378-3174 and nrhoades@ksu.edu. Requests received after this date will be honored when it is feasible to do so. Language access services, such as interpretation or translation of vital information, will be provided free of charge to limited English proficient individuals upon request. Kansas State University is an equal opportunity provider and employer.
