

Greetings,

Enclosed you will find brochures sharing the 2022-2023 supplemental youth activities for educators and community leaders. These programs are made available by the Post Rock Extension District. Please share with your team! If you have questions, the presenting Extension Agent's contact information is included. We are excited to collaborate with you to enhance positive youth development experiences in our communities!

Thank you,

Nora Rhoades
Post Rock Extension District Youth
Development Extension Agent
